This catalog is an official publication of Johnson & Wales University. As such, it and any other publications or policies provided on JWU's website are subject to revision at any time. The university reserves the right to add, withdraw or revise any course, program of study, provision or requirement described within the catalog as may be deemed necessary. Occasionally, program requirements will vary by the publication date of the catalog. Requirements stated in the edition published closest to the September enrollment date will take precedence.

Students should read and fully understand the rules, requirements and policies described in this catalog. Additionally, all enrolled students are expected to be familiar with the contents of the Denver Campus Student Handbook. The Denver Campus Student Handbook contains important information regarding academic performance and personal conduct of students as well as university grievance procedures. It also outlines the conditions under which students may be placed on probation or suspension from the university. The Denver Campus Student Handbook (<http://catalog.jwu.edu/handbook/denver>) is available online. Copies of the Denver Campus Student Handbook and this catalog are also available at Student Academic & Financial Services.

Letter from Denver Campus President

Johnson & Wales University is a unique, private, nonprofit institution of higher education. For 100 years, we've been focused on transforming the dreams of career minded students into reality. We've grown from a small New England business school to a recognized leader in career education. Our alumni from across the globe are influencing a wide variety of fields with their passion, drive and knowledge.

At our Denver Campus, more than 1,400 students from nearly all 50 states and around the world are pursuing their career goals through our wide range of industry-focused programs. A mix of historic and modern buildings gives the 26-acre, park-like campus an intimate and traditional feel, yet it's just 15 minutes from downtown Denver. Our academic programs, facilities and diverse array of student services, athletics, clubs and organizations — combined with our commitment to the community we call home — make the Denver Campus comfortable for all types of students from various backgrounds.

Denver has been consistently listed since 2008 as one of the top 10 "best places for business and careers" by *Forbes* magazine and was recently named as one of the coolest cities in America. The city boasts an annual average of 300 days of sunshine, and also features the nation's largest city park system with more than 800 miles of paved bike trails. The Denver Campus is within an hour's drive of the majestic Rocky Mountains, with opportunities for winter sports, hiking, fishing, camping, horseback riding and mountain biking. Denver is also a sports hot spot with a full complement of professional sports teams, including the Nuggets, the Rockies, and the world champion Avalanche and Broncos.

With a thriving and growing economy — including more than 2,000 restaurants in the greater metro area, museums and top-notch shopping, and the second largest performing arts center in the nation — Denver provides the perfect foundation for JWU students to get an edge on their future career through internships and experiential learning opportunities.

We invite you to learn more about our unique educational approach and how we prepare students for careers in their industry of choice while instilling a strong sense of civic responsibility.

Sincerely,

Robin P. Krakowsky '88, '08 Ed.D.

About JWU

Founded in 1914, Johnson & Wales University is a private, nonprofit, accredited institution with approximately 16,000 graduate, undergraduate and online students at its four campuses in Providence, R.I.; North Miami, Fla.; Denver, Colo.; and Charlotte, N.C. An innovative educational leader, the university offers degree programs in arts and sciences, business, culinary arts, education, nutrition, hospitality, physician assistant studies, engineering and design. Its unique model integrates arts and sciences and industry-focused education with work experience and leadership opportunities, inspiring students to achieve professional success and lifelong personal growth. The university's impact is global, with alumni from 119 countries pursuing careers worldwide.

Here's what makes JWU different.

- Degree programs are designed to provide you with the knowledge and skills employers have identified as necessary in your field of choice. And you don't have to wait to build your career skills, as you'll have the opportunity to take courses in your major in your first year.
- Students learn by doing. Faculty, many with industry experience, bring professional knowledge and networking opportunities into small classroom settings.
- JWU's programs provide opportunities for real-world experience, which can include internships, classroom projects with actual companies and community service learning. You'll learn industry best practices and train on career-specific tools and software.
- Dedicated faculty and career advisors help you set professional goals and develop an educational plan designed for you to best attain those goals. In addition, specialized workshops help you build your résumé, highlight your skills and develop a portfolio of work to help set you apart.
- You'll have the opportunity to network with employers who visit campus each year, including career fairs, on-campus interviews and career events geared to your major.
- JWU students intern at nearly 2,000 sites related to their major each year worldwide.
- At least one-third of credits in each JWU program are in the arts and sciences to help you develop the critical thinking, communication and analytical skills necessary for long-term career progression.
- JWU offers 40 study abroad programs and independent exchanges, all of which include study such as lecture, industry visits and cultural excursions. Study Abroad staff members will help you identify programs that best fit your academic and career goals.
- Participation in competitions as a member of DECA, BPA, FCCLA and other nationally recognized student organizations help build leadership, career skills and your résumé.
- Community service is integral to our educational philosophy. Our ongoing commitment to community service has repeatedly earned JWU a place on the President's Higher Education Community Service Honor Roll.

History of JWU

Johnson & Wales University (JWU) was founded as a business school in 1914 in Providence, R.I., by Gertrude I. Johnson and Mary T. Wales. From its origins as a school devoted to business education, JWU has grown to a junior college, to a senior college, and ultimately to university status.

JWU was accredited in 1954 by the Accrediting Council for Independent Colleges and Schools (ACICS).

In 1963 the State of Rhode Island granted a charter that authorized the university to operate as a nonprofit, degree-granting institution of higher learning and to award associate degrees in accounting, business administration, court reporting and secretarial sciences.

In 1970 the State of Rhode Island approved a revision in the university's charter allowing it to award baccalaureate degrees as well as associate degrees.

In 1972 and 1973 the university announced the addition of new associate degree programs in the fields of hospitality and culinary arts. This led to

additional two- and four-year degree programs in the hospitality and food service fields.

In 1980 the university was granted a legislative charter to replace its previous charter and became authorized to award advanced degrees.

In 1984, a JWU campus was established in Charleston, S.C., which offered a variety of two- and four-year programs in food service, hospitality and travel-tourism. A JWU campus opened in Norfolk, Va., in 1986, offering one- and two-year food service programs.

In 1985, graduate degree programs were introduced at the university, and the university officially changed its name to Johnson & Wales University in 1988.

In 1992, JWU opened a campus in North Miami, Fla. That year also marked the university's formal establishment of the College of Business, The Hospitality College, the College of Culinary Arts and the School of Technology. A new emphasis on general studies was introduced with the development of the School of Arts & Sciences.

The university's School of Technology offered courses in Worcester, Mass., from 1992–2002.

JWU received regional accreditation from the Commission on Institutions of Higher Education of the New England Association of Schools and Colleges (NEASC) in 1993. In that same year, JWU opened a campus in Vail, Colo., which offered an accelerated associate degree program in culinary arts to college graduates. The year also marked the beginning of a four-year bachelor's degree offering in culinary arts.

From 1994–2004 JWU offered programs at the Institute of Higher Marketing (IHM) Business School in Göteborg, Sweden. This joint educational agreement allowed business and hospitality students to complete one year of study in Sweden and finish their degrees at one of the university's domestic campuses.

The university consolidated its institutional accreditation efforts under NEASC on June 30, 2000.

September 2000 marked the opening of the Denver, Colo., campus. In 2000, the Vail Campus merged with the Denver Campus.

In 2002, the university made a strategic decision to consolidate its smaller Charleston and Norfolk campuses to build a campus in Charlotte, N.C. JWU's Charlotte Campus opened in fall 2004. The Charleston and Norfolk campuses officially closed in May 2006.

Beginning with the 2008–2009 academic year, JWU's College of Business and The Hospitality College eliminated associate degrees and began offering only bachelor of science degrees that allowed students to customize their education. This decision did not impact the College of Culinary Arts and the School of Technology.

In 2009–2010 JWU recruited, admitted and enrolled the entering class for two online bachelor's degree programs in food service management.

In fall 2012 the university began offering a degree in counseling psychology, the first bachelor's degree program offered through the John Hazen White School of Arts & Sciences. This was followed in fall 2013 by the addition of two more arts and sciences degree programs.

That same year, the university restructured into three colleges and three schools: the College of Culinary Arts, the College of Management, John Hazen White College of Arts & Sciences, the School of Engineering & Design, the School of Online & Continuing Education, and the Center for Physician Assistant Studies (to be incorporated into a future School of Health Sciences).

Today the university is offering a variety of new degree programs that reflect the growing industries of tomorrow.

Mission and Guiding Principles

Johnson & Wales University ... an exceptional education that inspires professional success and lifelong personal and intellectual growth

In support of our mission and recognizing the importance of preserving our unique student-centered culture we will be guided by the following principles:

- Undertake continuous improvement and planning for a sustainable future.

- Foster a teaching-focused university that encourages appropriate scholarship and offers relevant programs that maximize student potential.
- Enrich our academic programs with experiential and work-integrated learning.
- Be cost-conscious in our endeavor to provide an affordable private university education and be a good steward of our resources.
- Embrace diversity for a richly inclusive community.
- Model ethical behavior and local, national and global citizenship.
- Value our faculty and staff by investing in their quality of life and professional development.
- Provide facilities, technology and other resources to meet the needs of students, faculty and staff.

Residence Halls

Johnson Hall and Wales Hall

Housing first-year and transfer students, these suite-style residence facilities accommodate two to three students per room with a semi-private bathroom

shared between two rooms. A limited number of single rooms with shared bathrooms are also available to those students who are not first-year, traditional students.

Presidents Hall

Presidents Hall is preferred housing for sophomore, transfer and returning students, featuring double-occupancy rooms. Each air-conditioned room accommodates two students and includes private bathrooms.

Founders Hall

This newly renovated hall is home to sophomore and transfer students. Each air-conditioned floor features suites that accommodate two students with a private bathroom. Single rooms with shared bathrooms are also available.

Triangolo Hall

Triangolo Hall is a newly renovated, air-conditioned apartment-style residence hall reserved for upper-class students. Accommodating two or four students per apartment, Triangolo features living rooms and large kitchenettes with granite counter tops and stainless steel appliances.

Gaebe Hall

Gaebe Hall features single, double and multiple-occupancy rooms. All rooms are suite-style with full-sized beds, shared bathrooms and kitchenettes. This hall is reserved for upperclass and transfer students.

Campus Dining

Students have access to dining facilities on campus in the dining center and at our convenience store, Outtakes. Late night dining options will be available in our new Centennial café.

Residential students are able to choose from a variety of meal plan options and prices based on the type of housing they choose.

- Returning and transfer students may select a minimum meal plan of 10 meals per week, with the option to upgrade to a 14- or 18-per-week meal plan.
- New students are eligible to select the 18- or 14-per-week meal plan.
- Each plan comes with an additional \$150 "flex dollars." \$50 per term may be used for purchases at additional campus dining locations beyond the Wildcat Dining Center, in any denomination. This includes late night options that are offered in the new café in Centennial Hall.
- During a brief adjustment period, at the start of each term, students will be able to change their meal plan to a selection that best matches their dietary needs and weekly schedule.

the Provost, Johnson & Wales University, One Weybosset Hill, Sixth Floor, 33 Broad Street, Providence RI 02903; phone: 401-598-1359.

Providence Campus: The State of Rhode Island has chartered Johnson & Wales University as a nonprofit degree-granting institution of higher learning.

North Miami Campus: JWU is licensed by the Commission for Independent Education, Florida Department of Education. Additional information regarding the institution may be obtained by contacting the Commission at 325 West Gaines Street, Suite 1414, Tallahassee, FL 32399-0400; toll-free phone: 888-224-6684.

Denver Campus: The Colorado Commission on Higher Education has authorized JWU under the Degree Authorization Act to offer instruction leading to the award of credits and/or degrees in Colorado.

Charlotte Campus: The Board of Governors of the University of North Carolina has licensed JWU under G.S. 116-15(b) to conduct degree activity in North Carolina.

Providence and Denver Campuses — B.S. in Culinary Nutrition Program:

The Providence Campus and Denver Campus Culinary Nutrition programs are accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND), 120 South Riverside Plaza, Suite 2000, Chicago, IL 60606-6995; phone: 312-899-0040, ext. 5400. The Providence Campus and Denver Campus Didactic Programs in Dietetics (DPD) meet the standards of education set by ACEND.

Providence Campus — M.S. in Physician Assistant Studies: The Accreditation Review Commission on Education for the Physician Assistant (<http://www.arc-pa.org>) (ARC-PA), the accrediting agency that defines the standards for PA education within the territorial U.S., has granted Accreditation-Provisional status to the Physician Assistant Studies Program at Johnson & Wales University.

About Provisional Status: Accreditation-Provisional is an accreditation status. The status indicates that the plans and resource allocation for the proposed program appear to demonstrate the program's ability to meet the ARC-PA Standards, if fully implemented as planned. Accreditation-Provisional does not ensure any subsequent accreditation status. It is limited to no more than five years from matriculation of the first class. Successful graduates will receive a Master of Science in Physician Assistant Studies (MSPAS) from JWU and will be qualified to take the Physician Assistant National Certification Exam (PANCE) that is required for licensure as a physician assistant.

Online Campus: Johnson & Wales University offers online B.S. and Master's degree programs in business and hospitality and is required to publish information regarding certain state approvals of these programs.

Johnson & Wales University is registered as a private institution with the Minnesota Office of Higher Education pursuant to sections 136A.61 and 136A.71. Registration with the Minnesota Office of Higher Education is not an endorsement of the institution. Credits earned at the institution may not transfer to all other institutions.

The South Carolina Commission on Higher Education, 1122 Lady Street, Suite 300, Columbia, SC 29201 (phone: 803-737-2260), licenses Johnson & Wales University to recruit South Carolina students into its programs. Licensure indicates only that minimum standards have been met; it is not an endorsement or guarantee of quality.

Student Complaint Process for Online Students: If you are enrolled as an online student and you have a complaint or grievance that cannot be resolved through Johnson & Wales University's complaint and grievance process, you may file a complaint with the state in which you reside by referring to the following list of State Agencies (http://www.jwu.edu/uploadedFiles/Documents/Policies_and_Procedures/JWUState-by-StateInformationforOnlineStudentComplaintProcess.pdf).

Applied Psychology - BS

The Psychology bachelor's degree program offers students the opportunity to learn about and understand the complex relationships between human behavior and the world in which we live. Grounded in experiential learning and emphasizing awareness, understanding and appreciation for diversity, culture and global perspectives, this degree incorporates career-related knowledge, skills and abilities that prepare graduates for lifelong learning and professional success.

After taking foundational courses during the first year of the program, students choose one of two areas of emphasis to focus their studies. In Applied Psychology, students pursue advanced work that applies psychological concepts, theories and practice to the real world. This combination of theory and practical application prepares graduates to identify, address and engage everyday personal, professional and societal opportunities and challenges.

Upon completion of the program, graduates are expected to:

- Apply key concepts, theories and research findings in the discipline of psychology to understanding, explaining and evaluating human behavior in both real-world and experimental settings.
- Critically think and problem solve in an empirical manner as evidenced by the ability to use the scientific method, evaluate research findings, conduct applied research and use results to address challenges in the workplace and society at large.
- Exhibit ethically and socially responsible behavior in professional settings through an understanding of needs of diverse individuals in complex multicultural global environments.
- Demonstrate written, oral and interpersonal communication skills required of psychology professionals.
- Define and adopt a professional identity, as well as appreciation and commitment to on-going professional development, as evidenced by applying discipline-specific content to career goals, self-efficacy and self-regulation, project management, teamwork, and collaboration skills.

All Psychology students enroll in a required minor in either Applied Research or General Business. This focus complements major course work, providing students with marketable skills in research design, survey instrument construction, data analysis, critical evaluation or modern business practices that employers need to make decisions.

A required internship experience enables students to use material learned throughout the program in research or work settings, adding to their résumé and contributing to career employment possibilities. Grounded in a strong scientific foundation, graduates are ready for careers in a wide range of business, nonprofit and government occupations, as well as graduate-level education.

Counseling Psychology - BS

The Counseling Psychology bachelor's degree program prepares students for careers as case/program workers and managers and aides who assist counselors in resolving clients' personal, family, educational, mental health or work-related issues. Graduates of this program may pursue employment in the public or private sectors working in educational settings, private agencies, hospitals, rehabilitation centers or in nonprofit organizations.

Upon completion of this program, graduates are expected to demonstrate knowledge of the theoretical frameworks in counseling, professional and ethical practices, social and cultural diversity, human growth and development, career development, helping relationships, group work, assessment and research.

Upon completion of the program, graduates are expected to:

- Delineate the historical nature of psychology as well as the bio-psychosocial and developmental determinants of behavior.
- Practice effectively within the following core counselor practice domains: use of counseling strategies and techniques, client assessment, case management, treatment planning, addictions counseling, community resource utilization, job development and placement, vocational counseling, research application and ethical counseling.
- Identify, implement and evaluate the various frameworks for ethical appraisal of the individual, including use of methods of data gathering and interpretation, statistical concepts, individual and group testing, case studies, historical perspectives, and individual differences from multicultural and ethnic contexts.
- Employ basic scientific research methods to analyze and critique assumptions, examine available evidence including (but not limited to) statistical analysis, theorize, conduct ethical, representative, and viable research and draw logical conclusions in an attempt to identify and/or resolve a specific problem.
- Identify the nature and needs of diverse individuals in a multicultural society, demonstrating appropriate sensitivity to needs of these populations in applying psychological theory, employing research methodology, and in making referrals for mental health treatment.
- Examine the development, ethical issues and theoretical approaches to group counseling including defining and appraising group counseling theories, group therapy techniques, group purpose, group development and group dynamics.
- Develop criteria, skills and strategies for providing effective crisis intervention, de-escalation of conflict, and conflict resolution in crisis situations
- Apply ethical principles while dealing with clients within the counseling psychology profession.
- Evaluate and describe the philosophy, mission, programs and services of various human service providers as well as to demonstrate the ability to make appropriate individual referrals to said human service agencies.
- Function professionally in a supervised clinical experience that will prepare them to employ effective counseling practices while developing an understanding of the inner workings of public and/or private mental health and related human service agencies.

Courses are selected to provide students with a broad foundation of knowledge concerning human thoughts, emotions and behaviors. The program features a significant number of psychology courses that address both the biological and psychological motivations for certain behaviors. Sociology courses also play a major role by exploring the impact that a person's social environment (i.e., family, culture, religion, etc.) has had on his or her development. Knowledge gained in these disciplines is then examined from the counseling psychology perspective to determine viable modes of intervention and treatment, if such actions are warranted.

Consistent with the Johnson & Wales University experiential education philosophy, counseling psychology students also gain practical experience while enrolled in this program. For example, courses such as CSLG3010 Principles of Group Counseling and CSLG2030 Counseling Theories and Techniques provide students with classroom exercises in which they learn about, role play and model various counseling practices. Graduates of this program are expected to employ critical thinking skills and ethical principles essential to interacting with and successfully treating clients in the professional environment.

To qualify for the internship, students must have a 2.75 GPA in their major courses, or have permission of the program director, and a letter of approval from their faculty advisor. Those who do not qualify for the internship are required to take three additional counseling classes in lieu of the internship class, CSLG4099 Internship in Counseling Psychology.

In addition, students are expected to use the American Counseling Association (ACA) Code of Ethics and Standards of Practice as a guide for ethical behavior throughout the program.

PLEASE NOTE: A master of science degree is usually required for licensed positions as professional mental health counselors, marriage and family counselors and social workers. At completion of the bachelor's degree program in Counseling Psychology, students may also choose to pursue a Master of Science degree in Counseling. The bachelor of science degree program prepares students for entry-level case/program workers and managers and aide positions who assist licensed counselors.

Criminal Justice - BS

The Criminal Justice bachelor's degree program prepares students for professional careers in the field of criminal justice. Through this course of study, students are expected to acquire the communication, logic, critical thinking, and ethical reasoning skills essential for both the understanding of complex global and domestic criminal justice issues and for effective career performance and progression.

Upon completion of the program, graduates are expected to:

- Explain the historical backgrounds, agencies, professions, purposes, functions and administration of the American criminal justice system.
- Analyze, evaluate and apply social science research methods to complex issues within the criminal justice system.
- Apply criminological theories and causes of crime, and appropriate methods of control and prevention of criminal behavior to situational contexts within the American criminal justice system.
- Explain the complex responsibilities, procedures and policies of law enforcement agencies operating in the American criminal justice system.
- Critically evaluate evidence used to support criminal justice issues and generate appropriate recommendations.
- Explain conflicts that arise in diverse communities in relation to criminal justice administration.

The program's judicious mix of Criminal Justice and Arts & Sciences courses is intended to develop and enhance each student's critical thinking and effective communication skills, as well as their appreciation for diversity, citizenship, leadership and public service. In keeping with the unique curriculum and varied career opportunities available to graduates of the Criminal Justice program, students are encouraged to take advantage of available internship, study abroad and elective course opportunities that target their specific interests and goals.

Graduates of the program are prepared for a wide variety of criminal justice employment at the local, national and federal levels including careers in court administration, private investigation, airport security and social services, or as a federal agent, police officer or border patrol agent, among many others.

Environmental Sustainability - MINOR

The College of Arts & Sciences offers two minors (22.5 credits) that enhance and strengthen the qualifications of graduates moving into business: Environmental Sustainability and Professional Communication.* These are intended to give students opportunities to develop expertise in an area that complements their major. Real-world applications are embedded in both minors.

This minor prepares students to understand the scientific, public policy and economic challenges of current environmental problems such as global climate change and renewable energy. Faced with balancing social, economic and environmental concerns, industry and community leaders are exploring sustainable business practices. Through coursework and field research, students develop the knowledge and skills needed to address sustainability issues and to navigate the emerging green economy.

* The only minors offered are those listed in the catalog. Students cannot elect to create their own minors.

Liberal Studies - BS

Through the required and elective courses in the Liberal Studies bachelor's degree program, students acquire knowledge and experience in the arts, cultural studies, history, philosophy, the behavioral sciences, math and science. With a required minor in either business or technology, students are prepared to enter the workforce in business, nonprofit, government, and arts and cultural organizations. The degree also prepares them for further graduate studies. In addition, the program includes experiential learning through an internship, service learning and an optional study abroad.

Key differentiators of the JWU Liberal Studies degree program include a requirement that students complete a minor in business or technology, the inclusion of a heightened form of experiential learning, and in-depth advising in fulfillment of the mission. The required minor is intended to assure that students have an introduction to a profession or set of professional skills prior to program completion.

Upon completion of the program, graduates are expected to:

- Apply oral and written rhetorical strategies to communicate complex arguments.
- Apply appropriate disciplinary criteria to examine complex issues, analyze arguments, conduct credible research, solve problems, make ethical decisions and create original ideas and/or approaches.
- Synthesize and apply knowledge from multiple perspectives to evaluate complex issues and address real-world problems.

Arts & Culture Track:

- Exhibit advanced knowledge of the complexities of human culture.
- Critically examine and interpret human expression using the theories and methods of various disciplines, such as history, sociology, philosophy, literature and the arts.

Science & Society Track:

- Apply mathematical and scientific reasoning to social problems.
- Exhibit advanced knowledge of the social systems that structure human existence.
- Critically examine and interpret human behavior using the theories and methods of various disciplines, such as economics, sociology, psychology, political science and the natural sciences.

Media & Communication Studies - BS

The Media & Communication Studies bachelor's degree program allows students to gain significant knowledge of media principles and practices. Media & Communication Studies students ask important questions about media life, such as how industries produce television programs and popular music, what these images and sounds mean, and why audiences respond to them in different ways. Our principles menu includes courses on specific forms, such as photography and film, while classes on our practices menu emphasize writing, advertising, production and management. Students select courses that complement their intellectual and professional interests, usually by designing focus areas in consultation with advisors. The program also provides a strong liberal arts education and opportunities to study abroad.

Media internships serve as springboards for career opportunities in a variety of industries. Additionally, students are well-positioned to pursue graduate degrees in a variety of fields.

Upon completion of the program, graduates are expected to:

- Demonstrate knowledge of how the major media industries work in local-global contexts.
- Analyze, interpret and evaluate the aesthetic impressions and expressions of media texts.
- Compare and contrast theories that scholars use to explain the beliefs, attitudes, values, opinions and behaviors of media audiences.
- Assess the political-economic and social-cultural influences among media industries, texts and audiences.
- Integrate primary and secondary sources into well-reasoned arguments.

Organizational Psychology - BS

The Psychology major offers students the opportunity to learn about and understand the complex relationships between human behavior and the world in which we live. Grounded in experiential learning, and emphasizing awareness, understanding and appreciation for diversity, culture, and global perspectives, this degree incorporates career-related knowledge, skills and abilities that prepare graduates for lifelong learning and professional success.

After taking foundational courses during the first year of the program, students choose one of two areas of emphasis to focus their studies. In Organizational Psychology, students focus on the application of psychological concepts, theories and research in the workplace. Emphasizing innovation, worker productivity, interpersonal interaction, organizational culture and change management in diverse settings, students gain practical skills and knowledge to positively impact the contemporary work environment.

Upon completion of the program, graduates are expected to:

- Apply key concepts, theories and research findings in the discipline of organizational psychology to understanding, explaining and evaluating human behavior and industrial organizational processes in both real-world and experimental settings.
- Critically think and problem solve in an empirical manner as evidenced by the ability to use the scientific method, evaluate research findings, conduct applied research and use results to address challenges in the workplace and society at large.
- Exhibit ethically and socially responsible behavior in industrial settings through an understanding of needs of diverse individuals in complex multicultural global environments.
- Demonstrate written, oral and interpersonal communication skills required of organizational psychology professionals.
- Define and adopt a professional identity, as well as appreciation and commitment to on-going professional development, as evidenced by applying organizational psychology-specific content to career goals, self-efficacy and self-regulation, project management, teamwork, and collaboration skills.

All Psychology students enroll in a required minor in either Applied Research or General Business. This focus complements major course work, providing students with marketable skill sets in research design, survey instrument construction, data analysis, critical evaluation or modern business practices that employers need to make decisions.

A required internship experience enables students to use material learned throughout the program in research or work settings, adding to their résumé and contributing to career employment possibilities. Grounded in a strong scientific foundation, graduates are ready for careers in a wide range of business, nonprofit and government occupations, as well as graduate-level education.

Professional Communication - MINOR

The College of Arts & Sciences offers two minors (22.5 credits) that enhance and strengthen the qualifications of graduates moving into business: Environmental Sustainability and Professional Communication.* These are intended to give students opportunities to develop expertise in an area that complements their major. Real-world applications are embedded in both minors.

Having strong communication skills is essential for success in many fields of business and industry. Whether making decisions, analyzing performance, designing user-friendly systems or managing a project, effective communication of business and technical details is needed. This minor focuses on building written and oral communication, use of new media, collaboration and problem-solving skills as part of career education.

The only minors offered are those listed in the catalog. Students cannot elect to create their own minors.

Grounded in experiential learning and emphasizing awareness, understanding and appreciation for diversity, culture and global perspectives, this program incorporates career-related knowledge, skills and abilities that prepare graduates for lifelong learning and professional success.

After taking foundational courses during the first year of the program, students declare a major in either Applied Psychology or Organizational Psychology to focus their studies. Students may also consider a change to the B.S. in Counseling Psychology but will need to work closely with an academic advisor to schedule courses required in the first year of this program.

In the B.S. in Applied Psychology program, students pursue advanced work that applies psychological concepts, theories and practice to the real world. This combination of theory and practical application prepares graduates to identify, address and engage everyday personal, professional and societal opportunities and challenges.

In the B.S. in Organizational Psychology program, students focus on the application of psychological concepts, theories and research in the workplace. Emphasizing innovation, worker productivity, interpersonal interaction, organizational culture and change management in diverse settings, students gain practical skills and knowledge to positively impact the contemporary work environment.

All Applied and Organizational Psychology students are required to declare a minor in either Applied Research or General Business. Urban Studies - BS

The Urban Studies bachelor's degree program prepares students to meet the challenges and opportunities associated with living and working in cities, such as population growth, unemployment, an aging population, a declining infrastructure, poverty, schools, segregation, housing displacement and homelessness, and immigration. Using an interdisciplinary approach, students gain an applied theoretical foundation in the discipline and knowledge of urban science that enables them to understand and participate in issues affecting the growth and prosperity of urban areas, nationally and globally.

Upon completion of the program, graduates are expected to:

- Apply the fundamental concepts of urban theory and history, structure, functions, politics, law, sustainability and management to specific situations and challenges related to urban development, culture and policy.
- Critically think and problem solve in an empirical manner as evidenced by the ability to use the scientific method, evaluate research findings, conduct applied research and use results to address challenges in the workplace and society at large.
- Utilize the sociological perspective and the technological tools that support its application in building democracy, promoting active citizenship, engaging the full diversity of the urban community and reducing the effects of social inequality.
- Apply mapping, digital photographic imaging, projections and estimates for analyzing and predicting future spatial arrangements and designs for urban development and growth.

In addition to major courses in the Applied Academy (theoretical foundations) and Urban Science (technical application), students declare a required minor in either Applied Research or Sustainability. Free elective options allow students to take additional Urban Studies course work, additional courses in other areas, or participate in a study abroad experience. Students in the program have the opportunity to engage in a unique required internship or field experience that utilizes the university's four-campus national footprint to create and implement a research-based project designed to address community needs. Students are engaged in creating, discovering and learning ways to integrate their Applied Academy and Urban Science training to help build better cities and better lives for all.

This program prepares students for meaningful careers across diverse industry sectors (both public and private), including all levels of government, organizations that hope to improve the lives of the people they serve, real estate developers, and businesses that will need to re-target consumer marketing based on demographic changes. Graduates of the program are also prepared to advance to graduate-level education.

Baking & Pastry Arts - AS

The associate degree program in Baking & Pastry Arts provides students with practical education in baking and pastry production, while developing professionalism and excellence in academic achievement. Hands-on training is paired with academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

Upon completion of the program, graduates are expected to:

- Utilize multiple classical and contemporary cooking and baking techniques to prepare, produce, and present baked products, pastries, and desserts
- Perform the skills and techniques of professional artisanal bread baking and viennoiserie
- Apply FDA recommended food safety and sanitation principles to food and beverage products, tools and equipment used throughout the flow of the food and beverage operation
- Implement cost control measures to track goods, services and costs through the cycle of cost control and to evaluate revenue and expenses and their effect on profitability
- Communicate professionally and exhibit appropriate decision making skills with respect for individual and team diversity as it applies to the food service industry

First-year Baking & Pastry Arts students rotate through two terms of hands-on laboratory classes. Emphasis is placed on skills development and techniques of combining basic ingredients to produce pastries, breads, cakes, frozen desserts, and chocolates. Second-year laboratories emphasize advanced techniques in the preparation and production of cakes, entremets, artisan breads, plated desserts and sugar work.

The baking and pastry lab experience is complimented by a sound general education core and professional studies which include food and beverage cost control, nutrition, and a food safety course that, upon successful completion, results in a Food Safety Manager certification recognized by the Conference for Food Protection.

Baking & Pastry Internship

Associate degree students will participate in one term of experiential education which allows students to participate in food service operations in preparation for future careers. Possible sites include university owned or operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, spas and contract food service providers. Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite coursework. International internship opportunities at host company sites throughout the world may also be available for students who have met specific college eligibility requirements, have a minimum of one year work experience in a full-service restaurant, hotel or resort, and who maintain a 3.25 cumulative grade point average.

- Food Service Entrepreneurship (<http://catalog.jwu.edu/programsofstudy/management/food-service-entrepreneurship-bs>)

Please note the following campus considerations when choosing a Four Year Option:

- Baking & Pastry Arts bachelor's degree program is only offered in Providence for day students.
- Baking & Pastry Arts and Food Service Management is not available in Denver CE.
- Business Studies is not available in Denver CE.
- Food Service Entrepreneurship is only offered in Charlotte and Providence for day students.

Culinary Arts - AS

The associate degree program in Culinary Arts provides students with practical education in food production, while developing professionalism and excellence in academic achievement. Students progress through a program of study that builds proficiency in food production and cooking, cost control, nutrition, food safety and sanitation. Hands-on training is paired with traditional academic courses resulting in a curriculum that is both dynamic and directly aligned with industry needs.

Upon completion of the program, graduates are expected to:

- Execute professional cooking techniques and skills needed to produce, present and serve quality food and beverages utilizing ingredients and flavor profiles of the major world cuisines
- Apply sound nutritional practices related to healthful cooking by incorporating traditional ingredients and adapting classical and contemporary techniques to yield products that meet universal recognized federal and private dietary recommendations
- Apply FDA recommended food safety and sanitation principles to food and beverage products, tools and equipment used throughout the flow of the food and beverage operation
- Implement cost control measures to track goods, services and costs through the cycle of cost control and to evaluate revenue and expenses and their effect on profitability
- Communicate professionally and exhibit appropriate decision making skills with respect for individual and team diversity as it applies to the food and service industry

The focus of the first-year culinary lab classes is the development and practice of cooking skills, baking, dining and beverage service skills, which includes national certification in alcohol intervention procedures. Second-year laboratories include advanced techniques in classical and international cuisines, garde manger, patisserie/dessert and dining room.

The culinary lab experience is complemented by a sound general education core and professional studies which include menu planning and cost control, nutrition and a food safety course that, upon successful completion, results in a Food Safety Manager certification recognized by the Conference for Food Protection.

Culinary Internship

Associate degree students will participate in one term of experiential education which allows students to participate in food service operations in preparation for future careers. Possible sites include university-owned or -operated practicum educational facilities, hotels, restaurants, country clubs, resorts, casinos, spas and contract food service providers. Eligibility requirements for certain sites include a 2.75 cumulative GPA and completion of all prerequisite coursework. International internship opportunities at host company sites throughout the world may also be available for students who have met specific college eligibility requirements, have a minimum of one year work experience in a full-service restaurant, hotel or resort, and who maintain a 3.25 cumulative grade point average.

Additionally each year, a select group of second-year students is chosen to participate in a student **Culinary International Exchange** program with culinary arts schools in Ireland and the Azores. For one term, JWU students attend classes in either of these countries, as students from these schools attend culinary classes at Johnson & Wales University. Selected students receive full academic credit for an internship term abroad.

Graduates of the associate degree program in Culinary Arts are eligible, or may apply, for entrance into the following Bachelor of Science degree programs: Baking & Pastry Arts, Culinary Arts and Food Service Management, Culinary Nutrition, Food Service Entrepreneurship or Business Studies. Certain requirements pertain to each of these bachelor degree programs, which are noted in their respective program descriptions.

Graduates of the program have the opportunity to gain employment in the food service industry, which would include a variety of positions in full-service restaurants, hotels, clubs and resorts catering operations, quantity food production facilities, health spas and cruise lines.

Teaching Assistant and Fellow Scholarship Program

Each year, administrators at the College of Culinary Arts, in conjunction with the administration of university-owned or -operated practicum educational facilities, select teaching assistant candidates from among the top students

of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as teaching assistants must be enrolled in a day school program. Qualified teaching assistants may advance to fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

Culinary Nutrition - BS

The Culinary Nutrition bachelor's degree program is the only program of its kind in the country that integrates the theoretical foundations of nutrition and food science with practical culinary applications. In answer to industry and consumer demands for healthy menu choices and products, graduates of the program combine their nutrition and scientific knowledge and principles to their advanced culinary skills.

Upon completion of the program, graduates are expected to:

- Integrate scientific information and research into scientific and evidenced based practice.
- Demonstrate the beliefs, values, attitudes and behaviors for a professional level of practice.
- Perform customer services including the development and delivery of information, products and services to individuals, groups and populations.
- Apply the strategic principles of management and systems in the provision of services to individuals and organizations.
- Demonstrate working knowledge of supporting areas of food and food systems, physical and biological science, and behavioral and social sciences.

The Culinary Nutrition program is a four-year degree program that begins with a focus on the craft of culinary arts in the first year of study* and once a student is accepted** into the Culinary Nutrition Program, the second, third and fourth years continue to develop culinary skills and focus on the theory of nutrition and culinary science. The third and fourth years specifically include areas of study that address foundational and advanced nutrition and general sciences, food science, leadership and applied culinary nutrition theory which prepares students for a career in restaurants, clinical dietetics or product research and development.

The Culinary Nutrition program has two tracks of study: Clinical/Dietetics and Culinary Food Science/Product Research and Development.

Clinical/Dietetics is a challenging profession that applies the science of food and nutrition to the health and well-being of individuals and groups. Clinical/Dietetics students develop nutrition care plans and learn nutritional diagnostic skills, as well as refine sensory evaluation techniques. The satisfactory completion of the Clinical/Dietetics track allows students to be eligible to apply for a postgraduate dietetic internship which is a requirement for the National Dietetic Registration Exam to become a Registered Dietitian Nutritionist (RD/RDN).

Students who choose the Culinary Food Science Track are prepared to work in the nation's leading test kitchens in areas such as product development, recipe development and quality assurance. Culinary Science students are involved in developing potential market products, taking them from product concept through prototype development. Strong communication and presentation skills are necessary to succeed in this fast paced environment.

Qualified students within both program tracks have the opportunity to replace their advanced culinary nutrition internship with a summer abroad experience.

The Culinary Nutrition Program is accredited by:

The Accreditation Council for Education in Nutrition (ACEND)
of the Academy of Nutrition and Dietetics
120 South Riverside Plaza, Suite 2000
Chicago, IL 60606-6995,
312-899-0040, ext. 5400.

ACEND provides standards of education meeting required dietetics coursework leading to a bachelor's degree. Such a program is called a Didactic Program in Dietetics (DPD). The Culinary Nutrition degree program meets those standards.

* The first year of study is equivalent to the first year of study in the associate degree in Culinary Arts.

**Upon the completion of the first year of study, all students interested in entering the Culinary Nutrition program must complete and submit an application to the program director before starting Culinary Nutrition specific classes. While application typically takes place during the first year of study, students may apply at any point during their career at Johnson & Wales University. Selection is based on previous academic performance, industry experience and professional recommendations. Students must have

a minimum GPA of 3.0 and a B or better in both SCI1015 Introduction to Life Science and NUTR2001 Introduction to Nutrition.

Teaching Assistant and Fellow Scholarship Program

Each year, administrators at the College of Culinary Arts, in conjunction with the administration of university-owned or -operated practicum educational facilities, select teaching assistant candidates from among the top students of the graduating class in the Culinary Arts and Baking & Pastry Arts associate degree programs. Students who are continuing their education at the university as teaching assistants must be enrolled in a day school program.

Qualified teaching assistants may advance to fellow during their senior year. These opportunities allow students to help defray the costs of advanced study while developing their supervisory/management skills.

Beverage Industry Operations and Retail Management - BS

The Beverage Industry Operations and Retail Management bachelor's degree program prepares students for careers in a variety of areas within the beverage industry. The program is designed to provide a solid business management foundation with course work specific to the beverage industry. Both alcoholic and non-alcoholic beverages are addressed. Graduates may pursue a wide variety of career paths in beverage marketing, sales, manufacturing, distribution and retail operations such as restaurants, brew pub, wineries and distilleries.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the beverage management industry.
- Communicate effectively to diverse audiences and situations through a variety of professional methods within the beverage management industry.
- Use decision-support tools to resolve contemporary business issues.
- Articulate ethical and legal concepts as they relate to the beverage industry.
- Employ various beverage business models to develop vision and strategy for sustainable competitive advantage and viable industry operations.

The program prepares graduates for employment in operational management or professional staff positions within the beverage industry and positions them to move to higher level management positions. Career tracks related to this degree program are varied and customized by student use of elective course offerings. Career fields for this degree include retail beverage sales, night club and bar operations, beverage marketing and sponsorship, restaurant operations, beverage manufacturing and distribution.

Beverage Industry Operations and Retail Management students complete a required internship experience.

Students, in consultation with a faculty advisor, determine the best use of electives to customize their degree program. Faculty-suggested areas of specialization are in product knowledge (wines, spirits, beers, coffee, teas, waters, carbonated beverages, etc.), marketing, management, retail, entrepreneurship and restaurant operations. Students may also select course work from other degree areas in entertainment, event management, project management, criminal justice and resort management. Opportunities also exist for students to study and tour abroad.

Business Administration - BS

The Business Administration bachelor's degree program provides a balanced combination of required core courses to ensure students can achieve a solid business and general studies education, and electives to inspire students to customize their program to best fit their unique interests.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of business administration.
- Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods within business administration.
- Use decision-support tools to resolve contemporary business issues using ethical business practices.
- Solve business problems by generating alternatives and justifying decisions using qualitative and quantitative methods.
- Propose and defend business positions integrating the effects of current global forces on the business environment.

This program's business-related core builds a solid foundation by exposing students to relevant areas of accounting, economics, information technology, business law, finance, marketing and management. Arts and sciences courses also provide opportunities for students to acquire the skills important for professional success and lifelong personal and intellectual growth.

Students also tailor their degree by working with a faculty advisor to select 45 credits of electives. In doing so, students have the freedom to choose from extensive options to best suit their goals. For example, students can pursue internships, directed work experiences, and/or study abroad credits to prepare for a more specific career.

Business Studies - BS

The Business Studies bachelor’s degree program offers a general business education to individuals already holding an associates degree or equivalent in any field. Earning the bachelor’s degree will generally require two additional years of study.

The program’s coursework builds a basic foundation by exposing students to relevant areas of accounting, business law, economics, information technology, marketing and management. Students also tailor their degree by selecting a focus area that best suits their unique goals. Potential focus areas may include operations management, human resources, international business, marketing and entrepreneurship. Students also take courses through the College of Arts & Sciences to help ensure they acquire skills important for professional success and lifelong personal and intellectual growth.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of business administration.
- Communicate effectively to diverse audiences, purposes and situations through a variety of professional methods within business administration.
- Use decision-support tools to resolve contemporary business issues using ethical business practices.
- Present alternative solutions to business problems.
- Identify and analyze the effects of global forces within the business environment.

Upon graduation, students may navigate into one of many industries. In addition to gaining the general business competencies and skills desired by employers, students may use their Business Studies focus area and/or associate degree education and training to position themselves for unique careers of interest.

Sports/Entertainment/Event Management - BS

The Sports/Entertainment/Event Management bachelor's degree program prepares students to enter the multi-billion dollar sports, entertainment and event management industry with the skills and knowledge to excel in their career. A managerial foundation coupled with a solid core of industry-relevant courses provides students with a theoretical background. Coursework is coupled with professional preparation, active learning classrooms and access to industry professionals.

During the first year of this four-year program, students begin taking foundational courses in sports, entertainment and event management. As they progress into more advanced coursework in areas such as media literacy, ticketing methods, venue management, negotiations and agreements, and ancillary services, they also have the option to begin tailoring their degree to best meet their future goals. Opportunities exist to enroll in specialized classes such as professional sports management, weddings and ceremonies, golf operations management, sports and entertainment marketing, tournament management, or concert and event production.

Students also have the option to participate in one or two term-long, off-site internships under the direction of an industry professional. This experience allows students to actively participate in the real-world setting of sales and marketing, venue management, event production, and golf course operations.

Upon completion of the program, graduates are expected to:

- Apply the major concepts, skills and values of the SEE industry by integrating the concepts of marketing, finance, operations and ancillary services in the management of a range of events.
- Communicate effectively to diverse audiences, purposes and situations in a variety of contexts within the SEE industry.
- Use decision-support tools to solve problems and facilitate organizational processes by applying critical thinking and ethical problem solving to management decisions within the SEE industry.
- Apply the principles of management to current issues in the SEE industry.
- Demonstrate leadership skills and adapt them to a diverse global market in the SEE industry.

Graduates of the Sports/Entertainment/Event Management degree program are prepared for a variety of careers with amateur and professional sports teams, entertainment venues, conferences and trade shows, event planners, and production companies. Options exist both nationally and internationally for graduates of this program.

3 Quarter Credit Hours

CUL1095 Cooking in the Global Marketplace

Basic nutrition and healthy eating concepts are investigated as students explore traditional ethnic ingredients from cuisines around the world to produce meat-minimalistic menus and recipes highlighting vegetables, legumes and grains. Sourcing food locally, seasonal menus, and sustainability in the foodservice industry are discussed.

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL1115 The Science of Cooking and Sensory Analysis

Guided by the scientific method, students discover the basic functions of ingredients and cooking methods by conducting experiments to compare and contrast how food products change through various cooking techniques.

Emphasis is on the sensory evaluation of food, the development and use of sensory terminology, and real-world restaurant applications of recipe modification and problem solving.

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL1135 Purchasing, Product Identification & Protein Fabrication

Students study the flow of goods and food safety concepts within the purchasing, receiving, storing and distribution functions. Comprehensive purchasing is discussed. Through demonstrations and experience-based production, students engage in identifying, handling and fabricating proteins, dry-goods and staples. Students review and discuss quality standards, yields, costing, packaging and labeling.

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL1325 Essentials of Dining Service

Learn and practice the skills of front-of-the house (FOH) operations and professional dining and beverage service techniques reflecting contemporary practices. Etiquette, quality service and guest relations, effective communication skills, critical thinking, check handling and point of sale systems are emphasized.

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL1345 Foundations of Baking & Pastry

Production includes basic breads and rolls, laminated dough, muffins, quick breads, cookies and pies. Proper use of the baker's scale, liquid measurement and equipment identification are a primary focus for this course.

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL1365 Exploring Beverages

Students will be introduced to the production methods and service of non-alcoholic beverages, beer, wine, and spirits. Students will be able to identify beverages using sensory evaluation techniques, and will be exposed to beverage costing, and profitability. Students will also take the ServSafe® Alcohol certification course and exam.

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL2215 The Craft of Garde Manger

Learn and develop the craft of garde manger utilizing both traditional and contemporary techniques in cooking, preservation, forcemeat production and charcuterie, while applying the concept of "total utilization". Using marketable displays, the preparation and presentation of hot and cold hors d'oeuvres, fresh cheeses and cold sauces is practiced.

Prerequisite(s): Completion of all freshman labs (or concurrent with dean approval).

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL2235 Contemporary Service and Restaurant Supervision

Students will expand their understanding of guest satisfaction through various applications of restaurant service. They are also introduced to basic supervisory concepts including: front of the house expenses, operational procedures and financial responsibilities. Students will evaluate food and beverage profitability. Students will further their understanding and application of food and beverage pairing.

Prerequisite(s): Completion of all freshman labs (or concurrent with dean approval).

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL2245 International Cuisine and Culinary Cultures

Explore the most influential cultures and flavor profiles from around the globe. Learn to identify the distinctly different and common ingredients that identify each major cuisine, while practicing traditional and modern techniques to produce contemporary restaurant quality menu items.

Prerequisite(s): Completion of all freshman labs (or concurrent with dean approval).

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL2255 Advanced Pastry

Emphasis is placed on the production of creams, ice creams, sorbets, mousse, chocolate, strudel, filo (phyllo), sauces and plated desserts. Daily presentation of individual desserts and creative plate presentation are featured.

Prerequisite(s): Completion of all freshman labs (or concurrent with dean approval).

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL2265 Classical Cuisines of France and Italy

Students explore the classical cuisines of France and Italy. Students learn to identify the shared and defining ingredients and flavor profiles of the cuisines while practicing traditional and modern techniques to produce contemporary restaurant quality à la minute plates.

Prerequisite(s): Completion of all freshman labs (or concurrent with dean approval).

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

3 Quarter Credit Hours

CUL2386 Culinary Arts International Exchange

The Ireland International Exchange program combines practical and educational learning experience. Emphasis is placed on providing students with hands-on learning in preparing and serving food and beverages. The practical training takes place in some of Ireland's most prestigious hotels. Other learning takes place in regional education centers. The Azores Exchange program takes place at Escola De Formacao Turistica E. Hoteleira. The academic curriculum develops a student's practical and cognitive skills through the planning and preparation of entire meals. Cultural culinary experiences enhance the program through various field trips, seminars and demonstrations.

Prerequisite(s): Completion of all freshman-level course work.

Offered at Charlotte, Denver, North Miami, Providence

13.5 Quarter Credit Hours

CUL2626 Culinary Arts Internship

This intermediate level work-experience course is designed to provide students with a hands-on learning experience in the food service industry. Students apply theoretical knowledge of culinary arts, demonstrate practical skills of production, and practice professionalism in a university-approved industry setting. Upon completion of this term-long course, students gain a broader understanding of the demands and expectations of the food service industry while improving their skills in the craft of culinary arts.

Prerequisite(s): Completion of all freshman-level courses; site selection is dependent upon GPA. A minimum GPA of 2.75 may be required for certain site selections.

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

6.75-13.5 Quarter Credit Hours

CUL3020 Foundations of Wine

This course introduces the student to a systematic sensory approach to wines and develops the student's ability to describe them in a marketable way. The course teaches a fundamental understanding of the relationship between location, climate, terrain, soils, viticulture and vinification and grape varieties and the differentiation between quality levels of wine. Wine tastings incorporate structured analysis leading students to identify regional and varietal organoleptic differences in wines. Tastings incorporate discussions on the pairing of food and wine. Representative wines are tasted.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

CUL3055 American Cuisine Today

Students engage in research and discussion of American regional cuisines. Class activities include discussions of indigenous and emigrant cultures, geographical implications, ingredients, religion, and cooking techniques and their influence on cooking and dining as they occurred during the development of America.

Prerequisite(s): A.S. degree in Culinary Arts.

Offered at Denver, North Miami, Providence

3 Quarter Credit Hours

CUL3075 À La Carte Cuisine: Europe

Students are guided through planning and producing menu items in an à la carte setting. Emphasis is placed on traditional and contemporary European dishes. Sales forecasting, speed and accuracy of production, plate presentation, communication and efficient service are key elements of study.

Prerequisite(s): A.S. degree in Culinary Arts.

Offered at Denver, North Miami, Providence

3 Quarter Credit Hours

CUL3092 Brewing Arts

This course helps students develop an understanding of traditional and modern styles of beer and brewed alcoholic beverages by examining production methods and ingredients, and through sensory analysis. Students explore historical context, as well as modern industry structures and trends. Student teams learn how to brew an all-grain beer recipe and to identify common beer faults and their causes. Upon completion of this course, students are prepared to sit for the Certified Beer Server exam from the Cicerone Certification program.

Prerequisite(s): Junior status.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

CUL3093 Coffee, Tea and Non-alcoholic Beverage Specialist

The role of non-alcoholic beverages in profitable beverage programs is a focus of this course. It combines advanced knowledge and application of coffee, tea, water, ready-to-drink and other non-alcoholic beverages with structured systematic tastings, analysis, production and service. Students analyze the application of these non-alcoholic beverage to the on-premise market.

Offered at Charlotte, Denver, North Miami, Providence

4.5 Quarter Credit Hours

CUL3123 Italian Culture & Cuisine

This term-abroad course offers an integrated curriculum incorporating theoretical and practical instructions on the art of Italian cuisine, food and wines. The course concentrates on the cuisine and culture of the many regions of Italy.

Prerequisite(s): 2.75 cumulative GPA, permission of dean or department chair, A.S. degree in Baking Pastry Arts or Culinary Arts.

Offered at Charlotte, Denver, North Miami, Providence

13.5 Quarter Credit Hours

CUL3155 Vegetarian Cuisine

Daily production focuses on the types and the preparation of nutritionally balanced vegetarian diets. Students explore the importance of understanding why people choose vegetarian diets, including cultural and global perspectives, economics and health. Daily production focuses on the preparation of vegetarian dishes and meals that fit into three classifications: vegan, lacto, and lacto-ovo vegetarian diets.

Prerequisite(s): Junior status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

CUL3165 Light and Healthy Desserts

This course uses guidelines for healthier desserts as a framework for daily production. Students produce original desserts that are healthier than traditional desserts and modify formulas to create desserts that are gluten-free, reduced fat, reduced sugar and vegan. Advanced pastry techniques are introduced as a means of producing desserts in line with current industry trends. Students create and execute a multi-course dessert tasting menu that aligns with the guidelines for healthier desserts.

Prerequisite(s): NUTR2001, junior status.

Offered at Charlotte, Denver, North Miami, Providence

3 Quarter Credit Hours

CUL3175 Designing Healthy Desserts

This course presents methods to develop desserts by either creating new desserts that are healthy or by substituting ingredients in traditional desserts to make them conform to specific dietary restrictions. The daily production focuses on modifying ingredients in desserts while retaining quality, quantity, variety and visual appeal. Students are encouraged to utilize their knowledge of sound nutrition principles to develop original creations. The production covers all aspects of the pastry shop from basic baked items to more elaborate dessert presentations.

Prerequisite(s): NUTR2001, junior status.

Offered at Denver, Providence

3 Quarter Credit Hours

Prerequisite(s): A.S. degree in Culinary Arts.

Offered at Denver, North Miami, Providence

3 Quarter Credit Hours

CUL4080 Beer Sommelier

This course explores modern beer sales and service methods through case studies and real-world application of beer service principles. Students employ critical thinking to troubleshoot and critique issues concerning production, storage, service and sales. Students evaluate the management of retail beer operations through analysis of facilities and menu design, beer and food pairing strategies, accurate sales descriptions, and responsible alcohol service. Upon successful completion of this course, students may be prepared to sit for the Certified Cicerone examination.

Prerequisite(s): CUL3092, junior status.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

CUL4085 Dining Room Supervision

This course is designed to instruct students in the art of dining room supervision in both à la carte and banquet environments. The principles of staffing, station management, reservation management, cash control and payment processing are studied. Students perform all functions in a dining room setting.

Prerequisite(s): A.S. degree in Culinary Arts.

Offered at Denver, North Miami, Providence

3 Quarter Credit Hours

CUL4111 Product Design and Development

This upper-level course builds on and applies knowledge and skills introduced in several previous courses, including Principles of Food Product Development, Food Science, and Nutrition and Sensory Analysis. Students strengthen their laboratory skills as they work in teams, designing and developing a food product from concept through product optimization. Student teams complete difference sensory tests, accelerated shelf life tests, competitive analyses, and performance tests on their products. They design labels for product packages, following current food regulations and using ESHA Genesis software. Additionally, they use Microsoft Excel software to create formulas and generate costing information. The teams present their concepts, optimized products and project reports to the university community at the end of the term. This class is conducted in a non-production kitchen that simulates the environment of a product development laboratory. It includes lecture, lab, group work and the use of the Internet to research topics relevant to students' group projects.

Prerequisite(s): FSM3025, NUTR3510.

Offered at Charlotte, Denver, Providence

4.5 Quarter Credit Hours

CUL4155 Athletic Performance Cuisine

This laboratory course emphasizes the importance of how food can enhance athletic performance. This course focuses on creating menus specifically geared for the training tables of various sports. Students utilize and apply their knowledge of nutrition, biochemistry, anatomy and physiology to develop individual assessments and menus for specific disciplines.

Prerequisite(s): NUTR3030, SCI3040, senior status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

CUL4175 Spa Cuisine

Advanced techniques of nutritionally sound food preparation and menu development, as reflected in current research, are discussed. Students explore the unique flavor systems of the world as they impact ethnic cuisine. Emphasis is on redesigning recipes which maintain the integrity of unique cultural flavors while adapting current nutritional research to health and well-being. Applications focus on recipe and menu development as it applies to current spa cuisine models.

Prerequisite(s): CUL3155, CUL3175, senior status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

CUL4185 Sommelier Capstone

This course provides a comprehensive overview of wine knowledge, sales and service techniques giving students the ability to select appropriate beverages emphasizing wines for on-premise programs. Students focus on food and beverage pairings, the development of beverage lists, and the training techniques for successful sales. Relevant selection and purchasing of beverages, inventory controls, storage and distribution management is emphasized. Liquor liability and responsible service is emphasized throughout.

Prerequisite(s): CUL4020 or CUL4030.

Offered at Denver, Providence

4.5 Quarter Credit Hours

CUL4198 Advanced Culinary Nutrition Internship

This capstone course provides the student with experiential learning in diverse domestic and international industry work settings. Students apply their theoretical and practical nutrition knowledge under the supervision of qualified industry professional.

Prerequisite(s): NUTR4030 (for clinical internship) or CUL4175 (for spa cuisine) or CUL4155 (for sports nutrition) or CUL4111 (for research development), 3.25 cumulative GPA for international placement, senior status.

Offered at Denver, Providence

13.5 Quarter Credit Hours

CUL4960 Sommelier Training - Germany

This academically challenging program gives students the opportunity to study wines from around the world at an internationally recognized wine school based in Koblenz, Germany. Participants have three weeks of lectures and classroom presentations by experts in the field. Evening excursions to neighboring wineries on the Mosel and Rhine rivers are included. Classes are augmented with one week of traveling throughout the neighboring wine-producing regions of Europe, including Switzerland and France. There is a comprehensive exam at the completion of the course and a wine certificate is awarded.

Prerequisite(s): Approval of the dean, 2.75 cumulative GPA, A.S. degree in Culinary Arts.

Offered at Charlotte, Denver, North Miami, Providence

13.5 Quarter Credit Hours

CUL4966 Pan Asian Cuisine

This course offers an integrated curriculum incorporating theoretical and practical instructions on the art of Pan Asian Cooking. The course concentrates on the cuisine and culture of Singapore, China, India, Malaysia, Indonesia, Thailand and Indochina.

Prerequisite(s): Approval of the dean, 2.75 cumulative GPA, A.S. degree in Culinary Arts.

Offered at Charlotte, Denver, North Miami, Providence

13.5 Quarter Credit Hours

Culinary Nutrition (NUTR) Courses

NUTR2001 Introduction to Nutrition

This course emphasizes the principles of nutrition and the six basic nutrients and related health concepts. Various eating behaviors, recommended dietary intakes, and tools for diet planning are explored. Students create an in-depth computerized personalized nutrient profile, which will be self-analyzed for nutritional adequacy. (HY)

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

NUTR3030 Nutrition Assessment

The junior-level course is designed to study the cultural, economic and physiological impact of food on the individual. Focus is on the measurement of techniques to evaluate nutritional status. Interrelationships between nutrition-related diseases and current diet recommendations are explored.

Prerequisite(s): NUTR2001, junior status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

NUTR3050 Life Span Nutrition

This course is designed to study the significance of nutrition at specific times of growth, development, and aging. The focus is on understanding the role food plays from pregnancy to the elderly population. The relationship between nutrition and health are traced throughout the human life span. Students apply course content to situations relevant to both community and clinical settings.

Prerequisite(s): NUTR2001, junior status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

NUTR3510 Principles of Food Product Development

This upper-level course introduces the student to the basic principles, practices, and processes in product development labs, test kitchens, and culinary centers in the food industry. It focuses on the product development process from concept through commercialization and provides student groups the opportunity to explore the many aspects of the product development process as they research the needs of one particular target market and the technologies of one particular product category. This course includes lecture, student presentations, group work, guest lecturers, and use of the Internet to research relevant topics and technologies.

Prerequisite(s): Junior status.

Offered at Charlotte, Denver, Providence

4.5 Quarter Credit Hours

NUTR4030 Medical Nutrition Therapy

The course familiarizes the student with the principles of Medical Nutrition Therapy. The critical role of food and nutrients and their effects on various disease states is discussed. Students explore a variety of issues that may impact the management of existing diseases.

Prerequisite(s): NUTR3030, NUTR3050, SCI2031, senior status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

NUTR4630 Advanced Medical Nutrition Therapy

This senior-level course provides the student with advanced Medical Nutrition Therapy (MNT) theoretical knowledge and clinical nutrition skills required for postgraduate programs and advanced degrees in Nutrition. Students utilize critical thinking skills in solving complex medical cases that require nutrition intervention. Students research and apply a variety of evidence-based clinical nutrition practices. Emphasis is on the critical role of utilizing the standardized Nutrition Care Process in all aspects of Medical Nutrition Therapy.

Prerequisite(s): NUTR3030, NUTR4030.

Offered at Denver, Providence

4.5 Quarter Credit Hours

Digital Media (DME) Courses

DME1000 Foundation Drawing and Digital Tools

As a prerequisite to all design thinking, drawing skills offer an effective means of prototyping visual solutions before committing them to software. Students practice the essential visual elements of design including shape, line, value and perspective. Based on graphics industry models, students actively experience compositional and thematic principles as a means of developing flexible approaches to design strategy. Students create initial sketches on paper then learn techniques to digitize files into common software applications. (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence

4.5 Quarter Credit Hours

DME1020 Design Perspectives

This course provides students with an overview of design industries, historical art movements and styles, current design trends, and industry professionals, as well as critical brainstorming and thinking techniques. Students participate in a number of project-oriented experiences to explore, learn and develop basic skills and practices to be successful in the program and industry. Through experience-based projects in a collaborative learning space, students are exposed to all critical components of success in a university-level design program. Work includes art analysis, public speaking experience, creative research, problem solving and team building exercises. Students are coached and encouraged to provide solutions for design problems ranging from 2D to 3D. This course prepares students for success in the challenging Graphic Design & Digital Media curriculum, university academics and industry career paths.

Offered at Denver, North Miami, Providence

4.5 Quarter Credit Hours

DME1030 Principles of Composition & Design

This is a foundation course wherein students investigate the fundamental creative design principles and theories that underlie creative industry work, focusing on various forms of print. This course is project-based with assignments introducing branding, Web layouts, packaging templates, integration of programs and hand-done elements. Students are introduced to image editing software as it pertains to editing, with illustration software being the main focus. This course provides a foundation to any higher-level course in the degree program.

Prerequisite(s): DME1020, MCST1030 or any FIT course.

Offered at Denver, Providence

4.5 Quarter Credit Hours

DME1040 Screen Design & Coding I

This course aids students in using client side coding languages (i.e., HTML, CSS) to develop design solutions for multiple digital formats including Web browsers, tablets and mobile devices. Student combine research, contemporary visual approaches, compositional design principles, grid-based frameworks and responsive coding practices to develop screen-based solutions for various digital formats. Emphasis is on understanding and applying current practice in planning and design, as well as securing a solid vocabulary in the code required to present these solutions as planned.

Prerequisite(s): DME1050.

Offered at Denver, Providence

4.5 Quarter Credit Hours

DME1050 Imaging for Digital Media

This course presents an in-depth investigation into the acquisition, creation, manipulation and distribution of raster-based images. Students learn techniques in digital photography and scanning and best practices in preparing images for distribution in print and digital media formats.

Emphasis is placed on creative projects investigating photomontage/layering techniques and the development of essential frameworks for designing prototypes for websites, mobile applications and motion graphics.

Prerequisite(s): ADVC2001 or DME1000 or MCST1030.

Offered at Denver, North Miami, Providence

4.5 Quarter Credit Hours

DME1060 Screen Design & Coding II

In this course, students advance their knowledge of client side coding languages (i.e., HTML, CSS and Javascript) to develop design solutions for multiple digital formats including Web browsers, tablets and smart phones. Students continue to apply solid compositional approaches while incorporating design approaches specific to the medium. Focus is on user experience, usability, responsive coding practices and front-end frameworks. Emphasis is on understanding and applying current practice in planning and design, as well as securing an advanced vocabulary in the code required to present these solutions as planned. Students also learn to deploy and manage their sites on a working server.

Prerequisite(s): DME1040.

Offered at Denver, Providence

4.5 Quarter Credit Hours

DME2000 Typography and Spatial Design

This course presents an in-depth study of typography and its powerful communicative abilities. Type and text collateral are a critical platform for all forms of published communication. Type style, shape and size communicate subtle messages and convey important information. Nearly all design solutions benefit from a thoughtful and creative use of type and layout, whether on a printed page or in digital space. The relationship of typographic design to print and digital publishing is explored through project-based work.

Prerequisite(s): DME1030 or DME1050, sophomore status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

DME2020 Motion Graphics I

This course introduces the fundamentals of contemporary digital motion graphics. Students cover both animation and video techniques. Digital motion concepts and creation techniques are also covered. The course uses a range of software and hardware tools. Students experiment with motion image origination through basic animation and camera applications. Various editing tools are introduced.

Prerequisite(s): DME1030 or DME1050 or (MCST1030 or COMM1030), sophomore status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

DME2030 Print Design

This course reviews print formats and typography with an emphasis on publication design, package design and branding/re-branding consistency across different mediums. Students gain further understanding of brand strategy and designing for target audiences. By the end of the course, students should be able to write a brand strategy, apply advanced typographic conventions, develop and design packaging templates, prototype print collateral with a high level of craft, and perform essential prepress production techniques.

Prerequisite(s): DME2000, sophomore status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

DME2050 Interactive Architecture and Content Design

This course introduces a series of techniques to conceive and plan projects in new media environments, especially those that require interactive interface. Students explore and design solutions for interactive applications, simulations, virtual immersive space and other new media uses. User interface, user experience and content strategy are introduced.

Prerequisite(s): DME1060, sophomore status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

DME3050 Basics of Print Design

This course introduces the student to the fundamental principles of print design. Using current industry standard software, students learn the essential design concepts and work flow practice used in print design. In-class demonstrations and lectures involve the introduction of design theory and practical applications of print design peripherals. Students are required to produce various types of documents using course software. Assignments are completed in class, and projects are required outside of classwork.

Offered at Charlotte, Denver, North Miami, Providence

4.5 Quarter Credit Hours

DME3300 Digital Video I

Students in this course learn advanced digital production techniques and tools for full motion, sound and video editing. Students explore current and emerging media standards and applications. Topics include converging digital media, content creation and use of new media communication tools for internet enabled application. Students work independently and on project teams.

Prerequisite(s): DME2020, sophomore status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

DME3310 Digital Video II

This advanced course explores different genres and narrative codes, including documentaries, TV ads and post-modern narratives, in experiential team assignments. Exercises in set lighting, advanced framing and advanced camera movement enhance already acquired production techniques. Additional sound and audio production as well as more in-depth digital editing and special effects are provided for post-production. Topics include contemporary digital media history and film genres. Financing and project management are reviewed.

Prerequisite(s): DME3300, sophomore status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

Directed Experiential Ed (DEE) Courses

DEE3999 Directed Experiential Education

Directed Experiential Education (DEE) offers students an intensive, term-long, project-based experiential learning opportunity conducted under the supervision of a faculty member. Experiences are driven by a specific industry-based or functional-area-based project completed for a nonprofit or for-profit DEE partner. Through weekly group seminar meetings, extensive field work (independent and/or group-based) and purposeful reflection, students apply acquired discipline-specific skills and knowledge, develop leadership and collaborative abilities, and refine critical thinking, problem-solving and active citizenship skills. The course culminates in a formal presentation to the DEE partner. This course is recognized as an Experiential Education (EE) course, indicating that experiential learning is used as a primary method of achieving the course objectives. Students can take up to three terms of this course at 4.5 credits per term.

Prerequisite(s): Faculty recommendation and approval by the department chair. (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

ECON1002 Microeconomics

This course consists of microeconomic principles and issues. Course content examines and analyzes both the product and resource markets with emphasis on demand, supply and elasticities. In addition, the costs of production and the basic market models of firms' short run and long run operations are discussed. Other topics covered include various current domestic microeconomic problems, as well as international economic issues such as international trade and foreign exchange.

Prerequisite(s): MATH1002, (MGMT1001 or MGHI1000). (HY) (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

ECON3030 Managerial Economics

This course introduces business students to the application of economic principles at the decision-making level in a business organization. This course demonstrates how economic concepts can be applied to decisions involving business strategy and the attainment of organizational objectives.

Prerequisite(s): ECON1002, (MGMT1001 or MGHI1000). (HY)

Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

ECON5000 Economics in the Global Economy

This course consists of micro and macroeconomic issues and principles as they apply to the development of a viable and sustainable economy. Course content includes product and resource markets with an emphasis on demand, supply, price elasticity and consumer behavior. The course includes the features and goals of capitalism, the market system, national income, business cycles, and monetary and fiscal policies as they relate to economic viability and sustainability, with a view at causal effects in the global economy. Integrative Learning (ILS) Courses

ILS2003 The American Dream

This course will address the broad theme and question of "What is the American Dream" and also ask "Have we achieved it?" "Has it changed" and "what is the cost of pursuing it?" We will explore this topic through various themes, including "Manifest Destiny", "The Immigrant Experience", "Civil Rights", "Gender Rights", "The Pursuit of Happiness", "Work and Business", and "Class and Culture." While this course will primarily be a literature course, it will use a multidisciplinary approach to explore this topic from various perspectives, including history, economics, ethics, culture, psychology, and political science.

Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

ILS2010 20th Century Literature: A Multi-Disciplinary Approach

Through the study of the 20th century literary works, fine arts, humanities, and social and political sciences, this multi-disciplinary honors course explores the relationship between modern world literature and its historical, social, and political contexts. Short fiction, poetry, drama, and essay are used as vehicles for exploring major movements, trends, and events of the 20th century. Themes of racial, ethnic, and gender identity, political oppression, and/or war are explored. Emphases vary.

Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status. (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

ILS2015 Honors Seminar: Postcolonial Literature

Colonization of Africa and Asia and ensuing post-colonial reconstruction, two world wars, the spread and fall of communism, human rights movements and immigration profoundly changed the face of the world. This discussion- and-writing-intensive Integrative Learning Honors Seminar focuses on literary responses to and representations of select movements and events of the 20th century (emphasis will vary). By reading texts through the lenses of postcolonial literary theory, history, philosophy, and ethics, students will examine the variety of human responses to the moral questions posed by colonialism, imperialism and the social and political movements that arose in their wake.

Prerequisite(s): ENG1024 or English placement, honors status, sophomore status.

Offered at Charlotte, Denver, North Miami, Providence

4.5 Quarter Credit Hours

ILS2110 The Atomic Age

The emergence of nuclear science - and the catastrophic consequences of its military use on Japan to end the Second World War - marked the beginning of an Atomic Age. How is it that the world's greatest scientific thinkers could produce a technological innovation capable of destruction on a global scale? From August 1945 forward, no longer could one draw simple connections between "science" and "progress." And yet nuclear developments continued to shape every aspect of human existence: from international diplomacy and energy policy to the "nuclear family" and popular culture. Drawing on scientific discourse, world history, international relations theory, Cold War studies, policy analysis, energy and environmental studies, and gender and cultural studies, this course will explore the multiple ways in which we continue to live in an Atomic Age.

Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

ILS2127 The Culture of the Western Environment

Images of the American West define for citizens of the U.S. and for those all over the globe what it means to be an American. Lonely mesas, rugged mountains and open plains mean something. But they are also something beyond that meaning – real ecosystems, geological processes and places long settled by humans before and after 1492. This course serves as an introduction to the interdisciplinary fields of American Studies and Environment Studies, fields that will enable the student to explore the meaning and reality of the American West.

Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.

Offered at Charlotte, Denver

4.5 Quarter Credit Hours

ILS2150 Introduction to American Studies

This course introduces students to the major themes in American culture, both past and emerging. Students are given a sense of the tensions running through the identity and image of Americans here and around the world. As an integrative learning seminar, this course also serves as an introduction to the idea and practice of interdisciplinary scholarship. This course gives students a wide range of tools to make sense of what America is, has been and can be. Topics include traditional disciplines that help illuminate American culture. Focus is on art, music, literature, history and anthropology.

Prerequisite(s): ENG1020 or ENG1024 or placement, sophomore status.

Offered at Charlotte, Denver, Denver CE, North Miami, Providence, Providence CE

ILS2215 Honors Seminar: The Earth in Peril: A Literary and Scientific Analysis

This course examines environmental issues created by conflicting views about the earth's capabilities. Relationships among people, environments and natural resources are analyzed through literature and scientific writings. Students examine why and how world views affect the natural world's destruction and discuss possible theories of preservation. Students contribute to inquiry surrounding the issue of sustainability through research and analysis.

Prerequisite(s): ENG1024 or English placement, honors status, sophomore status.

Offered at Charlotte, Denver, North Miami, Providence

4.5 Quarter Credit Hours

ILS2370 Obesity

This course considers the now global problem of obesity from the biological, psychological and sociological perspectives. Since the 1970s there has been a rapid increase in the incidence of overweight and obesity in the United States with 65% of adults now overweight. Childhood obesity rates have tripled in the last 20 years producing the first generation of Americans who are predicted to have a shorter life span than their parents. The obesity epidemic is widely acknowledged in the United States, but in the past two decades, this problem has also spread to developing countries as they accelerate their nutrition transition to more mass produced and processed foods. The roles of government and business will be explored, in influencing access to foods and in defining obesity vs. health. The study of this now global problem is relevant from a personal health perspective as well as a political and economic perspective. Individuals empowered with knowledge can modify their own food environments and that of their children. A well-educated populace may wish to support initiatives to make progress on this societal problem to avoid economic losses in productivity and health care costs that will compromise America's competitiveness.

Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

ILS2390 The XX Factor

The XX Factor takes an integrative learning approach to gender role development that foregrounds psychology and literature. This approach provides multiple lenses through which to examine current and historical concepts of women's psychological and social development. It prioritizes close textual analysis of gender identity and sexuality as figured in literature across a broad spectrum. The course considers both conformity and resistance to societal biases, stereotyping, and the imposition of gender and sexual norms. In doing so, it promotes critical thinking about the diverse possibilities for women's identities.

Prerequisite(s): ENG1020 or ENG1024 or English placement, sophomore status.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

ILS4170 Passion, Power and Principle: Lessons at Play in Shakespeare

This course employs the still-relevant insights of the Shakespearean canon as a means of understanding and resolving contemporary ethical dilemmas, social tensions and the conflicting demands of citizenship in today's world. Focus is on the resolution of moral dilemmas involving divisions of power, the use of authority, familial obligations and conflicting loyalties. This course takes an integrative learning approach that draws on literature, philosophy (ethics) and history to promote analysis and meaningful comparisons between the problems confronted in the world of Shakespeare's plays (and the society they reflect) and those faced by us today.

Prerequisite(s): ENG1021 or ENG1027, senior status.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

ILS4190 Why People Do Evil

This course takes an interdisciplinary approach to the nature of evil as explored over the centuries from the earliest civilizations to modernity as demonstrated through literature. Emphasis is on Dante's Divine Comedy, Milton's Paradise Lost and Dr. Phillip Zimbardo's The Lucifer Effect. Other poets, authors, psychologists and philosophers will be engaged and studied throughout the course.

Prerequisite(s): ENG1021 or ENG1027, senior status. (OL)

IBUS4090 International Business Experience

This course refers to a series of options available that total 13.5 credits: 1) Students choose from a range of study abroad options including short-term 3 1/2 to four-week summer programs, spring term three-month programs, or four-to-five month independent exchanges. Each program has its own academic focus and prerequisites. Students apply for their program of choice through Study Abroad. After selection into a program, students engage in orientation and academic pre-departure work before embarking on their immersion into foreign cultural and business settings. In some cases, JWU faculty lead the program and travel with the students. In other cases local hosts lead the program, but in all programs students participate in a rigorous study and travel experience. Media & Communication Studies (MCST) Courses

MCST1010 Media, Culture, and Society

This is a survey course that introduces students to the study of media in contemporary culture and society. The course focuses on three main areas: production, content, and reception. Students engage with a variety of concepts from the field of media studies, as well as with political-economic and social-cultural analyses of media.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST1030 History of Media

Media and history are more than scholarly subjects: they are also keywords in the principles and practices of public life. Building on that definition, this class asks students to grapple with the relationship between humanity and technology. While it is certainly possible to piece together historical events through yellowed letters or long-play records (media histories), this course asks students to interpret the meanings of letters or records (histories of media) in broader political-economic and social-cultural contexts. By the end of the course, students will have refined if not redefined their understanding of media to include all major modalities, from cave art to cell phones.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST1050 Writing for Publication

This course focuses on the various sectors and processes of the publishing industry, including, but not limited to, periodicals, book publishing, professional journals and online publishing. Throughout the term, students explore the various sectors of the industry and become adept at researching the market and identifying appropriate venues for a variety of works.

Instruction begins with critical analysis of the market and develops into an in-depth discovery of the industry from the genesis of a piece to representation, acquisition, editing, distribution and marketing. Issues of copyright laws, collaboration and issuance of contract terms are central to the course. By the end of the term, students are challenged to assess their own writing in regards to audience, timeliness and marketability in today's publishing industry.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST1070 Writing for Radio, Television and Film

This course teaches students how to successfully write for radio, television and film by introducing them to the key elements of production for each medium. Students become familiar with a broad range of standard formats, acquire fundamental industry terminology and closely examine a variety of creative techniques for producing professional copy. The course balances theory and practice, providing students with many concrete examples through which to learn the essential components of script writing, from commercials, PSAs and talk shows to documentaries and a host of fictional formats. Students demonstrate their understanding of important concepts and develop their own skills and talents by writing a series of short scripts for each medium. This is a writing-intensive course in which assignments are designed to cultivate the strengths and interests of each student, while always requiring the student-writer to consider the demands of form and content, as well as audience and marketability.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST1090 Writing in Digital Media

This course examines the theory and practice of writing in a digital age. Special emphasis is on ethics and the rhetorical conventions for online communication and the design of information, particularly for professional purposes. Course topics include designing an effective blog, Web style and identity online, social media applications, copyright and authorship issues, and participating in collaborative online environments.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST2010 Media Industries

This course provides an in-depth look at the industrial contexts within which media professionals work. Of primary concern are the ways in which a range of factors (i.e., organizational philosophies, economic structures, regulatory contexts, technological innovations and day-to-day business practices) work to determine the ways in which media organizations operate, as well as how such contexts shape the kinds of media texts these industries produce. Ultimately, the course introduces future media professionals to concepts necessary for understanding and navigating the contemporary media landscape.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST2030 Media Texts

This course surveys key theories and methods for conducting analysis in relation to media texts. As such, this course tackles advanced questions of textual construction, meaning and interpretation. Students closely read various media texts from a variety of theoretical perspectives, such as semiotics, narrative theory and discourse analysis. Through the application of such theories and methods, students develop a conceptual vocabulary with which to articulate the myriad ways in which media texts create meaning, elicit responses, and mobilize feelings and attitudes within audiences. Students also think deeply about the role media texts play in the construction, maintenance and transformation of our social world.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST2050 Media Audiences

This course asks students to think critically about how they (as well as their friends, families and communities) influence and are influenced by mediated messages. Students compare and contrast the behaviors of film, radio, television and internet audiences from the nineteenth, twentieth and twenty-first centuries. By reading and writing about media audiences in historical and contemporary contexts, students come to understand the effects of, as well as their own responses to, mediated messages.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST2100 Children, Youth and Media

This course examines selected works aimed at children and young adults, and focuses on the interpretation and analysis of how media engages and affects young viewers. In addition to viewing selected works, students read what researchers and critics have to say in their analyses.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST2200 Television Studies

This course offers critical perspectives on American television and its complex relationship to contemporary culture and everyday life. Specifically, the course covers several aspects that are crucial to understanding television as a cultural artifact: economic structure, aesthetic practices and technological developments, the consumption habits of audiences, government regulation, and social impact. Along the way, students gain a solid grasp of television's history and speculate about its future.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST2300 American Film

This course explores major developments in the U.S. film industry during its first 100 years. The course is structured chronologically and focuses on moments in film history that are particularly relevant to the medium's development as an aesthetic form, industrial product and cultural practice. While a large portion of the course covers the Hollywood film industry, focus is also on the development of independent film in the U.S., which has always existed alongside the mainstream industry in various and ever-changing states of co-dependence. Students gain a strong appreciation for the wide variety of cinematic movements and styles that make up U.S. cinema, as well as a deep understanding of the way in which economic factors and industrial logic determine the kinds of films that are made. American cinema is also discussed in a global context, considering the ways in which international films and filmmakers have influenced, and been influenced by, the U.S. film industry.

Prerequisite(s): ART2010, ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST3050 Media Identities

This course analyzes the ways in which media texts, from films to television shows, represent contemporary forms of social identity such as gender, race, class and sexual orientation. Specifically, students are encouraged to ponder the role contemporary media plays in constructing popular understandings of social identity, as well as how audiences use media representations to form their own sense of identity. Students engage with contemporary theoretical perspectives on media representation, evaluate current research in the field, and perform their own analyses based on this material.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST3090 Critical Perspectives on New Media

This course examines the rise of digital media technologies and their impact on contemporary culture. Topics include economic issues, such as how the new digital landscape contributes to the consolidation of media ownership; industrial issues, such as how digital technologies cultivate new kinds of relationships between media producers and consumers; social issues, such as how the internet and social media change the way that individuals interact with one another and re-imagine themselves; and political issues, such as digital technology's potential to break down some barriers (i.e., global, national, cultural) while erecting others (i.e., economic barriers related to access and the digital divide). Through critical engagement with these issues, students are encouraged to think deeply and ethically about the media's past, present and future.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST3100 Radio, Records & Popular Music

This course is divided into three interlocking sections: genres, industries and technologies. The genres section explores major forms of popular music, such as jazz, blues, country and rock. The industries section examines how the businesses of radio and music produce culture. The technologies section describes the gramophone, phonograph, radio, jukebox, tape recorder and digital files in their social and technological contexts. Borrowing from multiple fields, such as media studies, sociology, anthropology, history and musicology, the course situates these genres, industries, and technologies alongside several themes, including noise and silence, listening and recording, body and voice, regionalism and urbanism, race and class, and creativity and commerce.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST3200 History of Photography

This course covers important photographic inventions, from the camera obscura and the daguerreotype to the 35mm still camera and the Polaroid. Various formats and prints are studied from social-cultural perspectives, such as banquet camera photographs, cartes de visite, magic lantern slides, news photographs and picture postcards. The documentary quality of photographs is also addressed, with examples that draw from the works of Margaret Bourke-White, Dorothea Lang and Walker Evans, among others.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST3899 Media Internship

This internship course requirement allows students to connect their academic course work with industry experience. While positions vary, students should be engaged in some facet of media work (e.g., researching, editing, writing, producing, designing, building) in virtually any media industry. MCST3899 is a required 4.5 credit course and elective credits may be added, creating a 9.0 or 13.5 credit internship. This course may be repeated twice with one or more companies or organizations, but must not exceed 13.5 quarter credits.

Prerequisite(s): To be eligible for this internship, students must: 1) have a GPA of 2.0, 2) have completed 90 hours of course work, and 3) have successfully completed the course, ENG1021, Advanced Composition and Communication or ENG1027, Honors Advanced Composition and Communications: Civic Discourse.

Offered at Denver, Providence

4.5-13.5 Quarter Credit Hours

MCST4010 Global Media

This course takes a critical look at the practices of media corporations, governments and audiences, mostly through the lenses of nationalism and imperialism. Emphasis is on the idea of globalization and its connection to contexts of reception at local, national and international levels. The course also addresses key themes such as trade, tradition, nation, globalism and localism. Students read political-economic and ethnographic analyses of cultural artifacts and production sites, such as Nike sneakers, Tokyo Disneyland, Al-Jazeera America, Brazilian telenovelas and Nigerian popular music, artifacts and sites that bear the imprints of transnational media corporations and regional audiences.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST4050 Media & Popular Culture

This course surveys the ways in which everyday acts and artifacts communicate messages. Students interpret how fashion, food, fiction and other forms of communication influence and are influenced by social structures and global institutions. Students also consider the ways in which icons and symbols generate meaning for diverse audiences. Course readings address ideology, identity, community, subjectivity and the body, among other topics.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST4100 Media Theory

This course examines the major critical, cultural and social theories of media that have emerged from various schools and sites, such as Birmingham, Chicago, Columbia, Frankfurt, Paris and Toronto. Representative theorists studied include Stuart Hall, Louis Wirth, Paul Lazarsfeld, Walter Benjamin, Paul Virilio and Marshall McLuhan, among others. Students are expected to analyze, synthesize and evaluate multiple approaches to media studies.

Prerequisite(s): ENG1021 or ENG1027, MCST1010.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST4190 Media Research Methods

This course provides essential training on how scholars think by asking students to participate in the process of knowledge creation. Readings focus on interpretive and critical methods, from interviews and participant observations to historical and textual analyses that draw on Marxist, post-structural, psychoanalytic, feminist, queer, postmodern and post-colonial thought. This course is beneficial to students who wish to pursue research positions in the media industries, as well as for those who plan to continue their studies in graduate school.

Prerequisite(s): ENG1021 or ENG1027, MCST1010 or COMM1010, senior status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST4200 Senior Seminar in Media Life

This seminar discusses the idea that life is entirely mediated, from the language that humans use to the air that animals breathe. Topics discussed include media scholar Mark Deuze's theory that we no longer live with media, but in media, defined as environments for thinking, feeling, speaking and acting. The seminar draws on most of the coursework from the Media & Communication Studies major and synthesizes it in the form of one research project on an original topic that crosses disciplinary demarcations. Projects may address insect media and beehives, bio-media and pacemakers, green media and e-waste, structural media and shopping malls, and hypermedia and emotion, among other topics.

Prerequisite(s): ENG1021 or ENG1027, MCST1010 or COMM1010, senior status.

Offered at Denver, Providence

4.5 Quarter Credit Hours

MCST4300 Special Topics in Media Studies

This course focuses on a different area, issue or theme each year, depending on student interest. Possible topics under consideration include dead media, documentary media, Latin media, media philosophy, mediated bodies, mediated cities, mediated memories and mediated war.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Denver, Providence

4.5 Quarter Credit Hours

Philosophy (PHIL) Courses

PHIL3020 Crisis and Controversy: A Critical Thinking Approach

This course encourages students to use critical thinking skills in order to make decisions, solve problems, develop new ideas, evaluate arguments and tolerate ambiguity while exploring complex social questions. Emphasis is on understanding the elements of reasoning, imposing criteria and intellectual standards upon reasoning, and assessing individual thinking processes. Students hone critical thinking skills by actively engaging in the study of social conflicts and controversies that operate at individual, communal and global levels.

Prerequisite(s): ENG1020 or ENG1024 or English placement. (SL)

Offered at Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

PHIL3040 Ethics of Business Leadership

This course examines the basic principles of ethics and their philosophical foundations, particularly as they apply to institutions, environments, leadership and other activities and pursuits of business. It examines those aspects of human behavior that can be labeled right and wrong. Consideration is given to the moral obligations of leaders and followers when discussing actual cases from a variety of business organizations that have presented management and subordinates with difficult moral dilemmas. Emphasis is also on the particular responsibilities of leadership in fostering and implementing ethical awareness within a corporate culture.

Prerequisite(s): ENG1020 or ENG1024 or English placement. (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

PHIL3045 Honors Seminar: Ethics

This Honors Seminar examines central figures in the history of moral philosophy, such as Aristotle, Hobbes, Hume, Mill and Kant. While the primary focus will be on understanding these influential thinkers in their historical contexts and their distinctive approaches to ethics, we will also seek to show the relevance of their views to timeless questions. What is the best way to live? How do we distinguish good from evil? Should we be moral? We will discuss these thinkers' answers to these questions, and apply those answers to contemporary moral discourse, including public policy, environmental issues and business ethics.

Prerequisite(s): ENG1024 or English placement, honors status.

Offered at Charlotte, Denver, North Miami, Providence

4.5 Quarter Credit Hours

Political Science (PSCI) Courses

PSCI1001 Introduction to Political Science

Political Science is the rigorous and disciplined study of government and politics. This is a gateway course designed to reveal to students the ubiquity of political phenomena in their lives. The working of politics, viewed alternatively as the allocation of values, or as the study of who gets what, when, where, why and how, is studied in a variety of incarnations, in small and large groups, and private and public dress. The rational choice perspective is used to formulate and analyze theoretical issues in political analysis.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

PSCI2001 Introduction to World Politics

This course provides a comprehensive introduction to the study of world politics. Analytical tools and philosophical doctrine are first discussed to lay a foundation for understanding the driving forces in international relations. The chronic nature of war and ceaseless search for peace will be discussed next with special emphasis on twentieth century history. Next examined are the theory and practice of economic relations among advanced industrial economies, and the pace of development of the third world or the "South". Special problems posed by multiethnic and multinational diversity within nations will be an important theme of the course. Other possible topics will include different historical and possible future systems of international relations; imperialism; cold war politics; national security theory including deterrence and the success of international political and monetary organizations.

Prerequisite(s): Sophomore status.

Offered at Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

Project Management (PRMG) Courses

PRMG2010 Introduction to Project Management

This course gives students an understanding of project management practices, concepts, and tools using projects in the real world. Students focus on successfully organizing a single project using the knowledge areas associated with the project life cycle. Learning to identify potential projects based on strategic business planning, they produce portions of a basic project plan, scope statement, work breakdown structure, and Gantt charts. Other course topics to be discussed in a broader context include: forming and leading a project team, project manager competencies, project organization, time and resource management, cost management, quality management, human resource management, communications management, and risk management. (OL)
Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE
4.5 Quarter Credit Hours

PRMG3010 Advanced Project Management

This course trains students to initiate, plan, execute, monitor, control, and close a project in the real world. 4.5-13.5 Quarter Credit Hours

PSYC3100 Community Psychology

This course examines the historical and theoretical perspectives of community psychology: the interrelationship between individuals and the various family, friendship, neighborhood, work, and community systems in which they live. Using a scientific approach, key areas of focus include the application of psychological principles to understand and address social issues, engagement in collaborative problem solving, and the promotion of community development.

Prerequisite(s): PSYC1001.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

PSYC3150 Behavior Modification

This course will introduce students to techniques for altering an individual's reactions to stimuli and the extinction of maladaptive behavior. Techniques discussed will include positive and negative reinforcements as well as continuous and intermittent based programs for modification of behaviors. The course will also focus on how maladaptive behaviors affect organizational factors including productivity, culture, and climate.

Prerequisite(s): PSYC1001.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

PSYC3200 Thinking and Learning

This course examines the primary cognitive processes used in everyday life. The mechanisms of perception, attention, and memory are studied, with a focus on how these basic processes impact information processing (i.e., thinking), problem solving, decision-making, judgment, and learning. Students will gain a deeper understanding and appreciation for the complexities of human thought.

Prerequisite(s): PSYC1001.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

PSYC3250 Ergonomics & Human Factors

This course examines how human characteristics and the environment interact in problem solving and achievement of organizational goals and objectives. Using psychological principles in design, students will explore how individual knowledge and skills may be used to assess and categorize human and technological capital and the impact this may have on organizational identity, culture, and productivity. A focus on optimizing organizational performance, including the interaction between motivation, abilities and the work environment, is emphasized.

Prerequisite(s): PSYC1001.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

PSYC3350 Psychology of Motivation, Leadership, & Teamwork

This course examines how to organize and develop teams to achieve organizational goals. It will also provide understanding of the theories for motivation at work and how they affect achievement of organizational goals and objectives. The use and effects of reward and punishment for motivation will be explored as well as how to balance achievement of organizational goals and objectives with individual needs. A focus on understanding theories of leadership, including the impact of situational factors such as group composition and the work environment and the interaction between leadership and motivation from both the individual needs and organizational goals perspectives is emphasized.

Prerequisite(s): PSYC1001.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

PSYC4100 Brain, Environment, & Behavior

This course explores the complex interrelationships between the biological basis of behavior and the environment in which we live. Specific topics covered include structure and function of the brain at the molecular, cellular, and functional levels; environmental influences on biology and corresponding effects on cognition and behavior; the impact of drugs on biology, cognition, and behavior; various neurological and physiological disorders and corresponding cognitive and behavioral consequences; and evolutionary perspectives on human-environment interactions and the malleability of the human condition.

Prerequisite(s): PSYC3200.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

PSYC4150 Psychology of Conflict Resolution

This course explores the definition, causes, and methods used for resolution of conflicts. It will discuss causes for conflicts such as communication, beliefs and values, and lack of trust. It will also discuss the approaches towards resolution of conflicts such as the adversarial as well as the non-adversarial approach. Advantages and limitations will be identified for each method.

Prerequisite(s): PSYC1001.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

PSYC4200 Cross Cultural Psychology

Utilizing and integrating previously learned material in the discipline, this course critically examines specific issues if race, ethnicity, age, gender, sexual orientation, religion, geo-political influences and other cultural factors that impact individuals' thoughts and behaviors and interactions with others in the societies in which they are embedded. A focus on the application of multi- and cross-cultural perspectives in the design and implementation of education outreach, prevention strategies, and behavioral interventions is emphasized.

Prerequisite(s): PSYC3100.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

PSYC4250 Contemporary & Critical Issues in Organizational Psychology

The culminating capstone experience in the major, this course uses a compare and contrast approach between current critical issues in the field and historical perspectives to help master, integrate, and apply psychological principles, concepts, and theories. Through critical analyses, students will debate ethical issues, recognize and explain the influence of diversity and culture in the interpretation of empirical findings, and hone professional written and oral communication skills. The importance of ongoing development and education to promote professional identity as an Organizational Psychologist will be emphasized.

Prerequisite(s): PSYC2020, senior status.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

PSYC4300 Contemporary & Critical Issues In Applied Psychology

The culminating capstone experience in the major, this course uses a compare and contrast approach between current critical issues in the field and historical perspectives to help master, integrate, and apply psychological principles, concepts, and theories. Through critical analyses, students will debate ethical issues, recognize and explain the influence of diversity and culture in the interpretation of empirical findings, and hone professional written and oral communication skills. Religion (REL) Courses

REL3001 Comparative Study of World Religions: An Interdisciplinary Approach

This course introduces the students to the world's great religions; Hinduism, Buddhism, Judaism, Christianity and Islam are emphasized. The focus is interdisciplinary and includes history, cultural traditions and textual analysis of each religion's literature in relation to these religions.

Prerequisite(s): ENG1021 or ENG1027.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

Research (RSCH) Courses

RSCH2050 Research Methods in Applied Settings

This course provides students with the required knowledge to conduct basic research in the social sciences, including evaluation of primary and secondary research and learning to use and interpret statistics in specific applied situations. Using quantitative and qualitative research methods, students learn how to plan, conduct and write a research project, and select and interpret data. Students learn APA documentation, engage in exercises in primary sourcing techniques and receive an overview of the publication process.

Prerequisite(s): MATH2001, PSYC1001 or SOC1001 or SOC2005.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

RSCH3020 Honors Research Seminar

This course prepares honors students to conduct the necessary research to successfully complete the Honors Thesis requirements for graduation from the Honors Program. Students evaluate a variety of research methods, engage in exercises in working with primary and secondary sources, and review appropriate documentation forms. The professor guides students in their choice of feasible research projects and serves as the major advisor during the development of an Honors Thesis Prospectus. Students complete the Honors Thesis in RSCH 4020, the Honors Directed Academic Experience.

Prerequisite(s): ENG1024 or English placement, honors status. (HY)

Offered at Charlotte, Denver, North Miami, Providence

4.5 Quarter Credit Hours

RSCH3100 Experimental Design in the Social and Behavioral Sciences

This course is focused on the various quantitative research methodologies that can be utilized to conduct and interpret scientific research in the social and behavioral sciences. In addition to advanced research design and corresponding statistical techniques (e.g., ANOVA, MANOVA, Structural Equation Modeling, Meta-Analysis), students will explore complex ethical, socio-cultural, and geo-political issues that impact the design, interpretation, and use of scientific results.

Prerequisite(s): MATH2001, RSCH2050.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

RSCH3200 Qualitative Inquiry

This course is focused on the various qualitative research methodologies that can be utilized to conduct and interpret scientific research in the social and behavioral sciences. In addition to advanced research design and corresponding statistical techniques (e.g., ethnography, case study, narratives; instrument design, textual data coding and analysis), students will explore complex ethical, socio-cultural, and geo-political issues that impact the design, interpretation, and use of scientific results.

Prerequisite(s): MATH2001, RSCH2050.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

RSCH3300 Community Action Research

Through identifying real world research questions and corresponding community agents, students will design and propose a community action research project. This course focuses on hypothesis generation, comprehensive literature review and the utilization of both quantitative and qualitative research methodologies to prepare students to execute the proposal in RSCH4400: Integrative Applied Research Seminar.

Communication skills in the discipline are emphasized including oral and written presentations to faculty, class, and community.

Prerequisite(s): RSCH3100, RSCH3200.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

RSCH4020 Honors Directed Academic Experience

The Honors Directed Academic Experience offers Honors students the opportunity to develop and complete a capstone project begun in the Honors Research Seminar (RSCH3020). This project will be completed under the direct supervision of an individual Faculty Mentor appropriate to the specialized field of research or other work undertaken by the student. Though students will submit portions of the project to the Faculty Mentor at regular intervals, it is expected that students will devote a substantial amount of time to research, writing, and other appropriate forms of independent engagement with their chosen subject.

Prerequisite(s): RSCH3020, honors status.

Offered at Charlotte, Denver, North Miami, Providence

4.5 Quarter Credit Hours

RSCH4050 Research Seminar in Counseling Psychology

This capstone course is designed to complete the major program of study by integrating the student's prior academic experiences in Counseling Psychology. A seminar format is used to encourage student participation and interaction with peers and with faculty. Each participant chooses a topic within their area of specialization. The topic is explored through individual research, periodic presentations and discussion. Discussion focuses on both substantive and methodological concerns, as well as interconnections among areas of study.

Prerequisite(s): RSCH2050, senior status.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

RSCH4400 Integrative Applied Research Seminar

A capstone experience in the Applied Research minor, this course will have students conduct the research study proposed in RSCH 3300, including data collection, analysis and interpretation of findings. Students will be required to share applied implications of findings with the community agents impacted, as well as preparing a formal professional conference and/or journal submission. Advanced case studies will be used throughout the course to integrate previously learned applied research and statistical analyses content to promote scientific reasoning and critical thought.

Prerequisite(s): RSCH3300.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

Retail (RTL) Courses

RTL1005 Retailing

This course is designed to introduce the student to the field of retailing. Emphasis is placed on basic principles of the retail environment, retail operations and retail administration. Career paths and leadership styles are incorporated into this course. Current conditions and newer concepts and practices in the field are highlighted, with special attention focused on industry terminology.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

RTL2050 Fashion Promotion

The theory of fashion promotion is explored as it relates to the selling of fashion merchandise to the public. This course explores the nature of the fashion promotion industry and its use of various media to make consumers aware of current trends and styles. The text addresses itself to the career-minded student who wants to be involved in the marketing, merchandising and promotion of fashion.

Offered at Denver, Providence, Providence CE
4.5 Quarter Credit Hours

RTL2063 Retail Industry Seminar

This course is offered in three components. One component is devoted to the mathematics of merchandising with its ramifications and effects on profitability and terms of sale. The second component is presented in seminar and case study format where students explore the importance of decision making and its effects at all levels of the retail industry. The third component is the industry field trips. Students are encouraged to examine personal and professional goals as they visit with local industry guests/hosts. Students are encouraged to network with industry speakers and begin planned career opportunities for the future.

Prerequisite(s): RTL1005, RTL1020.

Offered at Charlotte, Denver, North Miami, Providence
4.5 Quarter Credit Hours

RTL2095 Fashion and Retail Lab

This course gives students laboratory experience in merchandising functions. Students participate in a simulated work environment under the supervision of faculty with expertise in the industry. Market analysis and trend research are included with "back-of-the-house" simulations in buying, vendor communications, catalog operations and merchandise promotion modules.

Prerequisite(s): RTL1005, RTL1010, sophomore status.

Offered at Charlotte, Denver, North Miami, Providence
4.5 Quarter Credit Hours

RTL3010 Merchandise Buying

This course provides the student with the principles that govern the movement of merchandise. Students are expected to know the environmental factors that influence the behavior of consumers and the techniques for determining and predicting merchandise cycles. This course outlines the merchandising activities and marketing trends of those industries involved with producing and providing goods in the marketplace. The options of the buyer in making merchandise budgets, plans and decisions are presented. This background provides the basis for examining the merchandising activities and decisions expected of a buyer at the retail level. Buying activities are compared for a variety of retail settings.

Prerequisite(s): RTL1005.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

RTL3020 Merchandise Mathematics

This course is designed to examine the philosophies, theories and techniques underlying the allocation of merchandise investments, control of sales and control of inventory (including planning and pricing) in retail stores. The course approaches retail management from the standpoint of the retail businessperson and is intended to serve as a tool for the student of retailing or merchandising.

Prerequisite(s): RTL1005.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

RTL3030 Cases in Fashion and Retail

This course analyzes and compares fashion and retail merchandise and management techniques used in specialty store, department store, chain store and mass merchandising operations. A case study approach is used in evaluating merchandise and management decisions in a variety of cases involving issues, types of operations and levels of management.

Prerequisite(s): RTL2063, junior status.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

RTL3055 History of Fashion

This advanced course focuses on the elements affecting dress from antiquity through the 20th century. Using an interdisciplinary approach, students explore the complex relationship between dress and textiles as a reflection of material culture and phenomena, such as social structure, technology, aesthetics, geography, politics and religion. The constants and changes in human ecology are analyzed using primary sources including archeological discoveries, artworks, written documents, period photographs and extant objects. Critical thinking skills and scholarship are emphasized as students apply a historical framework to real world issues in today's global marketplace.

Prerequisite(s): RTL1010, RTL1020.

Offered at Charlotte, Denver, North Miami, Providence
4.5 Quarter Credit Hours

RTL3060 Fashion Forecasting

This course introduces the student to the field of fashion forecasting. Emphasis is on the framework of fashion forecasting, fashion and market dynamics of fashion forecasting and utilizing these dynamics in the global retail workplace. Current conditions, concepts, practices and research in the retail field are focused on throughout the course with special attention placed on industry terminology; case studies utilizing market research and competitive analysis are incorporated into this course.

Prerequisite(s): RTL1005, RTL1020. (HY)

Offered at Charlotte, Denver, North Miami, Providence, Providence CE
4.5 Quarter Credit Hours

RTL4010 Retail Executive Decision Making

This is a senior-level capstone course designed to give students insight into retail strategy. Using a variety of teaching methods, this course is intended to develop critical thinking skills and abilities needed to enter executive-level positions in the retail industry. Focus is also given to making merchandising and buying decisions.

Prerequisite(s): RTL3030, senior status.

Offered at Charlotte, Denver, North Miami, Providence
4.5 Quarter Credit Hours

RTL4099 Retail Internship

The Retailing Internship provides students the opportunity to gain academic credit for successfully completing internships in retailing operations and any retail-related industries. Eligible students may apply for a retailing internship assignment. Upon completion of this course, student will have an understanding of the demands and expectations for retail industries as well as the roles played by other necessary and related industries that all make for a successful store operation.

Prerequisite(s): To be eligible for this internship, students must: 1) maintain a cumulative GPA of 2.75 during the entire pre-program application process, 2) have completed 130 hours of course work, 3) have appropriate elective credit available, and 4) have the sponsorship of a faculty advisor.

Offered at Charlotte, Denver, North Miami, Providence, Providence CE

4.5-13.5 Quarter Credit Hours

Risk Management (RMGT) Courses

RMGT2001 Enterprise Risk Management

This course focuses on the aspects of enterprise risk management (ERM) in business, including the methods and processes used by organizations to manage risks and seize opportunities related to the achievement of their objectives. The course provides a framework for the identification, assessment, monitoring and mitigation of risk as it relates to the business enterprise including identification and mitigation of health and safety risks.

Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

Science (SCI) Courses

SCI1010 Environmental Science

This course presents major scientific concepts dealing with the biological and physical nature of the world we live in. A major theme is the impact of human population and economic growth on the biodiversity and ecosystems of our planet, considering how sustainable use of the world's resources may be achieved for both developing and developed nations. Topics such as energy, air, water or resource use, land use and agriculture will be discussed. (OL)

Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence,

Providence CE

4.5 Quarter Credit Hours

SCI1015 Introduction to Life Science

This course describes key biological and chemical principles that apply to all living things. Evolution and natural selection are studied as an explanation for the history of life on Earth. Students examine cells and cell functions, genetics, as well as structure and function of human body systems. Application of scientific methodology is included. (OL)

Offered at Charlotte, Denver, Denver CE, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

SCI1030 Marine Biology

This course is an introduction to both the biological and physical aspects of the marine environment, including a survey of the organisms that inhabit the world's oceans, their ecology, species evolution and distribution, and the human impact of commercial marine-related industries. Of particular interest are seafood, shellfish and marine plants as marine food sources, as well as shipping and maritime industries. (HY)

Offered at Denver, Denver CE, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

SCI1050 Nutrition

This course in basic human nutrition examines metabolic energy derived from carbohydrates, proteins and lipids. Pathways for the utilization of this energy to build new biomolecules, including nucleic acids, are discussed, as are the consequences of nutrient deficiencies. Ways to achieve and maintain nutrient balance are a central part of the course. The significance of vitamins and minerals and possible toxicity due to overabundance is also discussed. (OL)

Offered at Charlotte, Denver, Online, Providence, Providence CE

4.5 Quarter Credit Hours

SCI2020 Exercise Physiology

This course introduces topics in the physiology and anatomy of exercise, cardiovascular fitness, nutrition, and weight control. Emphasis is placed on understanding the scientific basis for a wellness program.

Offered at Charlotte, Denver, Providence, Providence CE

4.5 Quarter Credit Hours

SCI2031 Anatomy and Physiology

This basic course covers the anatomy and physiology of the human organism, based on the cell, tissue, organ and system structures of the body. An integral part of this course is the learning of medical terminology.

Offered at Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

SCI3020 Sustainability Policy and Planning

In this course students are introduced to the application of scientifically sound sustainability policies and their effects. Through the study of relevant case studies, this course demonstrates how corporate leaders can gain a strategic advantage by fostering sustainable development principles within their organizations. Businesses have typically been viewed as major contributors to environmental problems but they have also been extremely important participants in solutions. Students investigate policy efforts that promote responsible management of social, economic, and environmental resources and examine the roles of governments, markets, and nonprofit organizations in the implementation of sustainable development laws and policies.

Prerequisite(s): ENG1021 or ENG1027, SCI1010. (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

SCI3070 Food Sustainability

This course introduces students to the natural science aspects of sustainability in food production, agriculture, aquaculture, food distribution, and environmental considerations. Topics include such emerging areas as: organic food industry, slow food movement, local food production, and sustainable food production practices. The class integrates theoretical principles of agricultural and aquaculture sustainability with hands-on learning exercises and evaluates the environmental, social, and economic aspects of sustainable food production issues.

Prerequisite(s): ENG1021 or ENG1027, SCI1010. (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence

4.5 Quarter Credit Hours

SCI3080 The Business of Sustainability

This course reveals the business advantages of integrating the scientific principles of environmental sustainability in commerce. The application of sustainability principles to business management is investigated. How environmental issues can drive markets and be used to manage risks and costs is examined. The economic necessity of sustainable business practices is analyzed. Business practices are evaluated to determine their true environmental impact.

Prerequisite(s): ENG1021 or ENG1027, SCI1010. (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence

4.5 Quarter Credit Hours

SCI4060 Food Microbiology

Food Microbiology introduces students to a wide variety of topics regarding the biology of food and water associated microorganisms. Important topics include: all varieties of microbial agents of food and water borne disease, characteristics of important species of food spoilage microbes, identification and control of disease agents associated with food and water, beneficial microbial action, microbial genetics and bacterial genomics. The interaction of microbes with the human digestive and immune systems is also studied.

Prerequisite(s): SCI1015, SCI2031, Corequisite: SCI4061, senior status or permission of department chair.

Offered at Denver, Providence, Providence CE

4.5 Quarter Credit Hours

SCI4061 Food Microbiology Lab

Food Microbiology Lab is a laboratory companion course coordinated with SCI4060. Using live cultures, students examine the properties of various microbes and factors which contribute to their control and their contamination of foods. Unknown microbes are identified using both traditional and genetic microbiological techniques. Beneficial microorganisms are also studied. Students master microscopy using compound light microscopes.

Prerequisite(s): SCI1015, SCI2031, Corequisite: SCI4060, senior status or permission of department chair.

Offered at Denver, Providence, Providence CE

2.25 Quarter Credit Hours

SCI4090 Research Seminar in Sustainability

This course is a capstone of the student's undergraduate work in the sustainability minor and an introduction to the professional practice of sustainability. The Research Seminar in Sustainability is designed to provide students with opportunities to experience the methods used in business, nonprofit, and government sustainable development initiatives and programs by approaching a single issue from a variety of perspectives. Student groups select topics related to the main issue. Topics are clustered within the categories of policies and sociology, economics, or health and environment. Each group analyzes its topic, discovers relationships to the main issue and other group's topics, and presents their findings to the entire class. This multi-disciplinary seminar serves as an integrative course employing the strategies that will build a sustainable future.

Prerequisite(s): SCI1010, SCI3020, SCI3070, SCI3080. (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence

4.5 Quarter Credit Hours

Sociology (SOC) Courses

SOC1001 Sociology I

This course provides an introduction to sociology with the focus of study on how humans interact within a society, both as individuals and in groups. Emphasis is placed on sociological methods and perspectives/paradigms. (SL) (HY) (OL)

Offered at Charlotte, Denver, North Miami, Online, Providence, Providence CE

4.5 Quarter Credit Hours

SOC2002 Sociology II

This course is a continuation of Sociology I focusing on patterns of behavior or institutions that our culture has established. Emphasis is placed on studying those institutions which are essential to the survival of the individual and the group.

Prerequisite(s): SOC1001 or SOC2005. (SL)

Offered at Denver, North Miami, Providence, Providence CE

4.5 Quarter Credit Hours

SOC2005 Honors Seminar: Social Inequalities

Gender, race, class: Have you ever wondered about the extent of those inequalities today? How are inequalities accomplished and maintained? This Honors Seminar serves as an introduction to sociology with a focus on the inequalities of race, gender, and especially class. The operations of these inequalities are studied at both the micro, person-to-person level and the macro, institutional level. Students will make use of both qualitative and quantitative research methods to explore how the micro and macro levels of analysis connect, and also how race, class, and gender intersect.

SOC3025 Cultural Tapestry: Perspectives in Diversity

This course approaches the study of diversity by offering students an opportunity to understand the meaning of difference from a multitude of perspectives. Students study how categories of diversity are created, the experience of being perceived as different in society, and the consequences of difference as gauged by the allocation of privilege and resources to differing groups within society. Such categories as race, ethnicity and national identity, socioeconomic status, gender differences, sexual orientation, learning styles and religious affiliation are addressed. Similarities between ethnic groups and cultures are also examined. The sociological paradigms/perspectives are also utilized in the study of diversity. Students shape a presentation that addresses diverse subject matter in an experiential manner. As the course concludes, attention is directed towards identifying strategies that can be employed both on a macrolevel in society and on a micro-level within the students' realm of influence, to broaden the acceptance of differing perspectives in a pluralistic society.

Academic Information

This section of the catalog contains important information about the academic requirements and policies of Johnson & Wales University, as well as additional educational components including experiential education and study abroad opportunities, and available honors programs and academic societies.

Class Schedules

The course schedule (https://uconnect.jwu.edu/prod/bwkschd.p_disp_dyn_sched) is published before registration begins for each term. The course schedule will include course meeting days and times, seat capacity, course prerequisites and additional information for courses meeting the search criteria.

Occasionally, make-up classes are scheduled, due to holidays or other missed days, to meet minimum classroom hour requirements. It is possible that at times a course may not be rescheduled and the student will be responsible for all work as outlined in the syllabus.

Please note that students enrolled in courses at the university may be required to participate in online discussion forums, student-to-student collaborations and student presentations with other students as part of course requirements.

Summer Sessions

Optional summer session courses are offered by the university. Individual courses may not be offered in the summer if student interest or enrollment is not sufficient; as a result, summer degree completion cannot be guaranteed.

Students matriculating at Johnson & Wales are not granted credit for summer session courses taken at other institutions unless prior permission has been granted by Student Academic & Financial Services.

Academic Policies

This section of the catalog contains important information about the academic policies of Johnson & Wales University, the grading system and other academic requirements.

Academic Standing

A student's academic standing is based on grade point average (GPA) in conjunction with total attempted credits (including transfer credits) and is evaluated after the completion of each term of enrollment. Academic standing standards differ by program of study. Please refer to the following academic standing standards charts. If students are not in good academic standing or have questions about the requirements for graduation, they should make an appointment with an academic counselor for assistance in assessing their situation.

Students who meet the following criteria are considered to be in good academic standing:

- Undergraduate students need a minimum GPA of 2.0.
- Graduate students need a minimum GPA of 3.0.
- Doctoral students need a minimum GPA of 3.25.
- 4+1 B.S./MBA/M.S. program students need a minimum GPA of 3.0 in graduate-level coursework.

According to the following academic standing standards, students who do not satisfy good academic standing requirements will be placed on probation, suspended (undergraduate students only) or dismissed.

Status at Start of Term	Total Credit Hours Attempted	Cumulative GPA	Status after Term Completion
Good Standing	0–higher	3.25–4.0	Good Standing
Good Standing	0–higher	0–3.24	Academic Dismissal

Note: Doctoral students will be dismissed if their GPA is less than 3.25, or when they earn a grade of F, WF or W in any course. No classes may be repeated.

Academic Probation

Probation may affect a student's ability to register and/or graduate. Graduate program students and 4+1 B.S./MBA/M.S. program students are allowed one term only on probation.

Academic Suspension

Suspended students may not matriculate at the university for at least one term and are expected to work on academic deficiencies. To return to the university, these students must petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

Academic Dismissal

Dismissed students may no longer matriculate at the university and are expected to work on academic deficiencies. To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances.

Academic Warning

Students who are reinstated into the university will be placed on Academic Warning. These students risk permanent dismissal from the university if they are unable to meet academic standing guidelines. The warning designation is sometimes used to override academic standing decisions at the end of the term due to mitigating circumstances.

These undergraduate students will be allowed to register for a maximum of 13.5 credits in academic classes or 15 credits in laboratory classes. In addition, these students will be required to attend a mandatory student skills strategies seminar and tutoring in identified content areas. Failure to complete these requirements will result in immediate dismissal.

Attendance

All students are expected to attend each meeting of every class in which they are enrolled on time. The maximum number of absences for valid reasons is based on the credit hours for the course, with the exception of experiential education assignments and laboratories, which have their own specific attendance criteria. Absences beyond the stated maximum for each course may jeopardize academic standing or financial aid.

Student Academic & Financial Services should be notified immediately of any necessary prolonged absences. The Student Handbook contains rules and policies for frequent or prolonged absences from class.

Students are expected to familiarize themselves with attendance requirements outlined in the Student Handbook (<http://catalog.jwu.edu/handbook>).

Credits and Grades

Unit of Credit

The university measures undergraduate and graduate academic progress using the quarter credit hour system with the exception of the doctoral and physician assistant studies program, which operate under a semester credit hour system. Courses are offered in three formats and may combine two or more of those formats, which are lecture, laboratory and experiential.

Generally, one quarter credit represents 10 hours of instruction, which includes class lecture and additional activities; one quarter credit hour equals two laboratory hours or three experiential hours. Furthermore, all courses require additional hours of study and preparation outside of the classroom or learning environment.

Please see the appropriate section to review the respective grading system.

Undergraduate

Undergraduate Grading System

September 1985 to present (note: not all grades are used by all colleges or schools)

The grading system is as follows:

Grade Range	Letter Grade	Quality Points
95–100	A+	4.00
90–94	A	4.00
85–89	B+	3.50
80–84	B	3.00
75–79	C+	2.50
70–74	C	2.00
65–69	D+	1.50
60–64	D	1.00
0–59	F	0.00
Withdrawal/Fail	WF	0.00
Withdrawal/Pass	WP	
Audit	AU	
Challenge Exam Credit	CX	
Grade Pending	GP	
Incomplete	I	
No Credit	NC	
No Grade	NG	
Prior Learning Assessment	PL	
Proficiency	P	
Satisfactory	S	
Unsatisfactory	U	

Grade reports are viewable in jwuLink (<http://link.jwu.edu>).

Honors Option (H)

If a course was taken as an Honors Program requirement, the grade received will be followed by H (e.g., AH, BH).

Failure (F)#

Issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student's academic record. Upon successful completion of the course at a later date, the term and cumulative grade point averages are adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript.

Withdrawal/Pass (WP), Withdrawal/Fail (WF)#

To record attempted credits, a grade of WP or WF is recorded when a student withdraws from a culinary/baking & pastry laboratory course or a course with an experiential education component, or is withdrawn due to excessive absences from a registered course after its add/drop period has ended. To qualify for a WP, the student must have an estimated grade of 60 or higher at the time of withdrawal. This grade is not entered into the term and cumulative grade point averages. If the estimated grade is below 60, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

Audit (AU)#

An Audit occurs when no academic credit is granted. This grade is not calculated into the term and cumulative grade point averages.

Challenge Exam (CX)

Granted for specifically designated courses upon successful completion of department challenge exams. This grade is not calculated into the term and cumulative grade point averages.

Grade Pending (GP)#

A temporary mark given when the completion of course requirements is still underway. A Grade Pending is not calculated into the term and cumulative grade point averages and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the GP within one year, it will automatically become an F.

Incomplete (I)#

Issued to students if they are unable to complete course requirements because of authorized absences due to service commitment or illness. Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an F and will be included in the term and cumulative grade point averages. For classes graded S/U (Satisfactory/Unsatisfactory), an Incomplete (I) will change to a U.

No Credit (NC)#

A non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances. This grade is not calculated into the term and cumulative grade point averages.

No Grade (NG)#

Issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student's GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within one year, it will automatically become an F and the grade will be included in the term and cumulative grade point averages.

Prior Learning (PL)

Students may earn credit for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel, professional training and seminars or other comparable sources. This grade is not calculated into the term and cumulative grade point averages.

Proficiency (P)

Granted for achievement of multiple levels of skills in progression where the self-paced approach is in effect. This grade is not calculated into the cumulative grade point average.

Satisfactory/Unsatisfactory (S/U)

Used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

These grades will be counted as attempted but not earned credits for the purposes of determining satisfactory academic progress.

Graduate

Graduate Grading System

September 1996 to present (note: not all grades are used by all colleges or schools)

The grading system is as follows:

Grade Range	Letter Grade	Quality Points
97–100	A+	4.00
93–96	A	4.00
90–92	A-	3.70
87–89	B+	3.30
83–86	B	3.00
80–82	B-	2.70
77–79	C+	2.30
73–76	C	2.00
70–72	C-	1.70
0–69	F	0.00
Withdrawal/Fail*	WF	0.00
Withdrawal/Pass*	WP	

Incomplete	I
Audit	AU
Grade Pending	GP
No Credit	NC (non-punitive withdrawal)
No Grade	NG
Satisfactory	S
Unsatisfactory	U

**after September 2011*

Grade reports are viewable in jwuLink (<http://link.jwu.edu>).

PLEASE NOTE:

Any courses taken at the undergraduate level to satisfy foundation requirements follow the undergraduate grading system and will not be counted in the graduate-level grade point average (GPA). MBA foundation courses with grades below a C will need to be repeated.

Failure (F)#

Issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student's academic record. Upon successful completion of the course at a later date, the term and cumulative grade point averages are adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript.

Withdrawal/Pass (WP), Withdrawal/Fail (WF)#

In order to record attempted credits, a grade of WP or WF is recorded when a student withdraws from a culinary/baking & pastry laboratory course or a course with an experiential education component, or is withdrawn due to excessive absences from a registered course after its add/drop period has ended. To qualify for a WP, the student must have an estimated grade of 70 or higher at the time of withdrawal. This grade is not entered into the term and cumulative grade point averages. If the estimated grade is below 70, the student will be issued a WF, which is entered into the term and cumulative grade point averages as a failing grade until successful completion of the course at a later date.

Audit (AU)#

An Audit occurs when no academic credit is granted. This grade is not calculated into the term and cumulative grade point averages.

Grade Pending (GP)#

A temporary mark given when the completion of course requirements is still underway. A Grade Pending is not calculated into the term and cumulative grade point averages and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the GP within one year, it will automatically become an F.

Incomplete (I)#

Issued to students if they are unable to complete course requirements because of authorized absences due to service commitment or illness. Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an F and the grade will be included in the term and cumulative grade point averages. For classes graded S/U (Satisfactory/Unsatisfactory), an Incomplete (I) will change to a U.

No Credit (NC)#

A non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances. This grade is not calculated into the term and cumulative grade point averages.

No Grade (NG)#

Issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student's GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within one year, it will automatically become an F and the grade will be included in the term and cumulative grade point average.

Satisfactory/Unsatisfactory (S/U)

Used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

These grades will be counted as attempted but not earned credits for the purposes of determining satisfactory academic progress.

Full-time Status

Certification of full, half or less than half-time enrollment status for loan deferment, medical insurance, etc. is based on hours of enrollment in a term. Listed below are the requirements that constitute full-time student status for official enrollment certification purposes and for financial assistance.

Students should realize that to receive maximum financial aid they must maintain full-time status. Additionally, insurance companies and scholarship foundations frequently require students to maintain full-time status.

If a student who is receiving veteran's benefits or participating in athletics receives a grade of WP, WF, W or NC in a course, that course will not count toward full-time status.

Status	Undergraduate	Graduate	Post Graduate
Full-time	12 or more	9 or more	12 or more
Half-time	6–11.99	4.5–8.99	6–11.99
Less than half-time	0–5.99	0–4.49	0–5.99

Plagiarism/Turnitin

Students agree that by taking courses at JWU, required assignments may be subject to submission to Turnitin for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin service is subject to the Usage Policy posted on Turnitin.com (<http://www.turnitin.com>).

Repeat of Courses

When the appropriate course is available, the course may be repeated to earn a better grade. Upon successful completion of the course at a later date, the cumulative average is adjusted to reflect the highest grade earned. However, each grade earned will appear on the academic transcript. Students are required to pay normal tuition charges for all repeated course work.

Students are eligible for financial aid for only one repetition of a previously passed course. The highest grade earned will be calculated into the grade point average. When a student has repeated a course previously applied to an awarded degree, each grade earned will be included in the grade point average.

Course Deficiency

A course deficiency occurs when a student fails to complete a course with a satisfactory grade, either by failing the course or by receiving a grade that does not meet the minimum required by the student's program. Academic warning, probation and dismissal are not determined from one course but by the cumulative GPA.

Students who fail a course after a second attempt will be assigned a course deficiency hold and will be required to meet with an academic counselor/advisor in Student Academic & Financial Services. Academic counselors/advisors will review the following options with the student:

- Consider a change of program.
- Repeat the same course, which will result in only the highest grade earned grade being calculated in the cumulative average.
- Student may be advised to take a pre-approved course at another institution outside of Johnson & Wales University. The original grade will remain on the student's transcript but will be excluded from the cumulative average.

Students opting to repeat the course will be required to attend content tutoring. The course deficiency hold will be removed once the student has satisfied the course requirement.

Academic Counseling

Academic counselors/advisors are available in Student Academic & Financial Services to assist students with preparation for graduation. Their goal is to assist students in evaluating, developing and maximizing their potential by providing guidance and support.

Transfer and Career Prerequisites

Students who intend to transfer to other colleges or enroll in graduate schools after attending Johnson & Wales University must determine

the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales University makes no claim or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state or foreign business, trade or professional licensing examinations should determine the prerequisites of those jurisdictions prior to selecting programs of study.

Students who are interested in transferring to JWU should see information on transfer admissions (p. 96).

Graduate

Once enrolled in a JWU graduate program, a student may not take core or concentration courses elsewhere and apply them for transfer credit except in extenuating circumstances, and when permission is granted by the dean's office. A grade of B or better must be earned for the course to transfer.

Academic Transcripts

A transcript is a representation of a student's entire academic record while at Johnson & Wales University. In accordance with the Family Educational Rights and Privacy Act (FERPA), a transcript may be released only upon written request of the student. Students can also submit transcript requests online through jwuLink (<https://link.jwu.edu/cp/home/displaylogin>). Students intending to pick up transcripts in person must visit Student Academic & Financial Services or complete a transcript request form (https://www.jwu.edu/uploadedFiles/Documents/Forms/Academic_Services/JWUTranscriptRequestForm.pdf).

The university does not charge a fee for transcripts; however, official transcripts will not be released if a student is not current in all financial obligations to the university. Within three business days of receipt of an authorized request, official transcripts will be printed on official paper and then placed in sealed envelopes issued directly to the student or authorized designee. However, a longer period of time may be required for processing at the end of a term or during peak enrollment periods. Records prior to 2000 may be located on microfilm; if applicable, please allow 5-15 business days for processing.

The university does not email transcripts. A maximum of 20 official transcripts may be requested per year. Official transcripts are not produced while grade processing and posting is in progress at the end of each term.

Unofficial transcripts may be obtained in jwuLink (<http://link.jwu.edu>).

Requirements

Please see the appropriate section for information regarding residency and graduation requirements.

Undergraduate

Residency Requirement

The undergraduate residency requirement refers to the number of courses and credits students must take at JWU, whether they are transfer students or JWU students acquiring an additional degree. The residency requirement for all students at Johnson & Wales University pursuing an associate degree is a minimum of 31.5 quarter credit hours, half of which must be within the major field.

For students pursuing a bachelor's degree, the minimum is 45.0 quarter credit hours, half of which must be within the major field.

Diploma/certificate candidates will be allowed to transfer a maximum of 9.0 quarter credits (including JWU courses) toward diploma/certificate program requirements.

Upon review, certain related professional studies courses and program electives may be considered when determining residency. Standardized testing credits are not considered when determining residency requirements.

Additional Degrees

Students may pursue one additional associate in science undergraduate degree by completing a Change of Status Form in consultation with an academic counselor in Student Academic & Financial Services. The additional degree must be in a program that has a minimum of 31.5 credits that are not in the student's primary major. (There must be a 31.5 credit difference between the two associate degrees.) Half of the credits must be within the major field of the additional associate degree. Classes in the additional associate degree may not be used as electives in the primary major if residency requirements have not been met.

Students may pursue one additional bachelor of science degree in a program that has a minimum of 45 credits that are not in their primary majors. (There must be a 45 credit difference between the two bachelor's degrees.) Half of the credits must be within the major field of the additional bachelor's degree. Classes in the additional bachelor's degree may not be used as electives in the primary major if residency requirements have not been met.

Graduation Requirements

Each student is required to submit an online graduation application at least two terms prior to degree completion. Students must file one application for each expected degree (i.e., associate, bachelor's, master's). The application ensures that students are reviewed for graduation at the correct time, that correct information is presented on the diploma, and that it is mailed to the correct address.

Graduation requires successful completion of a prescribed sequence of study and a minimum 2.00 grade point average. Students with a cumulative GPA below 2.00 will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required by their program, all students must hold an active Sanitation Certification.

All associate-level degrees require the completion of a minimum of 90 quarter credits. All bachelor's-level degrees require a minimum of an additional 90 quarter credits, for a total of 180 quarter credits. While most major programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

All students must be current in all financial obligations to the university, including tuition, fees and other expenses, before a diploma will be issued.

Permission to participate in commencement exercises does not imply that graduation requirements have been met.

Writing Requirement

Students who graduate with a bachelor of science degree must leave Johnson & Wales with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication. If competency is not achieved at this point, students must successfully complete ENG0001 Writing Workshop and achieve competency. This, in effect, is a graduation writing requirement for all students pursuing a bachelor of science degree from JWU.

Graduate

Residency Requirement

Residency requirement refers to the number of courses and credits a student must take at Johnson & Wales University.

A maximum of 20% of the program's credits can be awarded as transfer credit. Credit may be awarded for graduate-level courses that were completed with a grade of B or better (3.00 GPA) at another institution accredited by an accrediting agency recognized by the U.S. Department of Education or International Ministry of Education.

Due to the overlap in core curriculum, students who complete an MBA at the university are not eligible to complete a second MBA at Johnson & Wales University. However, any student who received a master's degree from Johnson & Wales University may apply for admittance to an M.S. program at the university through Graduate Admissions. Students must meet the entrance requirements for the prospective program to gain admittance.

Only one doctoral degree is allowed.

Graduation Requirements

Each student is required to submit an online graduation application at least two terms prior to degree completion. The application ensures that students are reviewed for graduation at the correct time, that correct information is presented on the diploma, and that it is mailed to the correct address.

Graduation requires successful completion of a prescribed sequence of study and a minimum grade point average of 3.00 (3.25 for doctoral program students). Students with a cumulative GPA below 3.00 will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. In addition, doctoral program students must not receive a grade of F or W in a course.

All students must be current in all financial obligations to the university, including tuition, fees and other expenses, before a diploma will be issued.

Permission to participate in commencement exercises does not imply that graduation requirements have been met.

Arts & Sciences Core Experience

Johnson & Wales University is committed to providing its students with the learning necessary for professional and personal success. A Johnson & Wales University education is intended to prepare students to become engaged citizens with the intellectual and practical skills needed to address complex issues in a diverse and dynamic world.

In addition to development of lifelong learning skills, the university's A&S general education core curriculum provides breadth of learning by introducing students to multiple ways of knowing and understanding the world through the natural sciences, social sciences and humanities.

Sequential Learning

Foundational skills are taught in the first two years and reinforced throughout the curriculum: oral and written communication, information literacy, critical and creative thinking, scientific reasoning and quantitative literacy.

Students will be required to build on foundational writing skills in many disciplines in the arts and sciences as well as in their major courses. All students must fulfill a university graduation requirement for college-level writing proficiency.

Building Integrative Habits of Mind

An essential component of the A&S Core Experience is the development of integrative learning which requires thinking across boundaries, applying knowledge and skills in new situations, and synthesizing information from various perspectives to explore complex issues or problems. All Johnson & Wales University undergraduates will be required to complete two Integrative Learning courses, one at the sophomore level and another in the senior year. These courses will approach a big idea or question from the perspective of two or more disciplines. Developing the habit of connected inquiry throughout the four years of their undergraduate experience will allow Johnson & Wales University graduates to apply and adapt their knowledge in innovative ways. Adaptive thinking is an essential skill for professional success and for lifelong learning.

Through the A&S Core Experience, Johnson & Wales University students are expected to:

- Effectively apply oral and written communication strategies appropriate for a particular situation and/or audience.
- Solve mathematical problems and to apply mathematical reasoning to problems in other fields of study.
- Apply appropriate disciplinary criteria to examine complex issues, make decisions, analyze arguments, conduct credible research, solve problems and create original ideas and/or approaches.
- Apply ethical standards and reasoning to complex issues in personal, academic and professional decisions.
- Demonstrate knowledge of the complexities of human behavior and society. Interpret human behavior from various social science perspectives.
- Analyze and interpret human history, philosophy, literature and the arts.
- Demonstrate knowledge and application of the scientific principles that govern the natural world.
- Synthesize and apply knowledge from multiple perspectives to complex issues and real world problems.

Regardless of their majors, all undergraduates are required to complete at least 63 credit hours of general education. Some of these courses may be determined by specific program requirements. The A&S core curriculum requirements are summarized below.

THE A&S CORE EXPERIENCE

Communications Foundation Courses		13.5
ENG1020	English Composition	
ENG1021	Advanced Composition and Communication	
ENG1030	Communication Skills	
Integrative Learning		9
Two ILS courses, one at the 2000 level, one at the 4000 level		
Arts and Humanities – Two courses from ART, HIST, HUM, LIT, PHIL or REL		9
One course required by program		
Additional AH course in a different discipline		

Math – Two courses		9
MATH One course at level of placement, 1002 or higher, minimum set by program		
MATH2001	Statistics (or other required by program)	
Science – At least one course (may be a program requirement)		4.5
Social Sciences – Two courses from ECON, LEAD, PSCI, PSYC, SOC		9
One course required by program		
Additional SS course in a different discipline		
A&S Electives		9
Two courses with an EASC attribute, at least one at 3000 level or higher.		
Total Credits		63.0

NOTE: Students must pass MATH0010 Basic Mathematics or have equivalent placement scores to enroll in required math course(s).

Students who graduate with a bachelor of science degree must leave Johnson & Wales University with effective writing skills. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication.

In collaboration with schools and colleges on all campuses, JWU Study Abroad programs offer a variety of options for major, Arts & Science and elective credit at many price points for students during the academic year and summer. Financial aid is applicable to most programs. Visit the study abroad website (<http://studyabroad.jwu.edu>) for information, program descriptions and online applications.

Service Learning

Community Service-Learning (CSL)

CSL is an integral part of academic life at the Denver Campus. The premise of CSL is based on the shared value proposition that both students and community-based organizations benefit from collaboration. Courses that incorporate this methodology remind us that organizations depend on the success and prosperity of the communities in which they are embedded. There are a variety of academic CSL opportunities on the Denver Campus.

Arts & Sciences

LEAD1010 Foundations of Leadership Studies is a required course that draws upon a variety of research-based theories and applications germane to the study of leadership. Theoretical paradigms of motivation are discussed and applied to communication styles, decision making, risk taking, team building, conflict resolution, negotiation, diversity and inclusion. Leadership traits, leadership styles and roles are examined in the context of ethics, power and social responsibility. Completing meaningful community service is an integral component of the Foundations of Leadership Studies course. Course instructors work with Junior Achievement (JA) in order to offer a relevant service-learning opportunity to students in this class. Students then link these volunteer experiences to the course curriculum through reflective practices, such as journaling, video blogs, and group discussion. For questions about LEAD1010 please contact Velda Iverson (velda.iverson@jwu.edu).

Other arts and sciences courses that may incorporate CSL components include: LEAD3020 Creative Leadership, CJS4030 Criminal Justice Research Methods, CJS4080 Criminal Justice Senior Seminar, CSLG1001 Introduction to Helping Professions, PHIL3040 Ethics of Business Leadership, ENG1020 English Composition, ENG1021 Advanced Composition and Communication, ENG1030 Communication Skills, RSCH2050 Research Methods in Applied Settings, RSCH3300 Community Action Research, RSCH4400 Integrative Applied Research Seminar, SOC1001 Sociology I, and MATH2001 Statistics. For more information about any of these courses' service-learning components please contact Rena Dulberg (rena.dulberg@jwu.edu).

College of Management

Each term, a variety of hospitality- and business-specific courses on the Denver Campus also incorporate CSL experiences into their curricula. In the past, courses have included: SEE4060 Sports/Entertainment/Event Management Seminar, FSM1001 Introduction to the Food Service Field, FSM4040 On-Site Foodservice, FSM4061 Advanced Food Service Operations Management, FSM3035 Supervision for Food Service Professionals, HOSP4060 Hospitality Strategy Design and Execution Seminar, MRKT4055 Strategic Marketing and MGMT4020 Strategic Management.

Culinary Arts

Culinary Arts courses are prime opportunities for students to offer their cooking and nutrition skills as a service to the community while honing their expertise. CCA courses with a CSL component may include: CUL4175 Spa

Cuisine, NUTR4030 Medical Nutrition Therapy, NUTR4630 Advanced Medical Nutrition Therapy and NUTR3050 Life Span Nutrition.

Please be aware that course syllabi are subject to change year-to-year. Contact Rena Dulberg (rena.dulberg@jwu.edu) to find out more about available college-specific CSL options.

Directed Experiential Education

DEE3999 Directed Experiential Education provides students with an opportunity to apply newly acquired skills and knowledge in a supervised, non-paid industry setting with faculty oversight. The experience focuses on a specific industry- or functional area-based project, which includes service that supports a local nonprofit organization. Contact Rena Dulberg (rena.dulberg@jwu.edu) for more information.

Experiential Education & Career Services

Experiential Education & Career Services (EE&CS) offers a variety of internship programs and career services including a career capstone course, résumé critiques, mock interviews, career fairs, exposure to industry professionals, on-campus interviews and more. These services assist students in building skills to obtain employment and independently manage their careers.

Experiential Education & Career Services components include

- internship opportunities available in the College of Management, College of Culinary Arts, College of Arts & Sciences and School of Engineering & Design (Providence Campus only). Internship is designed to provide eligible students with practical work experience in their chosen field of study while they earn academic credit for the experience
- one-on-one advising from our career professionals who assist with résumé development, mock interviews and job search strategies
- a career capstone course for juniors and seniors that prepares them to navigate the job search process
- career workshops that allow students to select specific skill-building topics such as building a résumé, networking and interviewing
- networking opportunities with industry professionals through on-campus interviewing and recruiting events
- career advising resources on a variety of topics including résumé examples vetted by industry and approved by faculty
- online job postings by employers who are looking to hire students for part-time and full-time jobs (on and off campus) as well as internships. Go to [jwuLink \(https://link.jwu.edu\)](https://link.jwu.edu) > Jobs and Internships > Find a Job.
- employers representing a broad range of fields, who visit campus each year to participate in recruiting events and serve as guest lecturers and classroom speakers. These activities provide students with a real-world view of industry as well as opportunities to connect with industry professionals and career options.

Study Abroad

JWU Study Abroad is a way for students of all majors to earn academic credit while taking classes and studying internationally. Study abroad promotes global citizenship and interconnectedness through international study. Programs are available that allow students to delve into many different areas of interest (i.e., explore farm-to-table cuisine and learn from elite chefs in Paris; practice leadership and nature tour guiding skills in South Africa; study fashion and design in Italy; learn regional Asian culinary skills in Singapore; or expand the freshman experience in Berlin).

In collaboration with schools and colleges on all campuses, JWU Study Abroad programs offer a variety of options for major, Arts & Science and elective credit at many price points for students during the academic year and summer. Financial aid is applicable to most programs. Visit the study abroad website (<http://studyabroad.jwu.edu>) for information, program descriptions and online applications.

Academic Functions

Summer Orientation programs are held to prepare incoming students for their academic careers with Johnson & Wales. These two-day orientation programs help new, transfer and returning students with their transition into their new environment and introduce them to course work. Orientations also occur at the beginning of Winter and Spring Terms for students who are new to JWU, as well as campus transfers. Wildcat Welcome, which occurs at the beginning of fall term, continues the transition process by aiding in the

development of personal connections with peers, staff and faculty as they begin their academic courses.

Commencement is held at the end of each academic year in May. Associate, bachelor and MBA degree candidates are recognized at these exercises. Participation in commencement exercises does not imply that graduation requirements are met.

Honors

Johnson & Wales University recognizes high-level scholastic achievement in a variety of ways.

- Latin Honors (e.g., cum laude, magna cum laude and summa cum laude) are awarded upon graduation to eligible degree candidates based on their graduating grade point average.
- The Honors Program offers students the opportunity to complete an enhanced undergraduate curriculum and to earn the University Honors Scholar designation on their transcripts and diplomas.
- The SHARP program allows eligible students to accelerate their course of study by registering for additional credits each term.
- Additionally, the university recognizes superior academic performance through other honors societies and university awards.

Latin Honors

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated graduating GPA are eligible to receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

Dean's List

In recognition of scholastic achievement, full-time students (carrying a minimum of 12 quarter credit hours) at Johnson & Wales University who have achieved a term GPA of 3.40 or above receive Dean's List commendation. Upon processing of approved grade changes, student records will be evaluated for Dean's List eligibility.

Honors Program

The Honors Program offers academically talented day program students seeking bachelor's degrees the opportunity to explore challenging and stimulating courses. Eligible applicants must have taken a college prep curriculum, maintained an average of B or better, placed in the top 25 percent of their high school graduating class, and submitted SAT or ACT scores.

Honors students enroll in honors sections of several courses in the arts and sciences core and their program of study, including smaller, student-centered honors seminars in their sophomore and junior years and, for students in the College of Culinary Arts, Honors Options (H-options) in select lab sequences. All honors students complete a two-term research course sequence, culminating in an honors thesis or other honors capstone project. Through these experiences, they have the opportunity to work closely with some of the university's most dedicated and accomplished faculty, join a community of academically motivated students, and pursue original and individually directed study.

Students who complete the Honors Program requirements will graduate with the University Honors Scholar designation. The college-specific requirements for this honors designation are as follows:

College of Culinary Arts

Honors students must complete a total of eight honors courses or H-option lab sequences and submit an accepted honors thesis to earn the University Honors Scholar designation. These courses include ENG1024 Honors Composition: Writing in the Academy; ENG1027 Honors Advanced Composition and Communications: Civic Discourse; four honors seminars (two of which may be replaced by Culinary H-Option lab sequences); RSCH3020 Honors Research Seminar; and RSCH4020 Honors Directed Academic Experience, culminating in an honors thesis.

All Other Colleges

Honors students must complete a total of eight honors courses and submit an accepted honors thesis to earn the University Honors Scholar designation. These courses include ENG1024 Honors Composition: Writing in the Academy; ENG1027 Honors Advanced Composition and Communications:

Civic Discourse; four honors seminars; RSCH3020 Honors Research Seminar; and RSCH4020 Honors Directed Academic Experience, culminating in an honors thesis.

Joint Degree Programs

Honors students who begin their studies in the College of Culinary Arts and complete their studies in the College of Management will carry their honors work forward, completing a total of four honors courses (any combination of Culinary H-option lab sequences or honors seminars) in addition to ENG1024 Honors Composition: Writing in the Academy; ENG1027 Honors Advanced Composition and Communications: Civic Discourse; RSCH3020 Honors Research Seminar; and RSCH4020 Honors Directed Academic Experience, culminating in an honors thesis.

Transfer Students

Transfer students may enter the Honors Program if they can provide documentation of Honors Program enrollment at their former institution, provided their GPA is 3.40 or higher at the time of their acceptance to Johnson & Wales University.

Non-honors students at Johnson & Wales may apply to the program, provided they carry a 3.40 GPA or higher, first year or sophomore status, and have completed at least a term of study at JWU. Students must provide a faculty recommendation.

Students who transfer into the Honors Program may be eligible to waive some honors course requirements. Contact the Honors Program director for application details.

Academic Societies

Alpha Beta Kappa is a national honor society that recognizes superior student academic achievement, character and leadership. Students with a graduating GPA of 3.9 or higher are eligible. Students are notified in April of their eligibility. A one-time membership fee is required. The society may also elect a limited number of faculty, staff and alumni as honorary members.

Awards

Johnson & Wales University recognizes superior academic achievement and outstanding contributions in extracurricular activities by granting the following awards at a private ceremony held prior to commencement.

Selected by the College of Management, College of Arts & Sciences and College of Culinary Arts, the **Trustee Award**, in memory of the faithful service to the university of trustees Gov. Christopher DelSesto and Dr. Anthony Kemalian, is given to the students who have contributed the most service to the university.

Selected by the College of Management, College of Arts & Sciences and College of Culinary Arts, the **Academic Performance Award** recognizes graduating students in baccalaureate degree programs who have achieved the highest academic average and who have been recommended by the faculty.

The **Dean's Award** is presented to one bachelor's degree student from each College of Management, College of Arts & Sciences and College of Culinary Arts degree program who exemplifies the core values of commitment, leadership, high academic standing and career focus.

The **Senior Scholar Award** goes to members of the senior class who have shown outstanding scholarship and leadership across their major area of study. These individuals are recognized for their accomplishments not only in class but also in outside activities.

University Awards

The **Pen and Podium Award** for excellence in communication is given to a graduating senior selected by the College of Arts & Sciences faculty in recognition of outstanding development and demonstration of communication skills within academic and/or competitive settings.

The **Da Vinci Award** for excellence in math and science is given to a graduating senior selected by the College of Arts & Sciences faculty in recognition of skills in math and science.

The **Criminal Justice Awards** are given to two students in the College of Arts & Sciences who have exceptional critical thinking skills and outstanding leadership qualities. These award recipients are actively involved in

networking with criminal justice professionals and are viewed by their peers and faculty as having a passion for the criminal justice field.

The **Vollrath Award** was established in 2002 to support and encourage College of Culinary Arts culinary and pastry arts students in their pursuit of academic excellence. This award recognizes high-achieving students who are employed in food service and engaged in the life of the university and their community. Additional requirements include a cumulative GPA of 2.75 or higher, two years' back-of-the-house experience, current employment in the field, and participation in at least two university events.

The **Outstanding Culinary Nutrition Student Award** is presented to an outstanding Culinary Nutrition bachelor's degree recipient who best exemplifies excellence in academics, devotion to community service, and enthusiastic university spirit.

The **Outstanding International Business Student Award** is presented by the faculty of the School of Business to the graduating senior who best exemplifies academic achievement within his or her chosen field of study and demonstrates a commitment to participating in university life and bettering the community in which he or she lives.

The **Outstanding Management Student Award** is presented by the faculty of the School of Business to the graduating senior who best exemplifies academic achievement within his or her chosen field of study and demonstrates a commitment to participating in university life and bettering the community in which he or she lives.

The **Outstanding Marketing Student Award** is presented by the faculty of the School of Business to the graduating senior who best exemplifies academic achievement within his or her chosen field of study and demonstrates a commitment to participating in university life and bettering the community in which he or she lives.

The **Fashion Forward Award** is presented to a Fashion Merchandising & Retailing student from the School of Business who reflects the characteristics of a commitment to hard work within the program and on the Denver Campus. This student also demonstrates fashion-forward thinking, the ability to communicate trends with cultural influences and the vision to understand the continued evolution of the fashion and retail industry.

The **Finance Award** goes to a School of Business student who has demonstrated outstanding performance in the disciplines of finance and accounting.

The **Outstanding Entrepreneurship Student Award** is presented by the Small Business Development Center. This award recognizes a School of Business student who displays committed dedication to entrepreneurial pursuits while making significant contributions to experiential education programs, enhanced community outreach and daily operations with the Denver Campus Small Business Development Center and its clients.

The **Golden Pineapple Award** is presented to an outstanding Restaurant, Food & Beverage Management bachelor's degree recipient in the School of Hospitality who best exemplifies excellence in academics, devotion to community service, and enthusiastic university spirit.

The **Spirit of Hospitality Award** is presented to an outstanding Sports/Entertainment/Event Management bachelor's degree recipient who best exemplifies excellence in academics, devotion to community service and enthusiastic university spirit.

The **Future Global Hotelier Award** goes to an outstanding Hotel & Lodging Management bachelor's degree recipient in the School of Hospitality who best exemplifies excellence in academics, devotion to community service and enthusiastic university spirit.

The **Future Restaurant Manager Award** goes to an outstanding restaurant management bachelor's degree recipient who best exemplifies excellence in academics, devotion to university and community service and consistently shows their dedication to the university spirit.

The **Career Jump-Start Award** goes to a School of Hospitality bachelor's degree recipient who maintained an above-average academic standing and a full-time industry position, displaying strong commitment to both the School of Hospitality and the hospitality industry.

The **Experiential Learning Champion** is presented by the School of Hospitality and goes to the graduating student who best maximized internship and part-time employment opportunities with hospitality industry employers during the course of their career at the university.

Scholarships

The **Founder's Award** is presented to rising sophomore, junior or senior students in the College of Management and College of Culinary Arts who, by their serious approach to career education and perseverance in their objectives, represent the ideals and principles expressed by the founders of Johnson & Wales University, Gertrude I. Johnson and Mary T. Wales. Students must have a minimum 3.4 cumulative grade point average (GPA) to be considered for this award.

The **Pioneer's Award** was established to honor Audrey Gaebe. This award is presented to rising sophomores and juniors enrolled in the College of Arts & Sciences who actively participate in the JWU campus community. Students must have a minimum 3.4 cumulative GPA to be considered for this award.

The **President's Award** is given to rising juniors in the College of Management and College of Culinary Arts, who perform in an outstanding capacity in academic pursuits, display leadership in extracurricular activities and show determination, cooperation and a strong college spirit. Students must have a minimum 3.4 cumulative GPA to be considered for this award.

Admissions

Johnson & Wales University's admissions process goes beyond simply looking for academically accomplished students. The university seeks to attract and retain highly motivated and demonstrably capable students. Students' motivation and interest in succeeding in their chosen careers are given consideration along with their academic achievements.

Applying for Admission

Please see the appropriate undergraduate or graduate section for information regarding applying.

Undergraduate

How to Apply

Students are encouraged to apply online (<http://admissions.jwu.edu/apply>) for quicker processing. Paper applications are also accepted. For either method, no application fee is required.

To submit your application on paper, you may request an application be mailed to you by contacting the Johnson & Wales Admissions office noted below.

Completed paper applications should be mailed to the following campus addresses:

Providence Campus

Admissions
Johnson & Wales University
8 Abbott Park Place
Providence, RI 02903

Be sure to complete your application in full, as an incomplete application could affect eligibility for Johnson & Wales scholarship programs. Additional information submitted after the initial application has been received will not be considered for additional scholarships. For U.S. students, eligibility for university need-based and federal aid is determined through the Free Application for Federal Student Aid (FAFSA).

In completing the application form, students must indicate the term in which they wish to enroll. Applications are accepted for terms beginning in the fall, winter and spring.

There is no deadline for submitting applications, but students are advised to apply as early as possible before their intended date of enrollment for full consideration, as some programs may become full.

Certain bachelor's degree programs are selective and require submission of an application at the end of the associate degree program before acceptance into a program. Students should check program descriptions if they are interested in applying for both an associate and a bachelor's degree program.

After completing the application form, students are responsible for requesting that their high school guidance office forward to the university an official copy of the secondary school record for admissions consideration.

When possible, Johnson & Wales University would prefer to receive the applicant's high school transcripts at the same time as the application for admission. Transfer students must also submit official transcripts from all high schools and colleges attended.

Students applying for admission to a continuing education program at JWU's Providence (<http://catalog.jwu.edu/admissions/applying/providence-ce>) or Denver (<http://catalog.jwu.edu/admissions/applying/denver-ce>) campuses should refer to these catalogs for admissions information.

High School Completion Verification

Graduation from high school or equivalent education as certified by state departments of education is required for undergraduate admission. Graduation verification documents must be submitted to Admissions. Official verification documents include at least one of the following: correspondence from an authorized high school administrator, a high school diploma/transcript recognized by the student's state department of education or high school equivalency exam. Additional methods of verification of high school completion exist for home-schooled students (p. 97). It is the student's responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

International students should refer to the international (p. 98) section of this catalog for admissions information.

Admissions Requirements

Please select the appropriate tab for information regarding admissions requirements.

Undergraduate

Test Scores

SAT and ACT scores are not required for general admission to the university, but are strongly recommended. The SAT or ACT is required for home-schooled students (p. 97).

Candidates for the university's honors program must submit SAT or ACT scores for acceptance consideration. Admission standards may vary for international (p. 98) and transfer students (p. 96).

Minimum Grade Requirements

There are certain majors that may have grade point average, course, academic or other requirements. For further information, please contact the admissions office.

Business Studies

- Students must have attained an associate degree or equivalent in any program.

Certain programs of study include technical standards in the academic requirements essential to the program. Students with disabilities should contact the Center for Academic Support for information about the technical standards. See technical (p. 97) standards (p. 97) for descriptions of the applicable technical standards. Copies of the technical standards applicable to various programs are also available from the Center for Academic Support.

For additional admissions requirements please review the other topics listed in the Applying (p. 94) section of this catalog.

Graduate

To be considered for admission into a JWU graduate program, the following documents must be submitted:

- A completed application (<http://admissions.jwu.edu/apply>) for admission.
- Graduate Studies students must submit official or certified transcripts/mark sheets from all institutions attended including bachelor's degree conferral. When a graduate program application is submitted prior to completing requirements for the bachelor's degree, Graduate Admissions will consider the application and, if admissible, will offer an acceptance pending submission of final transcript verifying bachelor degree conferral. **Without such verification, students will not be allowed to register for the current term or continue enrollment and will be in jeopardy of losing their academic status with the university.**
- Two letters of recommendation from individuals qualified to acknowledge the applicant's potential for successful completion of the graduate program. These letters may be emailed (denvergrad@admissions.jwu.edu) or faxed to 303-256-9333.

Please Note: The minimum grade point average (GPA) and additional requirements for each program are noted below.

Students who do not meet the minimum GPA requirements of any graduate business program (excluding 4 + 1) as indicated below will be given consideration for admittance to the program desired if acceptable GMAT/GRE scores are also submitted.

Admissions Decision

Please see the appropriate section for information regarding undergraduate and graduate admissions decisions.

Undergraduate

The rolling admissions policy of the university makes it possible to notify students of the admissions decision, of their acceptance or of any additional conditions necessary for admission, soon after all of their academic records have been received and reviewed.

The \$300 reservation fee (\$500 for Equine Business Management/Riding students) is payable upon acceptance to the university. The university observes the May 1 reservation fee deadline and encourages students to research all schools before placing a reservation fee. Reservation fees received after May 1, 2015 will be accepted on the basis of space availability. Reservation fees received prior to May 1, 2015 are refundable. The student's account must be cleared by Student Financial Services by the July deadline to receive a room assignment. To best ensure consideration for on-campus housing, it is important to meet all deadlines throughout the enrollment process.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2015. After May 1, 2015 the reservation fee of \$300 (or \$150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

The university may revoke any student's acceptance or enrollment if any information or documentation provided by the student is false or incomplete, or if the university learns of any past or present misconduct by the student

that would affect the student's ability to represent and uphold the high standards of the university.

Graduate

The rolling admissions policy of the university makes it possible to notify students of the admissions decision, of their acceptance or of any additional conditions necessary for admission, soon after all of their academic records have been received and reviewed.

The \$100 reservation fee is payable upon acceptance to the university. This fee is credited to students' initial billings.

Requests within two years for refunds of the reservation fee will be granted upon written request to the university prior to enrollment and are transferable with a change in enrollment date. The university may revoke any student's acceptance or enrollment if any information or documentation provided by the student is false or incomplete or not acceptable, or if the university learns of any past or present misconduct by the student that would affect the student's ability to represent and uphold the high standards of the university.

Deferred Enrollment

Please see the appropriate section for information regarding deferred enrollment.

Undergraduate

Johnson & Wales offers a two-year deferred enrollment to students who have applied and been accepted to the university but, for various reasons, wish to postpone their enrollment. Johnson & Wales University retains student application material and will honor the admissions decision for up to two years; after that time frame, the applicant will need to submit a new application and transcript for review. Reservation fees will remain effective during the deferment period. Merit scholarships awarded through the application process will be honored for up to two years from the time of initial acceptance. Federal student aid is awarded annually; a student must reapply for federal funds through the Free Application for Federal Student Aid (<https://fafsa.ed.gov>) (FAFSA).

Graduate

Johnson & Wales University retains student application material for up to two years. An admissions decision will be honored for up to two years from the date of acceptance; after that time frame, the applicant will need to submit a new application and transcript for review. Reservation fees will remain effective during the deferment period. For Physician Assistant students, an acceptance is only applicable for the term originally accepted. To apply for another term, applicants must reapply through the Central Application Service for Physician Assistants (CASPA) application.

Students wishing to change their selected date of enrollment should forward a request to Graduate Admissions stating the term in which they wish to enroll. International applicants must submit an updated bank statement demonstrating financial support. Please note that some programs start only once each year. Federal student aid is awarded annually; a student must reapply for federal funds through the Free Application for Federal Student Aid (<https://fafsa.ed.gov>) (FAFSA).

Advanced Placement Credit

Students entering Johnson & Wales University with an Advanced Placement test score of 3 or greater will be granted 4.5 quarter credits for the equivalent JWU course. Students must submit an official AP Grade Report from the College Board Advanced Placement Program. For more information about AP credit, contact University Testing & Transfer.

The Physician Assistant program does not accept CLEP or Advanced Placement (AP) credits to fulfill prerequisite courses. Admissions we will consider AP credits for one of the English course prerequisites on a case-by-case basis.

Transfer Credit

Course work completed at institutions recognized by a U.S. Department of Education accrediting agency or international Ministry of Education is eligible for transfer credit; however, transfer credit is not guaranteed.

Please see the appropriate section for detailed transfer credit policies.

Undergraduate

Course work completed at institutions recognized by a U.S. Department of Education accrediting agency or international Ministry of Education is eligible for transfer credit; however, transfer credit is not guaranteed.

Transfer credit evaluations are based on previous college work as it relates to the student's intended program of study. It is the university's policy to accept credits, but not grades. Only grades earned at Johnson & Wales University are calculated into the cumulative grade point average. Students must meet the residency requirement (p. 89) for their intended degree.

JWU has a number of articulation agreements (<https://www.jwu.edu/content.aspx?id=53299>) and transfer credit equivalencies in place that facilitate student transfer to Johnson & Wales University. The university works closely with all colleges who wish to articulate with JWU and continuously works to develop new partnerships. The Transfer Evaluation System (https://tes.collegesource.com/view/tes_view01.asp?rid=%7B145040A7-7365-4840-8A90-B20C0B6FFB26%7D&aid=%7B5C721B0F-0E7E-4E91-9399-06A81322B340%7D) provides students with information on the courses (domestic institutions only) that have previously been evaluated and accepted at Johnson & Wales University.

Transfer applicants should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending another college to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment.

Transcripts must be in English; students are responsible for providing official word-for-word English translations, if needed. The student must also have earned a grade of C or better (2.00 GPA), and courses must be similar in level, content and duration to JWU courses in the student's intended program of study. Grades of "pass" are also acceptable for transfer if credit was awarded (and a grade of "P" has the numeric GPA value of 2.00 or greater). Credits earned in developmental and remedial courses or CEUs (continuing education units) are nontransferable. In some cases, official course descriptions or syllabi will be required for evaluation.

Accepted students will be sent a copy of their degree audit showing the credit accepted toward their program of study. Students wishing to review transfer credits must contact a transfer student advisor in Student Academic & Financial Services (for domestic institution transcripts) or International Admissions (for international institution transcripts).

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

Graduate

Master's degree applicants with graduate-level course work taken at approved colleges and universities will be evaluated for possible transfer credit. Transfer credit evaluations are based on previous college work as it relates to the student's intended program of study. It is the university's policy to accept credits, but not grades. Only grades earned at Johnson & Wales University are calculated into the cumulative grade point average.

Applicants should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending another college to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment.

Transcripts must be in English; students are responsible for providing official word-for-word English translations, if needed. The student must also have earned a grade of B or better (3.00 GPA), and courses must be similar in level, content and duration to JWU courses in the student's intended program of study. In some cases, official course descriptions or syllabi will be required for evaluation. Courses will be approved by the dean.

A maximum of 20% of the program's credits can be awarded as transfer credit for courses completed with a grade of B or better (3.00 GPA) at another institution accredited by an accrediting agency recognized by the U.S. Department of Education or International Ministry of Education.

Accepted students will be sent a copy of their degree audit showing the credit accepted toward their program of study. Students wishing to review transfer credits must contact a transfer student advisor in Student Academic & Financial Services (for domestic institution transcripts) or International Admissions (for international institution transcripts).

Once enrolled in a JWU master's degree program, a student may not take courses elsewhere and apply them for transfer credit. Transfer credits should be requested prior to initial matriculation into a JWU master's degree program.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

Prerequisite and Foundation Courses

Prerequisite courses are undergraduate classes required for students who need to prepare for graduate study. For possible exemption from prerequisite courses, candidates must ensure all official college and university transcripts are submitted prior to enrolling at JWU. In some cases, official course descriptions or syllabi will be required for evaluation. Transcripts must be in English; students are responsible for providing official translations, if needed. Only courses similar in level, content and duration to JWU courses in the student's intended major, and where the student has earned a grade of C or better (2.00 GPA), are eligible for possible exemption. Specific graduate degree program prerequisite requirements are listed in Admissions Requirements (<http://catalog.jwu.edu/admissions/applying/admissionsrequirements/#graduatetext>).

Foundation courses are graduate-level courses that may be required of some students whose previous academic background does not reflect the course content described. For possible exemption from foundation courses, candidates must ensure all official college and university transcripts are submitted prior to enrolling at JWU. In some cases, official course descriptions or syllabi will be required for evaluation. Transcripts must be in English; students are responsible for providing official translations, if needed. Only courses similar in level, content and duration to JWU courses in the student's intended major, and where the student has earned a grade of B or better (3.00 GPA), are eligible for possible exemption. Specific graduate degree program foundation requirements are listed in Admissions Requirements (<http://catalog.jwu.edu/admissions/applying/admissionsrequirements/#graduatetext>).

Students will be sent a copy of their degree audit reflecting any foundation requirements towards their program of study. Students wishing to review credits for foundation courses must contact a transfer student advisor in Student Academic & Financial Services (for domestic institution transcripts) or International Admissions (for international institution transcripts).

Home-Schooled Students

Home-schooled students will be required to provide a high school transcript and a copy of their ACT or SAT test scores. Both the grades on the transcript and the ACT/SAT test scores will be reviewed to determine admissions and scholarship eligibility. Combined SAT scores of 1000 (reading and math, 500 each) or ACT equivalent are required for admittance.

A home-schooled student must be able to document that he or she has completed high school. Verification documents for home-schooled students include at least one of the following:

- a high school diploma recognized by their state department of education
- high school equivalency exam

or, with respect to home-schooled students who are above the compulsory age of school attendance,

- a secondary school completion credential for home school (other than a high school diploma or high school equivalency exam) provided for under state law

or

- if state law does not require a home-schooled student to obtain the credential described in the preceding bullet, a certification from a party acceptable to the university that the student has completed a secondary school education in a home-school setting that qualifies as an exemption from compulsory attendance requirements under state law

It is the student's responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

Early Enrollment

The Early Enrollment Program gives high school seniors an opportunity to enroll full time in college courses at JWU during their senior year of high

school. Students should apply for admission to the Early Enrollment Program during their junior year of high school*.

The Early Enrollment Program was designed to help students investigate the variety of college and career options available to them. Early Enrollment Program students earn college credits while completing high school graduation requirements.

* International students on an F-1 visa are not eligible for the Early Enrollment Program.

Military

Johnson & Wales University is approved for the training of veterans by the state approving agency.

Eligible veterans should contact the Department of Veterans Affairs toll free at 1-888-442-4551 or online at www.gibill.va.gov (<http://www.gibill.va.gov>).

International Admissions Requirements

Johnson & Wales University's admissions process goes beyond simply looking for academically accomplished students. The university seeks to attract and retain highly motivated and demonstrably capable students. Students' motivation and interest in succeeding in their chosen careers are given consideration along with their academic achievements.

While not required for all programs of study, students are encouraged to submit employment information, resume/CV and letters of recommendation for admissions consideration.

Undergraduate

Applicants who are not U.S. citizens or permanent residents (holding a "green card" or permanent resident card) of the U.S. must meet the same admissions requirements as all other applicants, including some additional documentation. To expedite the admissions process, applicants must enclose OFFICIAL or CERTIFIED documents from the institution or authorizing body when submitting an application. Photocopies, fax copies, U.S. notary copies, scanned or emailed documents are not valid. Note: Currently the university is not accepting applications for online degree programs from international students.

These international applicants must submit the following:

1. An accurate, complete and legible international application form that has been signed and dated by the applicant. All schools attended must be listed, with dates of attendance.
2. Certified bank statement or government sponsorship letter verifying financial support for one academic year. Bank statements cannot be older than three months from the time of issue.
3. Completed financial declaration (<http://admissions.jwu.edu/uploadedFiles/Content/Documents/JWUIntlUgradDeclarationFinancialSupportUNIV.pdf>) signed by both the applicant and the sponsor
4. English Language Proficiency test results (See English Language Proficiency (<http://catalog.jwu.edu/admissions/international/englishlanguageproficiency>) and English Proficiency Requirements (p. 99))
5. Official secondary school transcript showing subjects and marks received with graduation date. Diplomas and any external examination results should be submitted, if applicable. Students who have not yet graduated from secondary school must submit a transcript showing all completed work, and expected results and graduation date may be submitted for review.
6. Applicants who have attended any college or university must submit transcripts, marks sheets, diplomas or certificates from all post-secondary institutions attended, along with course descriptions and credit values for transfer review.
7. Copy of biographical section of applicant's current passport.
8. Certified word-for-word translations of all non-English credentials must be submitted.

All documents and information should be clear and legible; if important information cannot be read by the International Admissions staff, the

admissions process is delayed and, as a result, so is the acceptance/Form I-20 process.

All documents must be sent to the campus where you intend to enroll:

Graduate

Graduate programs are available to international students at our Providence Campus only. Applicants who are not U.S. citizens or permanent residents (holding a "green card" or permanent resident card) of the U.S. must meet the same admissions requirements as all other applicants, including some additional documentation. International Graduate Studies students must submit official or certified transcripts/mark sheets from all institutions attended and diploma showing bachelor's degree conferral. **Without such verification, students will not be allowed to register for the current term or continue enrollment and will be in jeopardy of losing their academic status with the university as well as their immigration status.** For international students, a loss of immigration status will require their immediate departure from the U.S. Photocopies, fax copies, U.S. Notary copies, scanned or emailed documents are not valid. Note: Currently the university is not accepting applications for online degree programs from international students.

English language examination results must be submitted on an official test transcript that is no more than two years old. Please see English Proficiency Requirements (p. 99) for scores required for admission.

The following documents are not required for admission to the University, but are mandatory for immigration purposes. An I-20 will not be issued until these documents have been received:

1. Declaration of Financial Support (<http://admissions.jwu.edu/uploadedFiles/Content/Documents/JWUGradInternationalFinancialSupportPVD.pdf>) signed by both the applicant and the sponsor.
2. Certified bank statement or government sponsorship letter verifying financial support for one academic year. Bank statements cannot be older than three months from the time issued. The amount required may vary according to the academic program of admission.
3. Copy of the biographical section of your current passport

All documents and information should be clear and legible; if important information cannot be read by the International Admissions staff, the admissions process is delayed and, as a result, so is the acceptance/Form I-20 process.

All documents must be sent to the Providence Campus:

Form I-20/Visa

Initial Form I-20

Responsibility for obtaining the approved visa classification rests entirely with students. Students entering the United States to study will need an F-1 international student visa. In order to obtain the necessary visa, students must submit the valid Form I-20 for an F-1 visa to the United States Embassy or Consulate in the country of residence. In addition to these forms, students will have to present a passport and evidence of financial support.

Johnson & Wales University will send the Form I-20 after students have been accepted and have submitted evidence of financial support. International students must register for the term for which admission is offered and must maintain full-time status during the academic year.

Students are admitted to the United States to attend the school that issued their I-20 form. Using an initial attendance I-20 from one school to gain admission to the United States to attend another school is a violation of U.S. immigration law. Students must attend the institution that they are authorized to attend.

International Transfer Students

International students currently studying in the U.S. who seek enrollment in a JWU program are required to submit a Transfer Release Form (completed by the foreign student advisor at the institution last attended) prior to receiving a Form I-20.

English Language Proficiency

Applicants whose native language is not English must provide proof of English proficiency through academic transcripts or testing. English language proficiency is required for admission to all programs of study at Johnson & Wales University, regardless of country of citizenship or residency.

ELS Program

Johnson & Wales University's collaboration with the ELS Language Center in Westminster, Colorado, is designed to help students satisfy the school's English proficiency requirement. The center provides an intensive English language program and is authorized to issue an I-20 to all qualified students. The center provides housing assistance throughout the course of study. Upon successful completion of the center's Level 112, students are prepared to meet the university's language requirement.

English Proficiency Requirements

Johnson & Wales University recognizes a number of examinations as proof of English proficiency (<http://catalog.jwu.edu/admissions/international/englishlanguageproficiency>). Acceptable proof of English proficiency may include one of the following comparable English proficiency examinations:

Examination	Score
PTE Academic (Pearson Test of English)	53
IELTS (International English Language Testing System, Cambridge)	6.5
TOEFL iBT (Test of English as Foreign Language internet, ETS)	80
TOEFL PPT (Test of English as Foreign Language paper, ETS)	550
ELS Level 112 Certificate of Completion and Academic Report	Transcript
City & Guilds Pitman ESOL Examinations	Higher Intermediate or Expert Level
CAE (Certificate in Advanced English, Edexcel)	C1 or C2 Level
LTE (The London Tests of English)	Level 4 (Advanced)

MELAB (Michigan English Language Battery)	77
SAT Critical Reading and Writing	Section scores of 450 in each
ACT English/Writing	Combined score of 19
ACT English and Reading	Section scores of 19 in each
S.T.E.P. Eiken (Society for Testing English Proficiency)	Grade 1

Other English language examination results will also be considered, and experience studying in the English language, as documented through school transcripts, will be taken into consideration.

To meet English proficiency requirements, all English language examination results must be submitted on an official test transcript that is no more than two years old. TOEFL scores must be received as official ETS scores. The Johnson & Wales University Designated Institution (DI) code is 3465. Students should use this code on their TOEFL registration form so that their scores will be sent directly to Johnson & Wales University.

Students may be exempted from individual ESL classes based on their individual test section scores. Individual section scores and total scores must also meet minimum score requirements; Johnson & Wales University also reserves the right to require a student to take ESL classes to increase proficiency in a particular area, regardless of total test scores.

High School/College Verification

All students who have been accepted for admission to Johnson & Wales University must provide verification of high school completion. International students need to submit an **official final** transcript and diploma or official examination results. Transfer students must submit official high school transcripts/diploma as well as official final transcripts from previous colleges/universities attended. International Graduate Studies students must submit official transcripts/mark sheets from all institutions attended and diploma showing bachelor's degree conferral. **Without such verification, students will not be allowed to register for the current term or continue enrollment and will be in jeopardy of losing their academic status with the university as well as their immigration status.** For international students, a loss of immigration status will require their immediate departure from the U.S.

International Transfer Credit

Course work completed at institutions recognized by a U.S. Department of Education accrediting agency or international Ministry of Education is eligible for transfer credit; however, transfer credit is not guaranteed.

Please see the appropriate section for detailed transfer credit policies.

Undergraduate

Course work completed at institutions recognized by a U.S. Department of Education accrediting agency or international Ministry of Education is eligible for transfer credit; however, transfer credit is not guaranteed.

Transfer credit evaluations are based on previous college work as it relates to the student's intended program of study. It is the university's policy to accept credits, but not grades. Only grades earned at Johnson & Wales University are calculated into the cumulative grade point average. Students must meet the residency requirement (p. 89) for their intended degree.

JWU has a number of articulation agreements (<https://www.jwu.edu/content.aspx?id=53299>) and transfer credit equivalencies in place that facilitate student transfer to Johnson & Wales University. The university works closely with all colleges who wish to articulate with JWU and continuously works to develop new partnerships. The Transfer Evaluation System (https://tes.collegesource.com/view/tes_view01.asp?rid=%7B145040A7-7365-4840-8A90-B20C0B6FFB26%7D&aid=%7B5C721B0F-0E7E-4E91-9399-06A81322B340%7D) provides students with information on the courses (domestic institutions only) that have previously been evaluated and accepted at Johnson & Wales University.

Transfer applicants should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending another college to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment.

Transcripts must be in English; students are responsible for providing official word-for-word English translations, if needed. The student must also have earned a grade of C or better (2.00 GPA), and courses must be similar in level, content and duration to JWU courses in the student's intended program of study. Grades of "pass" are also acceptable for transfer if credit was awarded (and a grade of "P" has the numeric GPA value of 2.00 or greater). Credits earned in developmental and remedial courses or CEUs (continuing education units) are nontransferable. In some cases, official course descriptions or syllabi will be required for evaluation.

Accepted students will be sent a copy of their degree audit showing the credit accepted toward their program of study. Students wishing to review transfer credits must contact a transfer student advisor in Student Academic & Financial Services (for domestic institution transcripts) or International Admissions (for international institution transcripts).

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

Graduate

Master's degree applicants with graduate-level course work taken at approved colleges and universities will be evaluated for possible transfer credit. Transfer credit evaluations are based on previous college work as it relates to the student's intended program of study. It is the university's policy to accept credits, but not grades. Only grades earned at Johnson & Wales University are calculated into the cumulative grade point average.

Applicants should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending another college to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment.

Transcripts must be in English; students are responsible for providing official word-for-word English translations, if needed. The student must also have earned a grade of B or better (3.00 GPA), and courses must be similar in level, content and duration to JWU courses in the student's intended program of study. In some cases, official course descriptions or syllabi will be required for evaluation. Courses will be approved by the dean.

A maximum of 20% of the program's credits can be awarded as transfer credit for courses completed with a grade of B or better (3.00 GPA) at another institution accredited by an accrediting agency recognized by the U.S. Department of Education or International Ministry of Education.

Accepted students will be sent a copy of their degree audit showing the credit accepted toward their program of study. Students wishing to review transfer credits must contact a transfer student advisor in Student Academic & Financial Services (for domestic institution transcripts) or International Admissions (for international institution transcripts).

Once enrolled in a JWU master's degree program, a student may not take courses elsewhere and apply them for transfer credit. Transfer credits should be requested prior to initial matriculation into a JWU master's degree program.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

Prerequisite and Foundation Courses

Prerequisite courses are undergraduate classes required for students who need to prepare for graduate study. For possible exemption from prerequisite courses, candidates must ensure all official college and university transcripts are submitted prior to enrolling at JWU. In some cases, official course descriptions or syllabi will be required for evaluation. Transcripts must be in English; students are responsible for providing official translations, if needed. Only courses similar in level, content and duration to JWU courses in the student's intended major, and where the student has earned a grade of C or better (2.00 GPA), are eligible for possible exemption. Specific graduate degree program prerequisite requirements are listed in Admissions Requirements (<http://catalog.jwu.edu/admissions/applying/admissionsrequirements/#graduatetext>).

Foundation courses are graduate-level courses that may be required of some students whose previous academic background does not reflect the course content described. For possible exemption from foundation courses, candidates must ensure all official college and university transcripts are submitted prior to enrolling at JWU. In some cases, official course descriptions

or syllabi will be required for evaluation. Transcripts must be in English; students are responsible for providing official translations, if needed. Only courses similar in level, content and duration to JWU courses in the student's intended major, and where the student has earned a grade of B or better (3.00 GPA), are eligible for possible exemption. Specific graduate degree program foundation requirements are listed in Admissions Requirements (<http://catalog.jwu.edu/admissions/applying/admissionsrequirements/#graduatetext>).

Students will be sent a copy of their degree audit reflecting any foundation requirements towards their program of study. Students wishing to review credits for foundation courses must contact a transfer student advisor in Student Academic & Financial Services (for domestic institution transcripts) or International Admissions (for international institution transcripts).

Articulation Agreements

Johnson & Wales University is proud to maintain a variety of international relationships through articulation agreements and transfer equivalencies with institutions and programs that facilitate student transfer to JWU for bachelor's degree completion. The university is continuously working to develop partnerships with institutions around the world for the purpose of offering diverse educational opportunities for transfer students. Please note that all majors are not offered at each campus, which may affect articulation agreement eligibility. Contact Admissions at the specific campus for more information. International Articulation Agreements include

- At-Sunrice Global Chef Academy, Singapore
- Barbados Community College, Barbados
- Bermuda College, Bermuda
- College of the Bahamas (COB), Bahamas
- Florence University of the Arts (Apicius), Italy
- Guangzhou University, China

NOTE: Currently the university is not accepting applications for online degree programs from international students.

Placement Testing

Placement tests are used to place students into appropriate mathematics and English classes. Modern language tests (French, German and Spanish) as well as English as a Second Language are also available. See the appropriate section to review specific placement testing requirements.

Academic Support and Disability Accommodations

Students with a documented disability requiring special accommodations must forward documentation to the Center for Academic Support (p. 114) at least two weeks prior to placement testing to ensure that accommodations can be made. No accommodations will be provided without appropriate documentation submitted prior to testing. Students who have already participated in placement testing and submit appropriate documentation will have the opportunity to retest with the accommodations in place.

Mathematics and English

Mathematics and English placement tests are required for all new undergraduate students, including transfer students, prior to orientation or attending classes. Transfer students may be exempt from placement testing if transfer credit has been awarded for the appropriate mathematics and English courses.

The university administers ACCUPLACER mathematics and English placement tests to assess students' skills in these areas. The mathematics test is designed to evaluate skills in relation to those required for college math courses. English placement testing includes a reading comprehension test which evaluates comprehension skills, and a sentence skills test which evaluates writing skills. The ACCUPLACER exams are computer based tests (CBT) developed by College Board.

All of these tests are placement tests - students do not "pass or fail" them and they do not affect admission to the university. They are used to place students in the appropriate courses, based upon their skills.

After acceptance, students will be emailed information about completing required mathematics and English placement testing online with a virtual proctor. Virtual proctoring allows students to take placement tests online in a quiet and distraction-free location, such as home. Online testing appointments are available 7 days a week, 24 hours a day, and require no software installs. All that is needed is a simple webcam, access to the internet, and a voucher code that will be provided by the university. There is no charge for virtual proctoring. Students will receive a score report immediately following ACCUPLACER administration. Students will also be contacted by an academic counselor in Student Academic & Financial Services a week after they have completed placement testing to discuss their placement and course registration.

Students requesting to retake their placement exam may do so by contacting Student Academic & Financial Services. Students will be allowed one retake 30 days after their initial testing and at no charge.

Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) for additional information.

Modern Languages

All undergraduate students who have studied more than one year of French, German or Spanish are required to take a placement exam for that language. The placement exam will be scheduled at the beginning of each term. Students whose placement score indicates they have met a particular level of language proficiency will not be allowed to enroll in that language level. Students placing out of a required level of a language will be given the option to apply for the Departmental Challenge Examination to earn these credits (fees apply) or replace these credits with arts and sciences electives.

Visit Testing & Placement dates (http://linkweb.jwu.edu/Testing_Placement_Dates) for additional information.

English as a Second Language (ESL)

Students admitted into the ESL Program are required to complete the Levels of English Proficiency (LOEP) Test to assess their English Language proficiency prior to registering for courses in their intended program of study. This test includes three sections: reading, language usage, and sentence meaning. The placement test will be scheduled at the beginning of each term. The university uses the ACCUPLACER computer-based placement testing system.

Results of the LOEP placement testing will determine whether students are placed into the Beginner, Intermediate, or Advanced levels of ESL courses. Students with a score of 315 or higher on the LOEP Test can take the Institutional TOEFL Test (ITT) and with a minimum test score of 550, can exit the program and enroll directly in their degree program courses. Students with a test score under 550 on the ITT will have their individual section scores reviewed in the areas of listening, grammar, and reading. Section scores with a minimum of 550 on the ITT will exempt the student from the corresponding ESL class. Students who do not complete the required LOEP test will automatically be placed into Beginner level ESL courses.

Learning Assessment

By successfully completing one of the Prior Learning Assessment options (Portfolio Assessment, College Level Examination Program (CLEP) or Departmental Challenge Examinations), students may earn undergraduate course credit for previous academic and/or prior learning experiences.

Policies for Prior Learning Assessment

1. Students must consult with an academic counselor prior to applying for Challenge Examinations or Portfolio Development.
2. Course prerequisite requirements must be completed before permission to take Challenge Examinations or Portfolio Development will be granted.
3. Students may not apply for an assessment as a substitute for a class where a withdrawal (W) grade has been issued. They may not be substituted for a class previously taken or a class in which the student is presently registered.
4. Assessments are for academic credit and carry nonrefundable fee(s).
5. Assessments must fall within the residency requirement (<http://catalog.jwu.edu/handbook/academicinformation/residencyrequirement>) for each degree.
6. The CLEP Exam requires a passing score of 50 or higher for CLEP credit to be awarded.
7. CLEP Exams, if failed, can be repeated in three months.
8. Portfolio Assessment and Challenge Exams cannot be repeated if failed.
9. The university recognizes up to a maximum of 45 undergraduate credits earned through Prior Learning Assessment.
10. Students must present a valid picture ID when testing.

Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) for complete policies, course options, deadlines, examination dates and fees.

In all cases, the academic department determines policy as it relates to the testing options for each course in the department. Several options may be available to students, and it is recommended that students seek the advice of an academic counselor.

Portfolio Assessment

(for credit, with fees)

Undergraduate students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources.

Students are required to meet with an academic counselor to discuss these options as well as have successfully completed ENG1020 English Composition prior to applying for the Portfolio Assessment.

Students must complete the mandatory online Portfolio Development Seminar before submitting a finalized portfolio for review. While there are no regularly scheduled meetings, students are expected to participate in the seminar activities that lead toward the completion of the portfolio. The individual components of the portfolio are covered in self-paced segments.

Portfolios must be submitted within one year of the application date. Completed Portfolios will be submitted electronically to the appropriate department designee for review. Students will be notified of outcome once assessment is completed. If a portfolio is denied for credit, students have 10 days upon notification to file a written appeal for review.

Once the seminar is completed, eligible students, in consultation with an academic counselor, may submit additional portfolios.

Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) to review the full testing brochure for policies, course options, deadlines, examination dates and fees.

College Level Examination Program (CLEP)

(for credit, with fees)

The College-Level Examination Program (CLEP) is a credit-by-examination program, sponsored by the College Board, that gives students the opportunity to earn college credit by earning qualifying scores on a variety of exams.

JWU subject equivalencies for each CLEP examination are determined by the respective academic department at the university. The university accepts the American Council on Education (ACE) recommended passing score of 50.

Dependent on their benefits election, some veterans can claim reimbursement for CLEP exams and exam administration fees. For more information, please visit the CLEP for Military webpage (<http://clep.collegeboard.org/military/veterans>).

Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) for complete policies, course options, deadlines, examination dates and fees.

Departmental Challenge Examination

(credit by examination: for credit, with fees)

Departmental exams may be taken for specifically designated undergraduate courses within a department. All matriculating students with previous academic and/or work experience may request such an exam when they feel they have acquired the knowledge of a specific JWU course.

Some testing options require specific criteria in order to take tests. Visit Testing Services (http://linkweb.jwu.edu/Registration_and_Grades/Testing_for_Credit) for complete policies, course options, deadlines, examination dates and fees.

Accelerated Programs

Johnson & Wales University offers the following accelerated programs. For more information, contact Admissions at the campus of your choice.

Culinary Advanced Standing

Prospective students who possess advanced knowledge and skills in food-related areas may apply for the Culinary or Baking & Pastry Advanced Standing Examination after they have been accepted to the university. The results of the examination are considered in addition to academic records and a letter of recommendation from a food-related employer and/or teacher.

It is generally recommended that applicants to this program complete an advanced food service curriculum or have a minimum of two to five years of extensive food service work experience.

Students who are selected for this accelerated program are required to complete a 10-week summer program. Upon successful completion of the summer program, students attain sophomore standing in the fall.

Contact Admissions for further information.

FAST and College Credit

Johnson & Wales University offers students an opportunity to earn credits toward a JWU degree while they are still in high school. The College of Culinary Arts offers credit to students through the Freshman Advanced Study Tract (FAST) Program. Students may qualify for credit by meeting the following requirements:

- Be enrolled in an approved FAST school program.
- Complete a minimum of two years in an approved commercial foods program.
- Earn a minimum of a B (3.0) grade point average for the commercial foods program.
- Meet all of the requirements for acceptance to Johnson & Wales University.
- Students must successfully pass a three-hour practical exam. (There is a \$300 fee for this exam.)

NOTE: FAST applies only to culinary majors. It is not applicable to baking & pastry majors.

Upon successful completion of the above requirements, qualified applicants may receive a total of nine (9) quarter credits toward their JWU degree. For more information regarding school requirements for the FAST program or the FAST practical exam, contact Admissions.

Students enrolling in programs in other JWU colleges and schools may also be eligible to earn transfer credits through our Credit for College Program. By successfully completing one of the options offered (Challenge, CLEP or Portfolio Assessment), undergraduate students may earn course credit for previous academic and/or prior learning experiences.

For more information about the FAST or Credit for College programs, contact Admissions.

International High School Credentials for Transfer

International Baccalaureate

Johnson & Wales University recognizes the International Baccalaureate Diploma and Certificate Examination. JWU will award 4.5–9.0 quarter credits for standard and higher-level exams with a score of 4 or better as applicable for the intended JWU major. Students must submit an official IBO examination transcript from the International Baccalaureate Organization.

General Certificate of Education Advanced Level (A-level)

Johnson & Wales University will award up to 12 quarter credits per subject for GCE Advanced Level Examinations (excluding General Paper) passed with grade equivalents of C or better. Up to six quarter credits may be awarded for GCE AS (Advanced Subsidiary) examinations. Students must submit an official or verified certificate or statement of results issued by the U.K. examinations board.

SHARP

Special Honors and Rewards Program (SHARP) is an honors program designed for qualified full-time undergraduate students in a day program who wish to accelerate their program to complete degree requirements in less than the normally required time. This is accomplished by increasing the student's course load each term as scheduling permits. SHARP results in savings of time and expenses for eligible students. Day program students accepted into SHARP may register for up to 25.0 quarter credits each term with no additional fees. Interested students must complete a SHARP application, returning the completed form to Student Academic & Financial Services. The following students are eligible for SHARP:

1. Incoming freshmen who are honors graduates of approved secondary schools, have been elected to their state or national honor society, or have maintained a minimum GPA of 3.0
2. New transfer students who maintained full-time enrollment at a previous institution and each term earned a cumulative GPA equivalent to Dean's List status for that institution
3. Students who have maintained full-time enrollment at JWU and a cumulative GPA of 3.40 at the end of each term

Note: The only exception to this policy is the first term of enrollment at JWU, during which the cumulative GPA may be less than 3.40.

If a student does not exercise this option, SHARP eligibility may continue provided that the student maintains continuous full-time matriculation while maintaining a cumulative 3.40 GPA after all terms. The benefits provided by SHARP are not applicable during full-time internship terms or for an additional culinary/pastry laboratory class. Preferred scheduling and graduation acceleration are not guaranteed.

Failure to maintain a cumulative GPA of 3.40 or better after each term will cause the student to become permanently ineligible for the benefits provided by SHARP. Student Academic & Financial Services will only notify a student of their withdrawal from the SHARP program via their JWU email account, and it is the student's responsibility to drop extra credits, if registered, to avoid incurring additional charges.

4+1 B.S./MBA/M.S. Programs

The five-year B.S. and MBA or M.S. programs allow JWU full-time day seniors to earn a bachelor's degree in their major plus an MBA or an M.S. Depending on when students enter the program, they may complete their master's level study in 12-15 months. Qualified students may enroll in a graduate course each term of their senior year and complete up to three graduate courses (with no additional charge) at Johnson & Wales while completing their bachelor's degree.

4+1 degree programs are offered at the Providence and Denver campuses. Please see the Admissions Requirements (<http://catalog.jwu.edu/admissions/applying/admissionsrequirements/#graduatetext>) section of the catalog for more information.

Financing Your Education

This section of the catalog contains information on tuition and fees, financial policies and obligations, financial aid and payment options. There is also information on loans, grants, scholarships and work programs for eligible students depending on campus and degree program.

Tuition and Fees

The following tuition and fees schedule is effective for the 2015–16 academic year. Tuition and fees are subject to change annually.

Undergraduate Tuition

Tuition is applicable to all students, including those in approved off-campus programs such as study abroad and internships. Students enrolled in courses in excess of a normal full-time schedule will be assessed an additional tuition charge. For purposes of tuition billing and financial aid eligibility, full-time status is determined on a term basis and consists of 12 to 21 quarter credit hours per term. Students carrying more than 21 quarter credit hours will be charged for each quarter credit over 21. When repeating courses already attempted, students may be assessed a fee for those courses. Students are assessed tuition upon course registration each term. Summer is considered a separate term. The quarter credit hour rate is \$541.

Tuition	Fee
Annual Tuition	\$29,226
Orientation Fee	\$350
Student Health Insurance	TBD
Room	
Tier 2	\$7,950
Tier 3	\$6,990
Meal Plans*	
18 meals per week/\$150 annual flex dollars	\$3,549
14 meals per week/\$150 annual flex dollars	\$3,150

* **Meal Plans**, in addition to denoted meals, include pre-determined flex dollars that may be redeemed for supplementary food items at your campus dining facility.

Wildcat Meals

Students may purchase blocks of meals through our Wildcat Meals plan. Wildcat meals may be used at any time and as many times as the student wishes during the academic year. Meals are bought in blocks and can be purchased at your campus dining facility.

All of the meals must be used before the end of the academic year in which they are purchased. The cost of the plan is non-refundable.

50 meal block	\$400
25 meal block	\$200
10 meal block	\$80
Meal price paid at door	\$8

Reservation Fee and Other Fees

Reservation Fee

The \$300 reservation fee is payable upon acceptance to the university. The university observes the May 1 reservation fee/deposit deadline and encourages students to research all schools before placing a reservation fee. Reservation fees received after May 1, 2015 will be accepted on the basis of space availability. Reservation fees received prior to May 1, 2015 are refundable. Students must also have an approved payment plan with Student Academic & Financial Services by July 17, 2015 to guarantee a room assignment. Students who establish an approved payment plan after July 17, 2015 could be placed in a temporary assignment regardless of fee payment date, although Residential Life will make every effort to assign students to permanent room assignments.

Requests for refunds of the reservation fee will be granted upon written request to the university prior to May 1, 2015. After May 1, 2015 the reservation fee of \$300 (or \$150 of such fee in the case of applicants to the North Miami Campus) is nonrefundable.

Orientation Fee

This nonrefundable fee, which is uniformly charged, is required of all new students for orientation and term start activities. It is charged to students who start during the fall, winter or spring term.

Medical Health Coverage While Enrolled

All registered undergraduate day students, both domestic and international; all students enrolled in the physician assistant degree program; and all international graduate and doctoral students attending Johnson & Wales University are required to have health insurance coverage that is accepted in the United States. If students have health insurance coverage through other means (i.e., parent’s health insurance or an employer program), they do not have to enroll in the Johnson & Wales student health insurance plan. They can opt out of/waive the university plan by submitting the online waiver form to demonstrate evidence of coverage. A new waiver form must be submitted each academic year. Students who are required to have health insurance and do not waive the Johnson & Wales University plan will be charged for it. The online waiver form and details of the plan, including the full brochure and benefit flyer, can be found on the Health Services (<http://www.jwu.edu/content.aspx?id=10320>) page of the JWU website.

Graduate Tuition

The following tuition and fees schedules are effective for the 2015–16 academic year for programs at the Providence and Denver campuses. Tuition and fees are subject to change annually.

Tuition	Fee
MBA Program Providence	\$1,899 per course
Additional Fee Online Providence	\$108 per course
Ed.D. Program	\$4,830 per course
Dissertation Fee	\$1,512 per semester
MBA Program Denver	\$2,007 per course
Student Health Insurance	TBD annually

Extension Students

Tuition rates for extension students are billed based on the number of quarter credit hours scheduled.

Early Enrollment

Early Enrollment Program (p. 97) tuition is 50 percent of the 2015–16 tuition charge. Early Enrollment Program students are also subject to appropriate university fees, including full room and board charges and student health insurance. Early Enrollment Program students are not eligible for any federal financial aid or institutional need-based aid while enrolled in the program. Early Enrollment Program students should contact Student Academic & Financial Services for information on alternative funding and to determine how eligible scholarships will be affected while in the Early Enrollment Program.

ESL Students

Students who are studying in the English as a Second Language (ESL) program will be charged \$6,618 tuition per term. The quarter credit hour rate is \$368. This program charge will be applied for each term the student remains in the ESL program. ESL students are not eligible for Johnson & Wales University scholarships or grants.

Other Fees

Books and Supplies

The out-of-pocket cost for books and supplies is approximately \$1,500 per academic year. These costs are not applied to the student’s invoice. Books and supplies can be purchased at the university’s bookstores, online (<http://www.bkstr.com/johnsonwalesstore/home>) or through other venues where available. The bookstores operate a textbook sales/buyback program to help students minimize these costs.

General Transportation Expenses

The out-of-pocket transportation expense is approximately \$1,000 per academic year. These costs are determined annually by the university and are not applied to the student’s invoice.

Personal Expenses

The out-of-pocket personal expense is approximately \$,1000. These costs are determined annually by the university and are not applied to the student's invoice.

Payment Options

Annual Payments

The student may make one payment in full for the entire academic year. Students are responsible for paying all charges in full or making appropriate arrangements by the published due date:

July 17, 2015

- New Undergraduate day

August 7, 2015

- Returning Undergraduate day
- Graduate Studies
- Continuing Education
- Doctoral
- Physician Assistant Studies

August 21, 2015

- Undergraduate International day
- Online

Term Payments

Students attending a program with terms may make three payments per academic year, and students in a semester program may make two payments per academic year. The fall due dates for each program are listed above. Please refer to your invoice for future due dates.

Monthly Payments

Students may choose to pay the annual amount due in convenient monthly payments. This option is available through Tuition Management Systems (TMS) (<https://www.afford.com>). There is an enrollment fee to participate. Most plans are essentially interest free, but some accounts may incur late fees, reinstatement fees or other fees. Students interested in this option must contract with TMS and pay the first payment, in addition to the enrollment fee, by the fall published due dates listed above.

All Johnson & Wales University students must fulfill their financial obligations to the university by the published due dates listed above. (All off-term entrants must meet the financial obligation by the published date for that term.)

To meet your financial obligation you must do one of the following by the published due date:

- Make a full term payment.
- Contract with TMS and pay the first monthly payment, as well as the enrollment fee.
- Have an approved loan which covers the annual balance.
- Have an approved payment plan with Student Academic & Financial Services using a combination of the above options.

If you do not fulfill your financial obligation by the published due date, your housing assignment may be removed. In addition, your class schedule for the 2015–16 academic year may also be revoked.

Refund Policies

General Policy

To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition or fees (other than the reservation fee for undergraduate students) will be assessed for terms that the student does not begin. Students who withdraw from the university prior to the end of the academic year may have their financial aid adjusted.* Institutional grants and scholarships, where applicable, will be reduced in proportion to any tuition credit received as defined in the university's Withdrawal Credit Policy (p. 106). The distribution formula for refunds to the Federal Student Financial Aid program will be calculated according to federal regulations. The university's Withdrawal Credit Policy (p. 106) applies to all withdrawals from the university, voluntary or involuntary.

Unofficial Withdrawal from the University

Federal regulations require that a student who begins attendance but fails to earn a passing grade in at least one course in any term and who does not officially withdraw shall be considered as having unofficially withdrawn from the university unless the university can document that the student completed at least 60 percent of the period of enrollment and earned the grade of F. A student must be engaged in academically related activities beyond 60 percent of the enrollment period to retain eligibility for federal, institutional and external financial aid. If a student was not engaged in an academically related activities beyond 60 percent, they will be assigned a withdrawal date based on the last date of an academically related activity. All other instances when a student withdraws without providing official notification will be the 60 percent point of the period of enrollment, as applicable. A student who does not earn at least one passing grade during a term for which federal funds were disbursed will have a Return of Title IV Funds calculation performed to determine how much of the federal funds were earned. Unearned federal funds must be returned to the source, in most cases with a charge to the student's university account.

University enrollment disputes must be submitted online within 30 days after the end of the term during which the student was enrolled. To submit a dispute, students must complete the appropriate form online (<http://www.jwu.edu/forms.aspx?id=55199&ekfrm=55199>). No adjustments to tuition and fees or financial aid will be made until the dispute is researched and either approved or denied. No disputes will be considered after 30 days from the end of the term in which the student was enrolled. Decisions will be made within 10 business days and students will receive notification via the email address provided on the dispute form.

* Any student enrolled solely in culinary lab courses, who fails to attempt any of the scheduled courses, will be considered to have withdrawn from the university.

Refund Policy for Georgia Residents

The following refund policy is applicable to prospective students and students attending Johnson & Wales University who are legal residents of the state of Georgia.

- An accepted applicant will receive a refund of any amount paid to the university with respect to a term if, prior to the commencement of classes for that term, he or she makes a request for a refund to Student Academic & Financial Services within three business days after making the payment.
- A student who provides official notice of withdrawal following the commencement of the academic term will receive a pro rata refund of tuition and fees* (other than the orientation fee which is used for the purposes of orientation) as follows:

Percent of total class days in the academic term elapsed prior to date of official notice of withdrawal	Refund of tuition and fees
1 day–5%	95%
6–10%	90%
11–25%	75%
26–50%	50%
More than 50%	No refund

* In the event that a refund is made under this policy, all institutional aid and scholarships for that term will be adjusted on a pro rata basis based upon the applicable refund. Official notice of withdrawal must be made by a student under this policy in person or by written notification to Student Academic & Financial Services. The date of an official notice of withdrawal is the date that it is received by Student Academic & Financial Services. Refunds are paid to students within 30 days of the official notice of withdrawal.

- In the event that the university Withdrawal Credit Policy is more favorable than this Refund Policy for Georgia and Alabama Residents, the university will refund to the student the greater amount in accordance with the university Withdrawal Credit Policy.

Notice Regarding Georgia Nonpublic Postsecondary Education Commission (NPEC) Student Complaint Process

Any person or student claiming damage or loss against Johnson & Wales University may file a verified complaint with the executive director of NPEC after going through the university complaints and grievances process. The complaint must contain a detailed description of the claim, including dates, times and full names of all involved. Verification means that the complaint must be signed by the student or person filing the complaint and notarized, and state that the matters set forth in the complaint are true and correct. The

complaint shall be investigated by the appropriate Standards Administrator (SA) of NPEC. The SA shall attempt to resolve the complaint between the university and the student. If the complaint cannot be resolved, the SA will issue a decision and inform each party that either has a right to request a hearing in writing before the executive director of NPEC within 10 days of receipt of the SA's decision. The executive director may set a date and time for a hearing which shall be delivered to both parties by certified mail.

Tuition Refund Policy

Term and semester charges are defined as tuition and, if applicable, room and meals. Students from Georgia can view the refund policy here (p. 105).

Tuition is applicable to all students, including those in approved off-campus programs such as study abroad and internships. Student Health Insurance, Program Fees, Wildcat Meals and Orientation Fee are nonrefundable, if applicable. To the extent that any charges due to the university remain unpaid, no refund check will be issued. No tuition or fees will be assessed for terms and semesters for which the student does not register or enroll. Students who withdraw (or become withdrawn) from the university prior to the end of the academic year may have their financial aid adjusted, if applicable. Institutional grants and scholarships will be reduced in proportion to any tuition credit received. Refunds will be made within 30 days for all non-Title IV students (cash paying) in Florida.

University Withdrawal Credit Policy

The distribution formula for the institutional refund to the Federal Student Financial Aid program will be calculated according to federal regulations. Any refund due will be issued within 45 days after the date that the university was first notified of the withdrawal.

If a student terminates during

- the first or second week of the term, the university will credit 90 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 10 percent.
- the third or fourth week of the term, the university will credit 50 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 50 percent.
- the fifth or sixth week of the term, the university will credit 25 percent of the term charges. If eligible, all institutional aid/scholarships for that term will be adjusted to 75 percent.

After the sixth week of the term, students will be responsible for 100 percent of the term charges and will receive 100 percent of that term's eligible institutional aid and scholarships.

Examples of university refund policies are available upon request in Student Academic & Financial Services.

University Enrollment Dispute

If a student leaves the university due to extenuating circumstances without officially withdrawing, they may submit a university enrollment dispute (<http://www.jwu.edu/forms.aspx?id=55199>) within 30 days after the end of the term in dispute. No withdrawal disputes will be considered after that time. The student must present supporting documentation that demonstrates serious and compelling reasons justifying the withdrawal, and extenuating circumstances justifying its retroactive nature. No adjustments to tuition and fees or financial aid will be made until the dispute is researched and either approved or denied. Decisions will be made within 10 business days and the student will receive notification via an email sent to the email address they provided on the dispute form.

Withdrawal Policy for Study Abroad Programs

If a student withdraws for any reason, either voluntary or involuntary, prior to June 1 for the fall programs, September 1 for the winter programs, December 1 for the spring programs and March 1 for the summer programs, they may be eligible for a refund on the \$500 deposit (if applicable) and/or a reduction of the program cost charged to the student's account. A written withdrawal letter or email is required and must be sent to the Study Abroad office. This letter must be written and signed by the student. A telephone call will not be sufficient. The date on which your letter is received will be the formal date of withdrawal.

The \$500 study abroad deposit is nonrefundable as of June 1 for fall programs, September 1 for winter programs, December 1 for spring programs and March 1 for summer programs.

If a student withdraws after the dates listed above, the student will also be charged for a portion of the program cost. The amount charged (in addition to the \$500 deposit) is based on the date of withdrawal as well as the program start date. Please refer to the Withdrawal/Fee chart below for exact amounts.

If you withdraw after the deposit is non-refundable:	The late withdrawal penalty is:
60+ days before program start date	Deposit + \$500
30-59 days before program start date	Deposit + \$1,000
15-29 days before program start date	Deposit + \$2,500
1-14 days before program start date	Deposit + \$3,500
After program start date	Deposit + Balance of full program

Financial Obligations

Continued enrollment as a student in good standing and certain other student benefits (diplomas, transcripts, etc.) are conditioned upon being current in all financial obligations to the university, including loans in which the university appears as a holder or guarantor.

Financial Planning

The university understands that financing an education can be a very complex process for many students. To assist with this process, financial planning counselors are available to work with students and their families on an individual basis to help them best utilize their own funds and other available resources to meet educational expenses.

For more information and assistance, contact Student Financial Services at the campus where you plan to enroll.

Federal financial aid is not available to international students. International students must provide sufficient evidence of financial support to receive an I-20. The university awards scholarships based on academic merit. International students can contact the EducationUSA (<http://www.educationusa.info>) advising center in their country to learn more about opportunities for financial assistance.

Financial Aid

To assist students in meeting their educational expenses, the federal government offers grants and low-interest loans. Financial aid is awarded on an annual basis and is disbursed in three equal installments (fall/winter/spring). Students interested in financial aid for summer enrollment should contact Student Financial Services on their campus.

Undergraduate Financial Aid Programs

Grants and loans are financial aid resources available to students. Students may receive assistance from one or both of these funds. Student eligibility for these programs is based on completion and submission of the Free Application for Federal Student Aid (<https://fafsa.ed.gov>) (FAFSA) as described in the How to Apply (p. 107) section. Since awards are not automatically renewable, students must reapply each year. All financial aid awards are determined based on an academic year (fall/winter/spring terms). Financial aid awards and federal loan programs are disbursed based on this term system, which typically equates to three disbursements. All annual awards are posted in three equal amounts, or in some cases fewer, based on the student's entrance date.

Graduate Financial Aid Programs

Federal financial aid programs are available to U.S. citizens or eligible non-citizens. Students may receive assistance from loans, limited institutional aid and/or work programs. If eligible for any one of these, or a combination of both, it is referred to as the financial aid package. Student eligibility for these programs is based on completion and submission of the Free Application for Federal Student Aid (<https://fafsa.ed.gov>) (FAFSA) as described in the How to Apply (p. 107) section. Since awards are not automatically renewable, students must reapply each year. All financial aid awards are determined based on an academic year (fall/winter/spring terms). Financial aid awards and federal loan programs are disbursed based on this term system, which typically equates to three disbursements. All annual awards are posted in three equal amounts, or in some cases fewer, based on the student's entrance date.

For more information call 1-800-343-2565 or 401-598-1468.

How to Apply

Please see the appropriate section for information regarding how to apply for financial aid.

Undergraduate

To be considered for financial assistance, complete the steps listed below.

1. Personal Identification Number (PIN)

Students and their parents can apply online for a PIN (<http://www.pin.ed.gov>). The PIN allows students and parents to sign the FAFSA electronically and to correct previously processed FAFSA information online. Both the student and at least one parent must apply for a PIN.

2. Free Application for Federal Student Aid (FAFSA)

The Free Application for Federal Student Aid (<http://www.fafsa.ed.gov>) is available online. This form must be completed as soon as possible after January 1.

The information for financial assistance is then processed by the federal processor and sent to Student Academic & Financial Services at the university. The FAFSA code for JWU is 003404.

3. Independent Students

To be considered independent for financial aid purposes for the 2015-2016 academic year, students must answer "Yes" to one of the following questions:

1. Were you born before January 1, 1992?
2. As of today, are you married? (Answer yes if you are separated, but not divorced.)
3. At the beginning of the 2015–2016 school year, will you be working on a master's or doctorate program (such as an M.A., MBA, M.D., J.D., Ph.D., Ed.D. or graduate certificate, etc.)?
4. Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
5. Are you a veteran of the U.S. Armed Forces?
6. Do you have or will you have children who will receive more than half of their support from you between July 1, 2015 and June 30, 2016?
7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2016?
8. At any time since you turned 13, were both your parents deceased, were you in foster care or were you a dependent/ward of the court?
9. As determined by a court in your state of legal residence, are you or were you an emancipated minor?
10. As determined by a court in your state of legal residence, are you or were you in legal guardianship?
11. At any time on or after July 1, 2014, were you determined to be an accompanied youth who was homeless or were self-supporting and at risk of being homeless, as determined by a.) your high school or district homeless liaison, b.) the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development, or c.) the director of a runaway or homeless youth basic center or transitional living program?*

*If you do not have a determination that you are homeless, but you believe you are an unaccompanied youth who is homeless or self-supporting and at

risk of being homeless, answer "No" to the FAFSA questions concerning being homeless. Then contact your financial aid office to explain your situation.

Students who cannot answer "Yes" to one of the above questions are considered dependent and must complete their FAFSA as a dependent student by providing both parent and student information. Please feel free to contact Student Academic & Financial Services with any questions.

4. Verification and Other Documentation

Student Academic & Financial Services may request additional documentation to verify information provided on the FAFSA (i.e., verification worksheet and untaxed income worksheet). The student and his/her parents may be required to submit signed and dated copies of their Tax Return Transcript. The transcript can be obtained online (<http://www.irs.gov/Individuals/Get-Transcript>) or by calling your local IRS office. The student's financial aid package will not be complete until all requested documentation has been received and reviewed by Financial Aid. In addition, all student loan borrowers must attend an entrance and exit counseling session during which the student will be advised on his/her loan obligations.

Student Eligibility Requirements

To be eligible for financial aid, the student must meet the following criteria:

1. Be a U.S. citizen or eligible non-citizen.
2. Maintain satisfactory academic progress. (Financial aid will be suspended until satisfactory academic progress is again achieved.)
3. Be enrolled in a degree program.
4. Not owe a refund on a Federal Pell Grant, or be in default on a Federal Student Loan or Parent Loan for Undergraduate Students (PLUS).
5. Sign a Statement of Educational Purpose, a Statement of Registration Status, and a Statement on Overpayments and Defaults.
6. For most programs, must demonstrate financial need.

Students are eligible to receive financial aid as long as they maintain academic standing standards (p. 85) as defined in this catalog. Students who fail to maintain satisfactory academic progress will be notified by Student Academic & Financial Services.

Financial need is the difference between the cost of the student's education (tuition and fees, room and board, books and supplies, transportation and personal expenses) and the total contribution expected from the student and his/her family. The student's total family contribution is based on an analysis of the information which the student and/or parent supplied on the FAFSA. Some of the items considered are total family income, assets, the number of people in the household, the number of siblings in college, and the student's own resources, such as earnings, savings, and untaxed income which the student may receive. Johnson & Wales University also considers these items when determining eligibility for university funds.

Graduate

To be considered for financial assistance, complete the steps listed below.

1. Personal Identification Number (PIN)

Students and their parents can apply online for a PIN (<http://www.pin.ed.gov>). The PIN allows students and parents to sign the FAFSA electronically and to correct previously processed FAFSA information online. Both the student and at least one parent must apply for a PIN.

2. Free Application for Federal Student Aid (FAFSA)

The Free Application for Federal Student Aid (<http://www.fafsa.ed.gov>) is available online. This form must be completed as soon as possible after January 1.

The information for financial assistance is then processed by the federal processor and sent to Student Academic & Financial Services at the university. The FAFSA code for JWU is 003404.

Student Eligibility Requirements

To be eligible for federal aid programs, the student must meet the following criteria:

1. Be a U.S. citizen or eligible non-citizen.
2. Maintain satisfactory academic progress. (Financial aid will be suspended until satisfactory academic progress is again achieved.)
3. Be enrolled in a degree program.
4. Not owe a refund on a Federal Pell Grant, or be in default on a Federal Student Loan or Parent Loan for Undergraduate Students (PLUS).

5. Sign a Statement of Educational Purpose, a Statement of Registration Status, and a Statement on Overpayments and Defaults.
6. For most programs, must demonstrate financial need.

Students are eligible to receive financial aid as long as they maintain academic standing standards (p. 85) as defined in this catalog. Students who fail to maintain satisfactory academic progress will be notified by Student Academic & Financial Services.

Federal Grants and Loans

Please see the appropriate section for information regarding federal aid.

Undergraduate

Federal Pell Grant

The Federal Pell Grant is a federally funded entitlement program to assist qualified undergraduate students with exceptional financial need. Eligibility for these grants is determined by the U.S. Department of Education based on the information provided on the FAFSA. Pell recipients can attend at less than half-time status and remain eligible for a portion of their Pell Grant. Students with a previous bachelor's degree are not eligible for a Federal Pell Grant.

The maximum, full-time Pell Grant award for the 2014-2015 award year (July 1, 2014 to June 30, 2015) was \$5,730. The maximum Pell Grant award can change each award year and depends on program funding. Further information may be obtained from the U.S. Department of Education (<http://www.ed.gov>).

The amount of Federal Pell Grant funds a student may receive over their lifetime is limited by law to be the equivalent of six years of Pell Grant funding. Since the maximum amount of Pell Grant funding the student can receive each year is equal to 100 percent, the six-year equivalent is 600 percent.

Campus-based financial aid programs, including the **Federal Supplemental Educational Opportunity Grant (SEOG)**, **Federal Perkins Loan** and **Federal Work-Study** programs, are administered by Johnson & Wales University. Students must annually apply for these programs through the filing of the FAFSA.

Federal Supplemental Educational Opportunity Grant (SEOG)

This federally funded program provides financial assistance to qualified undergraduate students who demonstrate exceptional financial need. The amount Johnson & Wales University awards ranges from \$100 up to a maximum of approximately \$275 per academic year and is based on financial need and the availability of funds. Students with a previous bachelor's degree are not eligible for a Federal Supplemental Educational Opportunity Grant.

Federal Perkins Loan

This 5% interest bearing loan is funded by the federal government and administered directly by the university. Master Promissory Notes for this loan are available (<http://www.jwu.edu/financialaid>). Perkins loans are awarded to qualified students with exceptional financial need. The amount a student will receive depends on financial need and the availability of funds.

Students must begin to repay this loan nine months after they leave the university or drop below half-time status. The repayment of principal and interest may be extended over a 10-year period. The amount of each payment depends upon the amount of the student's debt and the length of the student's repayment period.

Federal Work-Study Program

Federal Work-Study is a federally funded program that provides part-time employment to undergraduate students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay educational expenses. Students are paid an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid biweekly directly to the student; therefore, funds will not be applied to the student's account unless arrangements are made with Student Academic & Financial Services.

William D. Ford Federal Direct Subsidized Loan

This loan program provides loans to undergraduate students who demonstrate financial need. First-time borrowers are required to complete a Master Promissory Note and an entrance interview. Both of these requirements (<https://studentloans.gov>) can be completed online.

Students may borrow up to a maximum of \$3,500 per academic year as freshmen for the first year of undergraduate study, \$4,500 for the second year as sophomores, and \$5,500 per year for the third and fourth years as juniors and seniors. The student must begin repayment six months after he/she leaves the university or drops below half-time status. The amount of the student's monthly payment will be determined based upon the amount of student debt and the length of the repayment period. Please contact Direct Lending at 1-800-557-7394 for more information on repayment options.

If you are a 1st time borrower on or after July 1st, 2013, there is a limit on the maximum period of time (measured in academic years) during which you can receive Direct Subsidized loans. You may not receive Direct Subsidized loans for more than 150% of the published length of your program, known as your "maximum eligibility period". For example, if you are enrolled in a four-year bachelor's degree program, the maximum period for which you can receive Direct Subsidized loan is six years, or 150% of your program length. For more information, please contact the Financial Planning office.

William D. Ford Federal Direct Unsubsidized Loan

Like the Direct Subsidized Loan program, this Direct Unsubsidized Loan program also offers loans to students. While most of the loan terms are the same as the subsidized loan program, there are some major differences:

1. Students do not have to demonstrate financial need to receive a Direct Unsubsidized Loan.
2. The federal government does not pay interest on the borrower's behalf while the borrower is enrolled in school.

During that time, the student borrower can choose between making quarterly interest payments or "capitalizing" interest. "Capitalizing" interest means that the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school, but will result in a larger principal amount owed upon repayment.

William D. Ford Federal Direct Parent Loan Program for Undergraduate Students (PLUS)

The Direct PLUS Program provides loans to parents of dependent students to attend college. PLUS borrowers do not have to demonstrate need, but must not have an adverse credit history. All students must complete the Free Application for Federal Student Aid (FAFSA) if their parents plan to borrow a PLUS loan. The parent must also complete the Direct PLUS Master Promissory Note (MPN); an MPN can be completed online (<https://studentloans.gov>). In addition the parent must indicate how much they want to borrow. Repayment of this loan will begin within 30 days of the time the loan is fully disbursed annually, or the borrower can contact the Department of Education to request a deferment. The borrowing limit is the total cost of attendance, minus any financial aid being received.

Increased Direct Unsubsidized Loan Limits for Independent Students and Dependent Students Whose Parents Don't Qualify for a PLUS

There are higher additional unsubsidized annual loan limits for independent undergraduate students. These higher additional unsubsidized loan limits also apply to dependent undergraduate students whose parents are unable to borrow PLUS loans due to adverse credit or other documented exceptional circumstances.

- \$3,500 combined subsidized and/or unsubsidized plus \$6,000 additional unsubsidized for independent first-year undergraduates
- \$4,500 combined subsidized and/or unsubsidized plus \$6,000 additional unsubsidized for independent second-year undergraduates
- \$5,500 combined subsidized and/or unsubsidized plus \$7,000 additional unsubsidized for independent third-, fourth- or fifth-year undergraduates

Subsidized Total (Subsidized and Unsubsidized)

Dependent Undergraduates (excluding dependent students whose parents don't qualify for a PLUS)

Year	Range
First Year; freshman	\$3,500–5,500

Second Year; sophomore	\$4,500–6,500
Third Year and Beyond; junior, senior	\$5,500–7,500

Independent Undergraduates and Dependent Students Whose Parents Don't Qualify for a PLUS

Year	Range
First Year; freshman	\$3,500–9,500
Second Year; sophomore	\$4,500–10,500
Third Year and Beyond; junior, senior	\$5,500–12,500

Note: All undergraduate annual loan amounts are subject to proration.

Please note that a student/borrower remains responsible for the repayment of educational loans that he/she borrows even if the student is not successful in completing the educational program and/or obtaining employment.

No student is required to apply for, or accept, any particular type of financial aid.

Johnson & Wales University participates in the William D. Ford Federal Direct Loan Program. All Direct Loans and parent PLUS loans will be borrowed from the U.S. Department of Education.

Please note that the loan information described in this catalog is based upon the available information as of the date of the production of this catalog. Updated information regarding federal grants and loans may be obtained by visiting the U.S. Department of Education (<http://studentaid.ed.gov>) website.

Applications for these loans are available in Student Academic & Financial Services or on the Direct Lending (<https://studentloans.gov>) website.

Aid from these programs is awarded on the basis of financial need. In order to receive maximum consideration for financial assistance, it is recommended that the student apply as soon as possible after January 1. The award process for first-year students begins in March of each academic year. Renewal of financial aid is not automatic. Recipients are required to reapply each year by the announced deadline.

To be eligible for these programs, students must meet the following criteria:

1. For most programs, students must demonstrate financial need;
2. maintain satisfactory academic progress (financial aid will be suspended until satisfactory academic progress is again achieved);
3. be enrolled in an eligible degree or certificate program;
4. be enrolled on at least a half-time (at least 6.0 quarter credit hours) basis (students enrolled on a less-than-full-time basis may have their financial aid reduced; some students enrolled on a less-than-half-time basis may qualify for a Federal Pell Grant);
5. be a U.S. citizen or eligible non-citizen;
6. not owe a refund on a Federal Student Aid Grant (e.g. Federal Pell Grant, etc), be in default on a Federal Student Aid loan (e.g. Federal Perkins, etc.); and
7. sign a Statement of Educational Purpose, a Statement of Registration Status and a Statement on Overpayments and Defaults.

Students are eligible to receive financial aid as long as they maintain Satisfactory Academic Progress (SAP) as defined in the SAP (p. 112) section of the catalog, and in their campus student handbook (<http://catalog.jwu.edu/handbook>). Students who fail to maintain SAP will be notified by Student Academic & Financial Services. All financial aid will be suspended until satisfactory academic progress is again achieved.

Return of Title IV Funds (Federal Aid)

When a student withdraws (or becomes withdrawn) during a payment period or period of enrollment, the amount of student financial aid program assistance earned is determined by a specific formula. If the student receives (or the university receives on the student's behalf) less assistance than the amount earned, the student may be able to receive those additional funds. Students who received more assistance than what they earned must return the excess funds.

The amount of federal assistance earned is determined on a pro-rata basis. That is, if a student completes 30 percent of the payment period or period of enrollment, the student earns 30 percent of the federal assistance he or she was originally scheduled to receive. Once the student completes more than 60 percent of the payment period or period of enrollment, the student earns all scheduled federal assistance.

The student's loan monies (subsidized, unsubsidized and PLUS) must be on record with the Department of Education before the student's last day of attendance in order for the money to be considered within the formula. If the student is eligible for a post-withdrawal disbursement, a written notice will be mailed requesting the consent of the borrower to post the funds to the student's account. The amount of institutional assistance earned is based on the week that the student withdraws from the university and follows the percentage the university credits the student's charges.

If a student receives excess funds that must be returned, Johnson & Wales University must return a portion of the excess, equal to the lesser of

- the student's institutional charges multiplied by the unearned percentage of the student's funds
- the entire amount of the excess funds

If the university is not required to return all excess funds, the student must return the remaining amount. Any loan funds that the student must return, must be repaid by the student (or his or her parents for a PLUS Loan) in accordance with the terms of the promissory note.

If a student is responsible for returning grant funds, the student does not have to return the full amount. Students are not required to return 50 percent of the grant assistance received that is the student's responsibility to pay. Any amount not returned is a grant overpayment and the student must make arrangements with the university or Department of Education to return the funds.

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Unsubsidized/ Subsidized Stafford Loan, the Perkins Loan, the Parent PLUS Loan, the Pell Grant, the FSEOG program, all other sources of aid, and the student.

Graduate

Federal Direct Unsubsidized Stafford Loan

This loan program offers low-interest loans to students who demonstrate little or no financial need. The federal government does not pay the interest on the borrower's behalf while the borrower is enrolled in school. During that time, the student borrower can choose to make quarterly interest payments, or to "capitalize" interest. "Capitalizing" means the lender will add interest accrued to the principal balance. This will eliminate the need for interest payments while in school. A Master Promissory Note for these loans is located online (<http://www.studentloans.gov>). Loans made under federal loan programs are applied to the student's account with the university in equal disbursements per term based on the loan period and the student's entrance date.

Students should check with their financial planner to determine their maximum annual loan amount. Students must begin repayment six months after they leave college or drop below half-time status. The interest on the loan is not subsidized during the student's six-month grace period. The amount of the student's monthly payment will be determined based upon the amount of the student's debt and the length of the student's repayment.

Campus-based financial aid programs, including the **Federal Perkins Loan** and **Federal Work-Study** programs, are administered by Johnson & Wales University. Students must annually apply for these programs through the filing of the FAFSA.

Federal Perkins Loan

This 5% interest bearing loan is funded by the federal government and administered directly by the university. Master Promissory Notes for this loan are available (<http://www.jwu.edu/financialaid>). Perkins loans are awarded to qualified students with exceptional financial need. The amount a student will receive depends on financial need and the availability of funds, up to a maximum of \$1,000.

Students must begin to repay this loan nine months after they leave the university or drop below half-time status. The repayment of principal and interest may be extended over a 10-year period. The amount of each payment depends upon the amount of the student's debt and the length of the student's repayment period.

Federal Work-Study Program

Federal Work-Study is a federally funded program that provides part-time employment to undergraduate students with financial need. Positions are available throughout the university and with selected off-campus community service agencies.

Work-study gives students the opportunity to earn money to help pay educational expenses. Students are paid an hourly rate for actual hours worked. The amount earned cannot exceed the total work-study award. Work-study funds are paid biweekly directly to the student; therefore, funds will not be applied to the student's account unless arrangements are made with Student Academic & Financial Services.

Return of Title IV Funds

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs are eliminated: the Federal Subsidized Loan, the Federal Unsubsidized Loan program, all other sources of aid, and the student.

State Grants

Students from the following states may be eligible for state grant money:

- Delaware
- Pennsylvania
- Rhode Island
- Vermont

Contact the higher education authority in your home state for more information.

Institutional Aid

Please see the appropriate section for information regarding institutional aid.

Undergraduate

Johnson & Wales University Grant

This grant is awarded to students based on the annual financial aid awarding process and the student's financial need.

Financial Assistance, Scholarship and Work Programs

Last year, Johnson & Wales University awarded more than \$146 million in institutional aid to students. Awards range from \$500 to full tuition. Scholarships, grants, loans and work programs awarded depend on the university budget, and are dependent on students meeting program eligibility requirements. These programs are only available to full-time, undergraduate, day school students during the academic year and are not available during the summer term. Note: Scholarship funds are applied to the student's account with the university in three equal disbursements by term (e.g., a \$3,000 Presidential Academic Scholarship recipient would receive \$1,000 per term).

Most scholarships are renewable for up to four consecutive years of full-time, undergraduate, day school enrollment.

Important Note: There is a cap on the total dollar amount of scholarships, grants, awards, prizes and other aid that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year's financial aid awarding process and includes both university funded and university administered monies. Please contact Student Academic & Financial Services for further information regarding this cap.

Alpha Beta Gamma (International Honor Society) Scholarship

A renewable scholarship worth up to \$5,000 is awarded to accepted incoming outstanding transfer students who are members of Alpha Beta Gamma. The application for this scholarship is the application for admission to the university. Students who receive the Phi Theta Kappa/Alpha Beta Gamma Scholarship are not eligible to receive the Transfer Scholarship.

Business Professionals of America Scholarship (BPA)

The university offers a number of BPA scholarships to any accepted incoming student ranging from \$1,000 up to full tuition. Awards are based on BPA

activities and academic record, and are renewable based on continued involvement in and support of BPA. Apply for admission online (<http://www.jwu.edu/apply>) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Careers through Culinary Arts Program (C-CAP) Scholarship

The university awards renewable scholarships of up to full tuition to accepted incoming students who participate in C-CAP's competition events. Applications are available through C-CAP. All documentation must be submitted to C-CAP and all finalists are selected by C-CAP.

Circle of Academic Excellence Awards

The Circle of Academic Excellence Awards include The Pioneer's Award, the Founder's Award and the President's Award. The University Awards Committee, working with Student Financial Services, selects students for these awards, which are given to enrolled upperclass students who are excelling academically and who meet certain minimum academic criteria. These renewable scholarships are up to \$5,000 per academic year.

Culinary Essentials Scholarship

The university awards a number of \$1,000 renewable scholarships to accepted incoming students who have participated in the Culinary Essentials curriculum. Apply for admission online (<http://www.jwu.edu/apply>) and indicate your participation. Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

DECA Scholarship

The university awards a number of DECA scholarships to accepted incoming students ranging from \$1,000 up to full tuition. Awards are based on DECA activities and academic record, and are renewable based on continued involvement in and support of DECA. Apply for admission online (<http://www.jwu.edu/apply>) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Distinguished Visiting Chef Scholarship

Currently enrolled Culinary Arts and Baking & Pastry Arts students are eligible to receive this up-to-\$2,000 renewable scholarship based upon academic standing and faculty recommendations. Financial need is considered.

Distinguished Visiting Professor Scholarship

The College of Arts & Sciences and the College of Management offer this tuition scholarship of up to \$2,000 to its enrolled students based upon academic standing and faculty recommendation. Financial need is considered. The scholarship is renewable for up to two years.

Employee Tuition Scholarship

These scholarships are based on institutional policy, with qualifying criteria stated in the Johnson & Wales University staff handbook and faculty manual. Applications are available in Human Resources & Payroll.

Faculty Scholarship

Johnson & Wales University awards a number of scholarships to rising seniors, based upon merit, recommendation, need, and GPA. These nonrenewable awards range up to the amount of one term's tuition, which is distributed over three terms.

Family, Career and Community Leaders of America (FCCLA) Scholarship

The university awards a number of FCCLA (formerly FHA-HERO) scholarships to accepted incoming students ranging from \$1,000 up to full tuition. Awards are based on FCCLA activities and academic record, and are renewable based on continued involvement in and support of FCCLA activities. Apply for admission online (<http://www.jwu.edu/apply>) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Family Scholarship

If two or more members of your family are simultaneously enrolled in full-time undergraduate day school degree programs at Johnson & Wales University, each enrolled student is granted as much as a \$2,000 university scholarship per academic year (September–May). Whether this scholarship is renewable is contingent upon continued enrollment of both siblings in an eligible program. For more information, contact Student Academic & Financial Services.

Future Business Leaders of America (FBLA) Scholarship

The university awards a number of FBLA scholarships to accepted incoming students ranging from \$1,000 up to full tuition. Awards are based on FBLA

activities and academic record, and are renewable based on continued involvement in and support of FBLA. Apply for admission online (<http://www.jwu.edu/apply>) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Junior Achievement (JA) Scholarship

The university offers a number of JA scholarships to accepted incoming students ranging from \$1,000 up to full tuition. Awards are based on JA activities and academic record, and are renewable based on continued involvement in and support of JA activities. Apply for admission online (<http://www.jwu.edu/apply>) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Lodging Management Scholarship

JWU offers a number of \$1,000 renewable scholarships to accepted incoming students who have participated in the Lodging Management curriculum. Apply for admission online (<http://www.jwu.edu/apply>) and indicate your participation. Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

National Academy Foundation (NAF) Scholarship

The university awards a number of \$1,000 renewable scholarships to accepted incoming students who have participated in a National Academy Foundation program. Apply for admission online (<http://www.jwu.edu/apply>) and indicate your participation. Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

National FFA Scholarship

Johnson & Wales University awards a number of FFA scholarships to accepted incoming students ranging from \$1,000 up to full tuition. Awards are based on FFA activities and academic record, and are renewable based on continued involvement in and support of FFA. Apply for admission online (<http://www.jwu.edu/apply>) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Phi Theta Kappa (National Honor Society) Scholarship

A scholarship up to \$7,500 is awarded to outstanding transfer students who are members of Phi Theta Kappa. The application for this scholarship is the application for admission to the university. Students who receive the Phi Theta Kappa/Alpha Beta Gamma Scholarship are not eligible to receive the Transfer Scholarship.

Presidential Academic Scholarships

JWU awards academic scholarships to accepted incoming students who are in the top third of their class, have a 3.0 high school GPA and demonstrate academic excellence. Awards range from \$2,000 to \$15,000 and are renewable up to four years of continuous full-time day school enrollment.

ProStart® Scholarship

JWU offers a number of \$1,000 renewable scholarships for accepted incoming students who have participated in the ProStart curriculum. Apply for admission online (<http://www.jwu.edu/apply>). Amount of scholarships awarded for participation in specific high school curricula is limited to one per student.

SkillsUSA Scholarship

The university awards a number of SkillsUSA scholarships to accepted incoming students ranging from \$1,000 up to full tuition. Awards are based on SkillsUSA activities and academic record, and are renewable based on continued involvement in and support of SkillsUSA. Apply for admission online (<http://www.jwu.edu/apply>) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Technology Student Association (TSA) Scholarship

The university awards a number of TSA scholarships to accepted incoming students ranging from \$1,000 up to full tuition. Awards are based on TSA activities and academic record, and are renewable based on continued involvement in and support of TSA. Apply for admission online (<http://www.jwu.edu/apply>) and indicate membership. The deadline for full tuition scholarship eligibility is February 1, prior to enrollment.

Transfer Scholarship

An unlimited number of transfer scholarships up to \$5,500 are awarded to accepted incoming students who plan to continue their education at Johnson & Wales in an associate or bachelor's degree program. Students must have completed 45 quarter credit hours/30 semester hours at another institution

and maintained a minimum 3.00 cumulative average. The scholarship application is the application for admission to the university.

Tuition Exchange Scholarship

Johnson & Wales University extends to children of eligible employees at participating Tuition Exchange (TE) institutions the opportunity to apply for a TE scholarship. TE is a reciprocal scholarship program for qualified children of faculty and staff employed at more than 600 participating colleges and universities. A student accepted as a Tuition Exchange scholarship recipient may be awarded up to full tuition at JWU. Applications are available at the participating institution. A complete list of colleges and universities that are part of the program is available here (<http://www.tuitionexchange.org/vnews/display.v/SEC/Families/Member%20Schools>).

Funded/Donated Scholarships

Johnson & Wales University administers donated scholarships which are funded by businesses, individuals and professional organizations. In many cases, students must have completed at least one term of enrollment at Johnson & Wales to be considered. These funds are awarded to eligible candidates based on established criteria.

Graduate

The MBA/M.S. Scholarship

Each year, Graduate Admissions awards a limited number of nonrenewable scholarships to MBA/M.S. applicants who are accepted as full-time students and reflect an ability to excel in their chosen program. The total amount of each scholarship is \$1,000 and the scholarship will be credited to the student's account in equal installments over three consecutive terms. The student must maintain full-time status while in receipt of the scholarship. Applicants must complete each section of the scholarship form and submit it with a résumé and the graduate application. Scores from the GMAT or GRE may be included for scholarship consideration. Contact Graduate Admissions at 401-598-1015 for a scholarship form.

Pre-MBA Scholarship

Students who successfully complete the Pre-MBA program with the required minimum 3.0 GPA needed to enter the MBA program will receive a nonrenewable \$2,000 MBA scholarship awarded over the length of the program.

Outside Scholarships

There are many other potential scholarship sources that students should consider to help finance their education. Students should contact the Higher Education Assistance Agency in their home states for information about the possibility of state grants or scholarships. It is recommended that students apply for outside scholarships as soon as possible since most organizations have early application deadlines.

Scholarship aid is often available from high school and community organizations with which students or their parent(s) may be affiliated. Local libraries are an excellent resource for finding information on scholarships from organizations throughout the United States. There are also a number of websites available to assist students in the scholarship search. View a guide to free scholarship searches online (<http://www.jwu.edu/content.aspx?id=11772>).

Many companies provide scholarship aid for children of their employees, while others provide aid directly to students who work for them part time while in school.

Dollars for Scholars

Johnson & Wales University will match up to \$2,500 in scholarship awards made to entering students by affiliated Dollars for Scholars chapters of Scholarship America.

Work Programs

Resident Assistant Program

Students are selected for this program based on strong academic performance and residence hall experience. Applications are available at Residential Life. Awards range from \$10,500 up to \$12,500 and are renewable based on annual performance.

Student Assistant Employment Program

Scholarships are awarded to students selected for this program. No application is necessary, but a résumé is requested by the hiring department for consideration. Selection is based on strong academic performance and the possession of necessary skills. Awards for 2015–16 are up to \$3,600 and are renewable based on annual employee performance and 2.50 GPA maintenance.

Graduate Student Assistant Employment Program

Students enrolled in graduate programs are eligible to apply for available positions in the Graduate Student Assistant Employment Program. The Graduate Student Assistant Employment Program allows students to continue their education and gain valuable work experience in one of the university's departments or practicum educational facilities. Students in this program earn an hourly wage and are awarded a scholarship.

This is a highly competitive program that requires each applicant to submit a résumé and interview with each hiring supervisor. Graduate student assistant participants are hired based on their ability to meet the minimum qualifications of the position for which they apply. Interested graduate students should contact Student Employment at 401-598-1849 for more information.

Teaching Assistant and Fellowship Programs

Selection for these programs is based on strong academic performance and successful completion of an internship. Applications are available at Practicum Educational Facilities or Culinary Administration. Awards for 2015–16 are up to \$7,000 and are renewable based on annual employee performance and 2.75 GPA maintenance.

Important notice for international students: Please be aware that some of the above programs offer a room and board grant for eligible summer participants. Non-resident alien students with an F-1, J-1 or Q-1 visa will be subject to U.S. income tax withholding on any grant received for room and board.

Note: There are many complex IRS regulations regarding the taxability of scholarships and grants. The university is not in a position to determine the tax consequences of such awards in the case of any particular student. It is recommended that all students consult IRS publication 970 entitled "Tax Benefits for Education" and their tax advisor to determine how these rules apply to them. Non-resident alien students with an F-1, J-1 or Q-1 visa will be subject to U.S. income tax withholding on any grant received for room and board.

Academic Progress

Satisfactory Academic Progress

To be eligible for financial aid, all students must satisfy Satisfactory Academic Progress (SAP), which is required by federal law. SAP measures a student's completion of coursework toward a degree. JWU evaluates SAP at the end of each term, including summer, for each student. Students who do not meet all SAP criteria may lose their eligibility to receive all types of financial aid (e.g., federal, state, private, institutional and other aid). Students will be notified of the decision both verbally and in writing.

Maximum Time Frame Criteria

Completion of undergraduate or graduate programs cannot exceed 150 percent of the published length of the program measured in credit hours attempted as determined by the student's program requirements.

Pace Measure of Academic Progress Criteria

- Students must complete a specified percentage of all credit hours attempted; see below.
- This percentage includes all credit hours attempted regardless of whether or not financial aid was received.
- This pace measurement is calculated by dividing the cumulative number of hours that the student has successfully completed by the cumulative number of hours that the student has attempted.
- Credits attempted are defined as all classes for which a student receives a grade (D or better), or an F, I, W, WP, WF, NC, GP, S, U, PL, CX, NG, AU, etc.
- All transfer credit hours accepted from another institution toward the student's educational program at JWU will be counted as both attempted and completed hours.

- The student's GPA and pace of completion are negatively impacted by course incompletes, withdrawals, failures or repetitions (incompletes, failures and withdrawals count in attempted credits, but not completed).

Grade Point Average Criteria

- All undergraduate and graduate students must maintain a minimum Grade Point Average (GPA).
- The student's cumulative GPA for financial aid eligibility must be calculated on all grades received.
- All students, regardless of their enrollment status (e.g., full or part time), must meet the following minimum academic standards to remain eligible for financial aid.

Program	Total Credit Hours Attempted	Minimum Cumulative Pace	Minimum Cumulative GPA
Undergraduate	0–21	45%	1.00
Undergraduate	21.1–42	50%	1.26
Undergraduate	42.1–106.9	60%	1.50
Undergraduate	107 or higher	67%	2.00
Graduate	0 or higher	67%	2.00
Doctoral	0 or higher	67%	3.25

Warning Period

Students who fail to meet SAP criteria will be placed on financial aid warning for one academic term and a hold will be placed on the student's record, which will prevent them from course registration for all future terms. Students remain eligible for financial aid during the warning term. If SAP criteria are not satisfied at the end of the warning term, the student will be ineligible for financial aid. Students on warning must meet with an academic counselor to clear the hold prior to course registration, and/or to pursue an appeal. Students on warning must submit their appeal and supporting documentation before the eighth week of the warning term.

Ineligible for Financial Aid Period

Students who fail to meet SAP criteria after the warning period are ineligible for financial aid. If the student does not have an approved appeal, the student is no longer eligible for financial aid. Students may continue to take courses without financial aid to re-establish SAP standards; however, a payment plan must be established for the tuition and applicable fees associated with the course(s). Once a student is meeting JWU's minimum SAP standards, he or she may regain financial aid eligibility. Students who are interested in reestablishing aid eligibility should meet with an academic counselor to determine what they would need to do to meet JWU's minimum SAP standards.

Appeal Process/Probationary Period

If extenuating circumstances impacted successful adherence to SAP criteria, the student may pursue an appeal. The appeal will require the student to indicate why he or she did not make SAP and what has changed in the student's situation that will allow the student to demonstrate SAP by the next term. Circumstances and required documentation are illustrated below. The appeal process begins with the student's academic counselor in Student Academic Services. If an academic plan can be created that allows the student to meet SAP criteria within two terms, the counselor will present it to the appeals committee. Appeals must include complete documentation and are reviewed during the warning period; incomplete appeals will be denied. Appeal decisions are final. Students will be notified of the decision both verbally and in writing. This notification will take place after final grades are reviewed for the warning period.

If an appeal is approved, the student will be placed on a Financial Aid Probation Period, which is a status assigned by JWU to a student who fails to make SAP and who has successfully appealed and has had eligibility for financial aid reinstated. To continue receiving financial aid, the student will need to satisfy both the academic plan as outlined in their appeal and the SAP criteria.

Circumstance	Required Documentation
The student's own mental or physical illness or injury or condition	Provide documentation (e.g., a physician's statement, police report or documentation from a third party professional, such as a hospital bill)
Death of a family member or significant person in the student's life	Provide a copy of a death certificate

Illness, accident or injury of a significant person in the student's life	Provide documentation (e.g., a physician's statement, police report or documentation from a third party professional such as a hospital bill) related to the individual for whom the student provided care or support
The student's own divorce or separation or the divorce or separation of the student's parent(s)	Provide an attorney's letter on a law firm's letterhead, petition for dissolution or copy of divorce decree
Personal problems other than the student's own mental or physical illness or injury or condition with the student's spouse, family, roommate, or other significant person in the student's life	Provide a written statement from an attorney, professional advisor or other individual describing the circumstances
Natural disaster	Provide a written statement and/or supporting documentation
Military deployment	Provide active duty service orders

Student Services

Student Services at JWU provides personal and professional development support for students across various aspects of campus life, from academic support to meals and housing, health services, and involvement in campus programs and student clubs and organizations. Select a topic to view specific information.

Academic Support

Center for Academic Support

The Center for Academic Support (<http://catalog.jwu.edu/handbook/student-services/centerforacademicsupport>) offers a variety of services to assist students in preparing for graduation and their careers. The center complements students' academic and technical training by providing services that help sharpen their ability to position themselves in today's competitive marketplace.

The center's goals are to support students in their efforts to develop and maximize their talents, empower them to direct their own learning, and help them acquire lifelong behaviors and attitudes that employers value — ultimately leading students on pathways to success.

Example of Services Offered

- Tutoring
- Supplemental instruction
- Workshops in stress management, time management, test-taking strategies and other learning strategies
- Accommodations for students with disabilities with appropriate documentation

Students are urged to take the initiative in seeking out-of-class help during faculty office hours as well as in the Center for Academic Support.

Students with Disabilities

JWU is dedicated to providing reasonable accommodations to allow students with learning, physical or other disabilities to succeed in their academic pursuits. While maintaining the highest academic integrity, the university strives to balance scholarship with support services that will assist students with disabilities in functioning in the university's academic environment.

Because some programs of study at the university have technical standards (p. 97) and requirements, applicants and students with disabilities should contact the Center for Academic Support to discuss the availability of reasonable accommodations or to obtain documentation guidelines, when appropriate.

For further information regarding available reasonable accommodations and the accommodations procedure, visit the Center for Academic Support website or call the Center for Academic Support at your campus of choice.

Food Allergy Accommodation for College of Culinary Arts and School of Hospitality Students

The College of Culinary Arts and the School of Hospitality have technical standards (p. 97) that must be met for participation in their academic programs. All College of Culinary Arts programs and some School of Hospitality programs include the requirement that the student, with or without reasonable accommodations, must be able to safely and effectively test and evaluate the appearance, texture and aroma of food and beverage products, and maneuver in professional or commercial kitchens, dining rooms and related facilities.

Applicants with a food allergy who have been accepted for admission to JWU and intend to pursue studies in the College of Culinary Arts or the School of Hospitality are strongly urged to call or visit the Center for Academic Support prior to attending their first class to discuss any reasonable accommodations that might be available during their academic studies. While the university will provide reasonable accommodations in compliance with applicable law, the university cannot guarantee it will be able to meet all requests for accommodations or remove allergens from its curriculum.

Denver Health & Counseling Services

Health & Counseling Services (<http://www.jwu.edu/content.aspx?id=564>) is located on the second floor of Centennial Hall. Students are seen by

appointment. Same-day appointments are often available and urgent needs are seen on a walk-in basis.

Medical Records

Prior to the first term of enrollment, the university requires all new students — residents and commuters alike — to submit proof of a complete physical exam conducted within the past year, including documented proof of two doses of the MMR (measles, mumps, and rubella) vaccine (or titers if applicable), three doses of the hepatitis B vaccine (or titers if applicable), three doses of tetanus-diphtheria vaccine (including at least one Tdap dose within the past 10 years) two doses of the chicken pox vaccine or proof of physician-diagnosed disease (or titers if applicable), and one dose of the meningitis vaccine. A waiver can be signed in lieu of this vaccination for students 22 years of age and older who do not live in the residence halls. Please contact Health Services for further information. In addition, a negative tuberculosis test or chest x-ray within the last year is required for entering students who are from highly endemic countries and have been residents in the United States for less than five years. A list of countries where tuberculosis is highly endemic is available upon request from Health Services. These forms may be obtained by contacting the university at 303-256-9448.

The hepatitis A vaccine is strongly recommended, but not required.

International Student Services

International Student Services is housed in Providence's International Center, which also includes Study Abroad and the BRIDGE Center. There are International Student Services staff on each of the four campuses. The main focus of International Student Services is to help international students adhere to Department of Homeland Security regulations, maintain their student status, and access all the benefits permitted by their student visa status. A variety of other programs and services have also been created to assist students from the moment they enroll in the university until the day they graduate and beyond. Information sessions on employment, tax and other cultural adjustment issues are conducted every year. International Student Services also offers orientation and cultural programming for international students and the university community. The BRIDGE Center collaborates on some of this programming designed to support students with acclimating to campus life.

New Student Orientation and Support Programs

Johnson & Wales University's orientation program is designed to help new students become acquainted with college life and to facilitate a successful first-year or transfer experience. Students are introduced to many university administrators, faculty, staff and student leaders who provide valuable information on academic studies, student life and university policies. Social activities are also scheduled throughout the program to help students meet other incoming students.

Families are also invited to participate in a unique Family Orientation program held concurrently with Student Orientation. Family Orientation provides an opportunity for families to learn how to support their students' transition to college, get their questions answered, meet university administrators and connect with the Johnson & Wales University community.

Summer Orientation and fall's Wildcat Welcome programs have been planned to facilitate students' successful transition.

Policies

Computer and Technology Use Policy

All students are required to comply with the university's Computer and Technology Use Policy (<http://helpdesk.jwu.edu/policies.htm>).

The university's Computer and Technology Use Policy prohibits students from uploading, downloading, posting, publishing, transmitting, retaining, reproducing, sharing or distributing in any way information, software, movies,

music, books, articles or any other material which is protected by copyright or other proprietary right, without obtaining permission of the owner. Violation of this policy may result in the termination of a student's access to the Internet via the university's Internet system and student conduct review actions up to and including dismissal from the university.

In addition, students should be aware that unauthorized distribution of copyrighted material (e.g., songs, music and other materials), such as through peer-to-peer networks, may constitute copyright infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the website of the U.S. Copyright Office (<http://www.copyright.gov>), especially their FAQs (<http://www.copyright.gov/help/faq>). Please refer to the Computer and Technology Use Policy for a further description of prohibited activities regarding use of university technology resources.

Drug and Alcohol Policy

In accordance with the Federal Drug-Free Workplace Act and Drug-Free Schools and Communities Act, Johnson & Wales University prohibits the unlawful manufacture, distribution, dispensation, possession or use of narcotics, drugs, other controlled substances or alcohol at the workplace and in the educational setting. Possession or use of alcoholic beverages anywhere on university property is prohibited except for legal use at events, operations, programs, premises or facilities sanctioned by the university. Unlawful for these purposes means in violation of federal, state or local statutes, regulations or ordinances. Workplace is defined as either university premises or any place where university business is conducted away from university premises. Educational setting includes both university premises and approved educational sites off campus.

Possession or use of illegal drugs, narcotics or drug paraphernalia is absolutely forbidden. Johnson & Wales may impose sanctions on students and employees for violations of this policy up to and including dismissal, termination of employment and/or referral for prosecution. Johnson & Wales is not and cannot be considered a protector or sanctuary from the existing laws of the local, state and/or federal government.

University Sanctions

Disciplinary sanctions which may be imposed on a student found to be in violation of the above policy include, but are not limited to, revocation of certain privileges, community service, conduct warning, conduct probation, fine or restitution for loss, suspension or dismissal from the university and/or university housing, and referral to alcohol education classes. The university also reserves the right to notify parents of violations by students who are under the applicable legal drinking age. Please see the Student Code of Conduct (<http://catalog.jwu.edu/handbook/studentaffairs/studentcodeofconduct>) and Sanctions (<http://catalog.jwu.edu/handbook/studentaffairs/studentcodeofconduct/sanctions>) for more information.

Alcohol and Its Effects

Alcohol abuse is defined as any drinking that harms or endangers the drinker or other people. It can be a single episode or a regular pattern. Alcohol consumption causes a number of marked changes in behavior. Thought processes are slowed as alcohol numbs and destroys brain cells.

Symptoms of Drug Abuse

The key is change. It is important to watch for any significant changes in physical appearance, personality, attitude or behavior. Behavior signs include a change in overall personality or attitude with no other identifiable cause; a general lack of motivation, energy or self-esteem; sudden oversensitivity, temper tantrums or resentful behavior, moodiness, irritability or nervousness.

Possible Effects of Drug Abuse

Narcotics (opium, morphine, heroin) may cause euphoria, drowsiness, respiratory distress and nausea. Depressants (barbiturates) may cause slurred speech, disorientation and drunken behavior without the odor of alcohol. Stimulants (cocaine, amphetamines) may cause increased alertness, increased blood pressure and pulse, insomnia and loss of appetite. Hallucinogens (LSD,

mescaline) may cause illusions, hallucinations and poor perception of time and distance. Cannabis (marijuana, hashish) may cause euphoria, relaxed inhibitions and disoriented behavior.

JWU's Substance Abuse Prevention Program

Several programming initiatives and alternatives are available to help students examine their own behavior related to alcohol and other drugs (AOD):

- Counseling Services provides an assessment of AOD usage for all students who seek counseling.
- Referrals to community resources are available for individuals with more long-term or complex needs. A number of AA/NA/Al-Anon groups hold meetings close to campus and in the larger local community.
- Counseling and Health & Wellness offer AOD prevention through programming efforts with various student groups and Student Affairs departments.
- Counseling and Health & Wellness also collaborate with Student Conduct to provide educational and other resources for students with problematic drinking behavior and drug use.
- A number of programming initiatives take place each year.

State Penalties for Drug and Alcohol Offenses

Johnson & Wales University students are subject to state criminal prosecution and penalties for drug and alcohol offenses, including

- possession or delivery of marijuana, cocaine, heroin, LSD or PCP
- possession of a needle and syringe
- driving under the influence of alcohol and/or drugs
- driving under the influence, death resulting

Criminal penalties for drug and alcohol offenses can include

- mandatory drug or alcohol counseling
- alcohol and/or drug treatment
- driver retraining
- suspension or loss of driver's license
- community service
- fines ranging from \$200 up to \$1,000,000
- imprisonment for various periods of time up to life imprisonment

Residential Life

To help maximize individual potential, the JWU Denver Campus has established a policy requiring newly admitted students to live in JWU residence halls their first and second years. There are a few exceptions to this policy as defined below.

A student is not eligible to live on campus if the student

- is married or has a same sex domestic partner relationship that meets certain eligibility requirements
- is a parent
- has a medical condition that is directly related to living in the residence halls and/or eating in the Wildcat Dining Center (*The student must be able to provide documentation to the Center for Academic Support, which will verify and advise Residential Life that the student's situation may not be accommodated by the residence hall or dining room facilities.*)
- is at least 21 years of age
- is living at home with a relative, parent or guardian and commuting within a 20-mile radius of campus
- is a transfer student

Please contact Residential Life for further information regarding these exceptions.

Students who have been convicted of certain felonies (or have had certain felony-type charges sustained in a juvenile proceeding), such as crimes of violence, serious drug offenses and sex offenses, are not eligible to live in university housing.

Residential Life (<http://www.jwu.edu/denver/reslife>) provides information regarding a variety of living accommodations on and near campus, as well as programs for students and opportunities for involvement. Students requesting reasonable accommodations should contact the Center for Academic Support (<http://www.jwu.edu/content.aspx?id=554>).

Safety and Security

Campus Safety & Security (<http://www.jwu.edu/denver/safety>) is open 24 hours a day, 365 days a year. Students who have questions or need help should call 303-256-9500. Campus Safety & Security officers provide crime prevention assistance and first response support for incidents on campus. Incidents of an emergency nature should be reported to the Denver Police at 911, followed by contacting Campus Safety & Security at 303-256-9500.

Campus Safety & Security officers are available to patrol the campus at all times and utilize an integrated electronic access control and digital camera system. Emergency blue-light telephones are strategically located throughout the campus and directly connect callers to the Campus Safety & Security dispatcher on duty. Campus Safety & Security issues timely alerts to the campus community, and when necessary, has the ability to issue these timely alerts via an emergency notification mass-messaging system.

In compliance with the Higher Education Act, Johnson & Wales University publishes an Annual Security Report and an Annual Fire Safety Report. The Annual Security Report discloses information about campus security policies and statistics concerning reported crimes that occurred on campus, on university-controlled property, and on public property immediately adjacent to campus. The Annual Fire Safety Report discloses information about campus fire safety policies and procedures and fire statistics for each residence hall. A copy of the reports may be obtained from Campus Safety & Security in person or online (<http://www.jwu.edu/denver/safety>).

The university maintains a log of all fires that occur in on-campus housing, and a daily log of reported crimes.

Student Involvement & Leadership

Student Involvement & Leadership (<http://www.jwu.edu/content.aspx?id=58491>) strives to cultivate meaningful experiences to inspire personal and professional growth by

- developing and supporting programs that promote collaborative learning, character development and social responsibility
- promoting a student-centered culture that encourages a strong sense of pride and tradition
- empowering students to embrace and strengthen an inclusive community
- fostering collaborative partnerships to support and deliver successful campus events

Some programs and services include

- student clubs and organizations
- fraternity and sorority life
- campus entertainment and activities
- co-curricular and leadership development programs
- student government
- multicultural programs
- campus traditions such as Hanging of the Greens, Casino Night and more

Clubs and Organizations

Opportunities abound for students to get involved in clubs and organizations and become engaged in the Wildcat community at JWU's Denver Campus. See clubs and organizations (<http://www.jwu.edu/content.aspx?id=12140>) for currently available opportunities and to access the Student Organization Handbook to learn about starting new organizations on campus.

Fraternity and Sorority Life

Getting involved in the fraternity and sorority life is one way to strengthen leadership potential, serve others and build a network of resources that lasts a lifetime. See fraternity and sorority life (<http://www.jwu.edu/content.aspx?id=12154>) for currently available opportunities.

Athletics

Athletics at JWU's Denver Campus serves multiple functions within the campus community such as supporting students' needs through intercollegiate, recreational and intramural sports programs, as well as fitness programs and facilities. See Athletics (<http://denver.jwuathletics.com/landing/index>) for current athletic program information.

Leadership Development Programs

Student Involvement & Leadership provides opportunities (<http://www.jwu.edu/content.aspx?id=568>) for students to complement their classroom education with the leadership knowledge, skills and abilities necessary to succeed in a competitive workplace and in life.
